Herbology .....	31
Acupuncture .....	31
Moxibustion .....	31
Cupping .....	31
Exercise therapy .....	31
Dietary therapy .....	32
Medical massage ( <i>Tui-Na</i> ) and manipulation .....	32
Bone setting .....	32
Diagnosis .....	32
Palpation .....	36
Pulse examination .....	36
Location of pulse .....	37
An example of a diagnosis .....	37
Further suggested reading .....	39
<b>Chapter 4 Traditional Chinese medicinal herbs .....</b>	<b>41</b>
Herbal drug character and property .....	42
Herbal formulas .....	44
TCM dietary therapy .....	49
Biologically active ingredients from TCM herbs .....	50
Future prospects .....	51
Further suggested reading .....	52
<b>Chapter 5 Examples of TCM formulas used in Chinese                   medicine .....</b>	<b>53</b>
Herbal medicine .....	53
Efficacy of TCM .....	55
Some examples of complex formulas used in TCM .....	55
<i>Danggui-Buxue-Tang</i> .....	63
Four Gentlemen Decoction ( <i>Si Jun Zi Tang</i> ) .....	64
<i>Suan Zao Ren Tang</i> (Sour Jujube Decoction) .....	65
Further suggested reading .....	66
Bibliography .....	67
<b>Chapter 6 Examples of single Chinese and botanical                   medicines derived from TCM .....</b>	<b>69</b>
Introduction .....	69
Evidence-based approach .....	70

Artemisinin: A Chinese miracle drug.....	70
Malaria .....	70
Ginkgo .....	73
Ginseng.....	75
Introduction.....	75
Ginsenoside variation and standardization.....	75
Ratio of Rg1 and Rb1 and the yin and the yang .....	75
Adaptogen and effects on exercise performance .....	77
Green tea.....	78
Introduction.....	78
Anticancer mechanisms of action .....	79
Inhibition of NADH oxidase activity .....	79
Chinese Cordyceps: Winter Worm, Summer Grass .....	80
Introduction.....	80
Life cycle of <i>Cordyceps sinensis</i> .....	81
Perceived health benefits.....	82
Salvia (Danshen).....	83
Red yeast rice, <i>Monascus purpureus</i> .....	87
Dong quai, <i>Angelica sinensis</i> .....	88
Garlic.....	89
Use of garlic in cardiovascular disease models.....	90
Ephedra, <i>Ephedra sinica</i> .....	92
Further suggested reading.....	94
Suggested reading on Ginkgo .....	94
Suggested reading on Ginseng.....	94
Suggested reading on Green tea .....	94
Suggested reading on Cordyceps.....	95
Suggested reading on Salvia.....	95
Suggested reading on Garlic.....	95
<b>Chapter 7 TCM safety and regulations .....</b>	<b>97</b>
TCM safety concerns .....	97
Toxic compounds and contaminants in TCM herbs .....	98
<i>Aristolochia</i> and <i>Asarum</i> species.....	98
The toxic <i>Aconitum</i> plants.....	103
<i>Datura metel</i> L.....	105
<i>Xanthium sibiricum</i> poisoning .....	106
Chinese medicinal products.....	107
Po Chai Pills.....	107
PC-SPES.....	108

Further suggested reading.....	111
Bibliography .....	111
<b>Chapter 8 The current use of TCM in China, Hong Kong, and Southeast Asia .....</b>	<b>113</b>
China.....	113
TCM regulation in China.....	114
Class 1 to class 9 drugs in China .....	114
Malaysia.....	116
Singapore.....	117
Indonesia .....	117
Australia .....	117
Hong Kong .....	118
TCM as part of the medical system in Hong Kong.....	119
TCM trading in Hong Kong .....	120
TCM education in Hong Kong.....	122
TCM regulations in Hong Kong .....	123
