

TABLE OF CONTENTS

Diabetes: Preoperative Evaluation and Intraoperative Management Simon de Lange, M.D., Ph.D., FFARCS	1
What Are Minimum Monitoring Requirements and What Do Echocardiography, EEG's and Oximetry Offer Us? Michael F. Roizen, M.D.	18
Management of Electrolyte Abnormalities K. C. Wong, M.D., Ph.D.	21
Does Choice of Anesthetic Make a Difference? Michael F. Roizen, M.D.	37
Anesthesia and the Hypertensive Patient Edward D. Miller, Jr., M.D.	42
Anesthesia for Congenital Cardiac Disease James F. Arens, M.D.	52
Anesthetic Considerations for Cerebral Vascular Surgery John D. Michenfelder, M.D.	65
Care of the Pacemaker Patient Undergoing General Surgery James R. Zaiden, M.D.	73
Anesthetic Considerations in Patients for Vascular Surgery James F. Arens, M.D.	78
Protecting the Brain During and After Vascular Insufficiency John D. Michenfelder, M.D.	91
Deliberate Hypotension Edward D. Miller, Jr., M.D.	97
Anesthetic Management of Pulmonary Thromboendarterectomy Simon de Lange, M.D., Ph.D., FFARCS	105
Anesthesia for Adult Cardiac Surgery James F. Arens, M.D.	113
The Renin-Angiotensin System in Anesthesia Edward D. Miller, Jr., M.D.	125
Mechanisms for Myocardial Ischemia During Anesthesia Sebastian Reiz, Ph.D., M.D.	130
Mechanisms and Management of Cardiac Arrhythmias Ronald L. Katz, M.D.	136

VIII

Invasive and Noninvasive Monitoring of Myocardial Ischemia During Non-Cardiac Surgery	
Sebastian Reiz, Ph.D., M.D.	164
Effect of Inhalation Anesthetics on Cardiac Conduction	
James R. Zaiden, M.D.	170
Isoflurane and Coronary Blood Flow Regulation	
Sebastian Reiz, Ph.D., M.D.	173
Wildlife Capture: Are the Stresses Applicable to Humans?	
J. C. Haigh, BVMS, MSc, MRCVS	178
Neonatal Anesthesia	
Frederick A. Berry, M.D.	191
Cardiovascular Effects of Anesthetics in the Young	
George A. Gregory, M.D.	202
Pharmacokinetics and Pharmacodynamics of Intravenous Anesthetic Agents in the Pediatric Cardiovascular Patient	
William J. Greeley, M.D.	204
Persistent Pulmonary Hypertension in the Newborn: Causes and Therapeutic Horizons	
Frederick A. Berry, M.D.	211
Effects of Cardiopulmonary Bypass on the Pediatric Patient	
William J. Greeley, M.D.	216
Postoperative Care of Pediatric Cardiac Surgery Patients	
George A. Gregory, M.D.	224
