

CONTENTS

Foreword	9
Introduction	11
1. Analysis of the Current State of Research	17
1.1 Theoretical Foundations of Defence Funding	17
1.2 International Approaches to Defence Funding	32
1.3 Defence Funding in the Slovak Republic	35
2. Research Objectives and Methodology	38
2.1 The Research Problem	38
2.2 Research Objectives	39
2.3 Object and Subject of Research	40
2.4 Research Questions	41
2.5 Research Hypotheses	41
2.6 Research Methodology	41
2.7 Selection and Justification of Scientific Methods	43
3. Results of the Research	45
3.1 Evolution and Dynamics of the SR's Defence Expenditure (1993–2024)	45
3.2 The Structure of the SR's Defence Budget	63
3.3 The Impact of Economic Factors on Defence Funding	71
3.4 The Impact of Political Factors on Defence Funding	80
3.5 The Impact of Security Factors on Defence Funding	88
3.6 The Impact of Societal Factors	98
3.7 Comparison of Slovakia with NATO, EU, and V4 States	106
3.8 Summary of Chapter 3	116
4. Discussion of the Scientific Research Results	119
4.1 Verification of Hypotheses	119
4.2 Identification of Factors with the Greatest Impact on Defence Funding	121

Contents

4.3 Reflection on Research Limitations	128
4.4 Normative Implications for the SR's Policy in the Area of Defence Funding	130
4.5 Summary of Chapter 4	138
Conclusion	141
List of Literature and Sources	149
List of Charts	157
Subject and Name Index	159
