### Endocrinology of Postmenopause

- 1 Neuroendocrine Effects of Opioids in Postmenopausal Women  
*P. Fioretti, A.M. Paoletti, M. Gambacciani, V. Mais, A. Cagnacci, E. Grimaldi, P. Manetti, and G.B. Melis*
- 9 Ovarian Responsiveness in Hypergonadotropic States  
*C. Flamigni, V.M. Jasonni, and C. Bulletti*
- 13 Ultrasound Screening for the Early Detection of Ovarian Cancer  
*V. Bhan, R. Goswamy, M.I. Whitehead, and S. Campbell*
- 21 The Adrenal Secretion in Postmenopausal Women  
*F. Bassi, M. Mannelli, M.L. De Feo, A. Magini, V.M. Jasonni, and M. Serio*
- 29 Estrone Sulfate ( $E_1S$ ) — An Estrogenic Prehormone in the Postmenopausal Woman?  
*Kjell Carlström*

### Therapeutic Approach to Postmenopausal Complaints

- 35 The Management of the Postmenopausal Woman  
*Nathan G. Kase*
- 55 Dopaminergic System and Postmenopausal Hot Flushes: Effects of Domperidone Treatment or Dopamine Infusion  
*G.B. Melis, A. Cagnacci, M. Gambacciani, E. Grimaldi, F. Strigini, L. Zichella, E. Tesserì, E. Bonamici, and P. Fioretti*
- 67 Clinical Findings of Headache in Postmenopausal Age  
*F. Facchinetti, E. Sternieri, G. Nappi, G. Alessandrini, M. Jannopulu, M.G. Morgillo, and A.R. Genazzani*
- 71 Continuous Combined Estrogen/Progestogen Hormonal Replacement Therapy: Atrophic Endometrium and/or Amenorrhea  
*L. L'Hermite, D. Thomas, and E. Van Rosendaal*

- 77 Cyclic and Combined Hormonal Treatment Regimen in Postmenopausal Women: Hysteroscopic Findings  
*A. David, A. Reif, and L. Weissglas*
- 83 Benefits and Risks of Various Hormonal Therapies in Post-Menopause  
*A. Volpe, F. Facchinetti, F. Petraglia, D. Campanini, R. Baraldi, and A.R. Genazzani*
- 91 Absorption and Endocrine Effects of "Go-Stop" Vaginal Oestriol  
*J. Ginsburg, W.P. Collins, R.S. Fink, B. O'Reilly, and P. Weiss*
- 95 Hormonal Treatment of the Postmenopausal Genito-Urinary Syndrome  
*I. Stoppelli, G. Zanconato, and A.M. Guacci*
- 103 Effects of Combined Hormonal-Antiinflammatory Therapy in the Postmenopausal Vaginitis  
*G. Ragni, L. De Lauretis, O. Bestetti, H. Wyssling, and P.G. Crosignani*

### Hormones and Endometrium

- 111 Exogenous Steroids and Endometrium  
*G. Dallenbach-Hellweg*
- 117 Progestins and Endometrial Hyperplasia  
*C. Orlandi, G. Martinelli, F. Bazzocchi, and A. Marabini*
- 123 Endometrial Carcinoma and Hyperplasia  
*S. Cianci and I. Russo*
- 129 Responsiveness of Climacteric Endometrium to Steroid Hormones  
*Erlio Gorpide, Fred Schatz, Leszek Markiewicz, Achille Gravanis, Liane Deligdisch, Hiroki Hata, and Christian F. Holinka*
- 139 Estrogens and Their Transport into the Uterine Tissue  
*V.M. Jasonni, C. Bulletti, P. Ciotti, and C. Flamigni*
- 149 Estrone and Estradiol Metabolism by Endometrial Cancer Tissues and Cells  
*L. Castagnetta, O.M. Granata, G. Carruba, L. Polito, V. Miserendino, R.M. D'Anna, and M. Lo Casto*
- 155 Steroid-Mediated Effects in Normal and Neoplastic Uterine Cells  
*S. Iacobelli, N. Gentiloni, and M. Forcucci-Zulli*
- 163 The Value of Steroid Receptor Status in the Management of Endometrial Cancer  
*R.E. Leake, S.K. Cowan, S.B. Kaye, J. Cordiner, P. Geraci, S. Riotta, C. Giannola, N. Termine, and L. Castagnetta*

- 169 New Markers of Hormonal Responsiveness in the  
Endometrial Adenocarcinoma  
*S. Dell'Acqua, F. De Cicco Nardone, G. Scambia, and  
S. Iacobelli*

### Hormones and Breast Cancer

- 173 Physiological Development, Benign Diseases and Cancer of  
Human Breast: Importance of Prolactin Secretion  
*G.B. Melis, A.M. Paoletti, F.D. Petacchi, C. Mugnetti,  
C. Venturini, P. Miccoli, P. Iacconi, R. Faggiuolo, A. Berruti,  
L. Dogliotti, D. Antinori, and P. Fioretti*
- 189 Androgens in Breast or Endometrial Cancer  
*V.H.T. James, J.M. McNeill, P.A. Beranek, R.C. Bonney, and  
M.J. Reed*
- 203 Relationship between Thyroid Hormones and Breast Cancer  
*Paolo Miccoli, Pietro Iacconi, Manuela Roncella,  
Marco Arganini, and Giuseppe Rossi*
- 209 Hormone Receptors in Breast Cancer  
*F. Di Carlo and S. Racca*
- 215 Steroid Binding Sites and Histochemical Markers in Prognostic  
Evaluation of Breast Carcinoma  
*G.P. Trentini, M. Criscuolo, E. Nigrisoli, D. De Maria, and  
M. Annovi*
- 223 Clinical Endocrinology in Breast Cancer  
*V. Pozzi, S. Barchiesi, S. Luciani, M.L. Meggiorini, and  
M.P. Nusiner*

### Postmenopausal Osteoporosis

- 229 The Pathogenesis of Postmenopausal Bone Loss and Osteoporosis  
*John C. Stevenson*
- 235 Bone-Loss Prophylactic Treatment with Salmon Calcitonin  
After Ovariectomy  
*C. Zara, M.G. Montrasio, M. Caprotti, M. Piolini, and F. Polatti*
- 243 Effects of Estrogens on Vitamin D Metabolism in Postmenopausal  
Osteoporotic Women  
*C. Gennari, D. Agnusdei, R. Civitelli, P. Nardi, and  
M. Montagnani*
- 255 Oestrogen/Progestogen as a Prophylactic Treatment of  
Postmenopausal Osteoporosis  
*B. Riis and C. Christiansen*

- 265 Calcium Metabolism and Lumbar BMC in Postmenopausal  
Women With and Without Hormonal Replacement Treatment  
*G.C. Isaia, C. Campagnoli, D. Guidetti, M. Mussetta,  
G. Salamano, S. Catufa, P. Belforte, T. Maraschiello,  
C. Abbà, and G.M. Molinatti*
- 271 *Subject Index*
