The design process	39
--------------------------	----

Criteria tool	41
---------------------	----

Eight Inclusive Design activities	42
---	----

Tools 53

Research tools	54
----------------------	----

Low contact:

Questionnaire	56
---------------------	----

Web forum	58
-----------------	----

Natural observation	60
---------------------------	----

Medium contact:

Interview	62
-----------------	----

Research kit	64
--------------------	----

Design provocation	66
--------------------------	----

High contact:

Controlled observation	68
------------------------------	----

Workshop	70
----------------	----

Evaluation	72
------------------	----

Case studies 75

Short case studies

Power tools	76
-------------------	----

Telecommunications	77
--------------------------	----

Homeware	78
----------------	----

Service	79
---------------	----

Automotive	80
------------------	----

Full case studies

Transport	81
-----------------	----

Packaging	84
-----------------	----

Household products	86
--------------------------	----

Furniture	88
-----------------	----

Service	90
---------------	----

Glossary	92
----------------	----

Further reading and references	94
--------------------------------------	----

Credits	95
---------------	----

Organisations and contributors	96
--------------------------------------	----
