A	Introduction			9
	A.1	Purpose of the manual and its use		11
		A.1.1	$Implementation \ of \ the \ manual, \ primary \ stakeholders$	
			and their relationship to the manual	14
		A.1.2	Definition of public space and public realm	16
A.2 Navigation through the document		ation through the document	19	
	A.3	Quality of public space is the foundation		
		for qu	ality of life in the city	23

В	Typology			25
	B.1	Traditional types of public space		33
		B.1.1	Streets	33
		B.1.2	Squares	36
		B.1.3	Waterfronts	37
		B.1.4	Parks	40
	B.2	Specific and additional forms of public space		43
		B.2.1	Shopping arcades and passageways	43
		B.2.2	Spaces on higher levels	45
		B.2.3	Publicly accessible courtyards	46
		B.2.4	Public space surrounding solitary buildings	48
		B.2.5	Public space of public buildings	49
		B.2.6	Restricted spaces — grounds	50
		B.2.7	Public space of housing estates	51
		B.2.8	Public space of transport infrastructure	54

Layout			57
C.1	Layout of the streetscape		63
	C.1.1	Shared space	66
	C.1.2	Quiet and traffic-calmed streets	70
	C.1.3	Important traffic-calmed streets	72
	C.1.4	Streets with heavy motor-vehicle traffic	74
C.2	Parts of public space		77
	C.2.1	Pedestrian space	77
	C.2.2	Roadways and lanes	83
	C.2.3	Intersections and crossings	88
	C.2.4	Tram and bus stops	93
	C.2.5	Cycling infrastructure	101
	C.2.6	Parking	107
	C.2.7	Playgrounds	112
	C.2.8	Stormwater management	116

D	Elements			119
Ē	D.1	Mater	rials and surfaces	125
		D.1.1	Floor of public spaces	127
			D.1.1.1 Pedestrian and shared surfaces	132
			D.1.1.2 Driving surfaces	137
			D.1.1.3 Tram lane surfaces	142
			D.1.1.4 Surface edges and boundaries	145
		D.1.2	Materials and surfaces of elements	147
		D.1.3	Examples of surfaces and their use	150
	D.2	Trees	and vegetation	157
		D.2.1		158
		D.2.2	Rows, alleys and groups of trees	165
		D.2.3	Shrub and herbaceous plant biotopes	170
		D.2.4	Lawns	174
	D.3	Traffi	c elements and technical infrastructure	179
		D.3.1	Underground utilities	180
		D.3.2	Aboveground elements	183
			D.3.2.1 Traffic lights	187
		D.3.3	Traffic elements and signs	190
		D.3.4	Temporary traffic control devices	193
		D.3.5	Road safety elements	195
	D.4	Outdo	oor lighting	197
		D.4.1	Street lighting	198
		D.4.2	Architectural lighting	203
	D.5	Stree	t furniture	207
			Seating	
		D.5.2	Bicycle stands	212
			Waste containers	214
			D.5.3.1 Litter bins	214
			D.5.3.2 Waste containers	216

	D.5.4	Public transport stops	21	
		D.5.4.1 Shelters	21	
		D.5.4.2 Stop markers and		
		information displays	22	
	D.5.5	Water elements	22	
	D.5.6	Orientation and information elements	22	
		D.5.6.1 Identification elements	22	
		D.5.6.2 Street clocks	23	
	D.5.7	Barriers	23	
		D.5.7.1 Railings		
		D.5.7.2 Bollards and posts	23	
		D.5.7.3 Fencing	23	
	D.5.8	Construction site fencing	24	
	D.5.9	Noise barriers	24	
.6	Buildi	ings and facilities for services	24	
	D.6.1	Kiosks	24	
		Public toilets		
	D.6.3	Markets and market stands	25	
	D.6.4	Petrol stations	25	
.7	Struct	tures to facilitate movement and access	25	
	D.7.1 Stairs, footbridges and			
		underground entrances	25	
	D.7.2	Underground parking entrances	26	
.8	Outdo	oor advertising	26	
	D.8.1	Large-scale advertising	26	
	D.8.2	Advertising on street furniture	26	
	D.8.3	Cultural advertising	26	
	D.8.4	Shop signs	27	
9	Art in	public spaces	27
