

FURTHER READING

BOOKS

Goffinet, B., & A. J. Shaw. 2009
Bryophyte Biology (2nd edn). Cambridge University Press.

Vanderpoorten, A., & B. Goffinet. 2009
Introduction to Bryophytes. Cambridge University Press.

Bell, N. 2023
The Hidden World of Mosses. Royal Botanic Garden Edinburgh.

Glime, J. 2021
Bryophyte Ecology (e-book: <https://digitalcommons.mtu.edu/oabooks/4>).

FIELD GUIDES

There are a wealth of excellent bryophyte field guides and floras available that tend to focus on specific regions of the world. Two good examples are listed here:

Pope, R. H. 2016
Mosses, Liverworts, and Hornworts: A Field Guide to Common Bryophytes of the Northeast. Cornell University Press.

Atherton, I., S. Bosanquet & M. Lawley. 2010
Mosses and Liverworts of Britain and Ireland: A Field Guide. British Bryological Society.

ONLINE IMAGE RESOURCES

Michael Lüth's website with habitat photographs and photomicrographs of European mosses:

CLASSIFICATION SOURCES

Brinda, J. C. & J. J. Atwood. October 23, 2024
The Bryophyte Nomenclator www.bryonames.org

Söderström, L. *et al.* 2016
“World checklist of hornworts and liverworts,”
PhytoKeys 59, 1–821

Goffinet B. & W. R. Buck.
Classification of the Bryophyta
<http://bryology.uconn.edu/classification>

Bechteler, J. *et al.* 2023
“Comprehensive phylogenomic time tree of bryophytes reveals deep relationships and uncovers gene incongruences in the last 500 million years of diversification,”
American Journal of Botany 110/11, 1–20

BRYOLOGICAL SOCIETIES

A number of bryological societies exist around the world, some examples are listed below:

The International Association of Bryologists (IAB)
<https://bryology.org/>

The American Bryological and Lichenological Society (ABLS) <https://www.abls.org>

The British Bryological Society (BBS)
www.britishbryologicalsociety.org.uk/

The Bryological–Lichenological Working Group for Central Europe (BLAM)
<https://blam-bl.de/>
