INTRODUCTION.....	9
1 THEORETICAL BACKGROUND TO THE PROBLEM	11
1.1 Media literacy.....	17
1.1.1 Media literacy and citizenship education competencies for adults	22
1.1.2 Media literacy, digital literacy and digital skills	25
1.1.3 Current state of the issue's development	26
1.1.4 Digital competencies across generations.....	31
1.1.5 Models of media literacy development	35
1.2 Online information threats	41
1.3 Safe online behaviour in the context of media literacy and adult resilience to disinformation	51
1.3.1 Content analysis results	60
1.4 Citizenship education	70
1.4.1 Terminological and systemic definition of citizenship education.....	72
1.4.2 Basic curricular aspects of citizenship education for adults.....	79
1.4.3 Adult citizenship education in a range of important documents	90
2 ANALYSIS OF THE DEVELOPMENT OF MEDIA LITERACY AND CITIZENSHIP EDUCATION.....	96
2.1 Analysis of the current state of media literacy in the context of adult citizenship education within scientific research projects	96
2.1.1 Media literacy analysis.....	101
2.1.2 Analysis of citizenship education for adults	108
3 RESULTS OF QUALITATIVE RESEARCH.....	116
3.1 Research methodology	116
3.2 Research results.....	118
3.2.1 Analysis of searched content in the media	118
3.2.2 Analysis of the perception of the fake news phenomenon.....	120
3.2.3 Analysis of key media literacy competencies	122
3.2.4 Analysing ways to improve media literacy	124
3.2.5 Synthesis of research findings: Media literacy framework	126
3.3 Discussion	128
3.3.1 Analysis of searched content in media	128
3.3.2 Analysis of the phenomenon of fake news.....	131
3.3.3 Analysis of key media literacy competencies	133
3.3.4 Analysis of ways to increase media literacy	136

3.4 Conclusion.....	137
4 ANDRAGOGICAL MODEL FOR THE DEVELOPMENT OF MEDIA LITERACY – KORA.....	140
4.1 Andragogical model of media literacy development – methodological approach.....	142
4.1.1 Thematic area No. 1 – Defining media literacy	142
4.1.2 Thematic area No. 2 – Responsible/safe online behaviour	144
4.1.3 Thematic area No. 3 - Criteria for identifying the credibility of information..	145
4.1.4 Thematic area No. 4 – Strategies for developing media literacy	147
4.1.5 Thematic area No. 5 – Self-education activities aimed at improving media literacy among adults and assessing the credibility of information	148
4.2 Conclusion.....	152
CONCLUSION	153
