Topography of the Gargantuan Warehouses Begüm Eser	29
Transforming Public Space into Authority-Controlled Space: A Case Study on the Ministries Triangle in Ankara, Türkiye Selin Kocaman & Arzu Aydınay	37
Just Games, from Fortress to Forum: Rethinking Permeability and Inclusion in Montreal's Olympic Park Laysa Abchiche Lima	49
Walking the City as a Multisensory Experience: Microclimate and Soundscape Effects in Béjaïa Yacine Mansouri, Shady Attia & Mohamed Elhadi Matallah	55

Contents

Proximity and Permeability in Informal Settlements: Learning from Dharavi Ayesha Mueller-Wolfertshofer	59
A Justice-Oriented Approach to Teenagers' Active Mobility and Autonomy Aida Shaneh	69
Remaking the "City of Lakes": Touristic Imaginaries and the Urban Political Ecology of Water in Udaipur Kritika Singh	77
Configurational Accessibility in Practice: Integration, Choice, and the Clustering of Activity Spaces in Beşiktaş, Istanbul Burcu Soygüzeloglu	83
"In Swimsuits, We're All Equals": Building High-Rise Cohesion Through Social Infrastructure – The Case of Alt-Erlaa's Rooftop Pools Luis Ullmann	91
The Rhythm of Fethiye Promenade: Public Life on the Waterfront Melis Yilmaz	101
Track 2: Flows and Connections Revisited	113
The Spatial DNA of Distributed Work: Behaviors and Processes Planners and Policymakers Need to Know to Sustainably and Equitably Transform Local and Regional Built Environments for Digitalized Work and Living Manju Adikesavan	115
From Knowledge to Attention: Planning in an Information-Rich World Ecem Engin	123
Pollution Transfer between Industrial Parks: A Systematic Literature Review of Physical and Non-Physical Pathways Jan Fransen, Yuxi Li & Martin de Jong	129

Cinematic Narratives of Cairo's Urban–Rural Interactions Across Political Ruptures: From the Monarchy to the Republic	
Mirna Mikhail	137
Data Collection, Analysis, and Visualization in Architectural Research on the ArcGIS Online Platform	
Monika Přikrylová	143
Exploring Push-Pull Drivers of Migration Flows from South Korean Small and Medium-Sized Cities	
Sri Utami Purwaningati	149
Public Transport in Low-Density Territories: A Preliminary Study of the Taxibus Service in the Basso Ferrarese Inner Area	
Caterina Rondina	161
Tracing the (In)visibility of Waste Flows towards Adana	
Aylin Alicanoğlu Şerifoğlu	171
Track 3: Governance and Tools Revisited	181
Post-COVID Metropolitan Planning and Governance Trajectories in Greater Paris and Casablanca	
Sara Benkirane	183
Gamified Spatial-Participatory Models for Urban Social Cohesion in Kabul: Bridging Disciplines to Foster Accessibility and Inclusion in Post-Conflict Cities	
Aimal Formolly	189
Co-Designing Active Parks with Teenage Girls in Birmingham Using Digital Technology	
Zeinab Hashem	195
An Intelligent Identification Method for Urban Renewal Potential Based on Spatial Gene Theory: A Case Study of Shanghai	
Siyu Miao & Yang Xiao	203
Going Green: Blue-Green-Cycling Networks as Effective Tools for Sustainable Development in European Cities	
Adam Miziołek	213

Building Urban Resilience: A Tensor-Based Simulation Framework for Sensitivity Analysis	
Alvin Noviansyah, Nobuhiro Uno, Ryoji Matsunaka & Tomoki Nishigaki	219
Territorializing the Green Transition: Renewable Energy Infrastructure, Finance, and Spatial Governance in Northern Kurdistan	
Mezra Öner-Kara	227
Bridging the Urban–Rural Divide: A Systems Approach to Inclusive and Climate-Resilient Planning at the Peri-Urban Interface	
Deepika Shukla & Srajati Tiwari	235
Towards a Diagnostic Framework of Sustainable Housing Expertise	
Shane Sugrue	241
Participatory Governance in Transition: Comparing Urban Community Planning and Rural Art Villages	
Wenzhao Zhu & Shuying Du	251
Leveraging Machine-Learning to Address Healthcare Segregation: Evidence from Cross-Border Healthcare Utilization Among Hong Kong Residents	
Yiwen Zhu	259
Track 4: Inclusion and Dynamics Revisited	271
Embedding-Driven Analysis of Land Use Change and Housing Pressures: Signals of Gentrification in Bali	
Putu Indah Adnyani & I Wayan Nadiantara	273
Planning for Renewable Energy Zones in Regional NSW: Navigating Urgency, Community, and Equity	
Sanaz Alian	281
Planning Towards Housing Inequality: Stratified Public Housing and Residential Alienation in Singapore	
Wanlin Huang	289

Hidden Voices, Healing Spaces: Centring Women in Healing, Peace, and Policy Reform in Belfast's Interface Communities Lauren Mallon	297
Quantifying Perceived Accessibility Gaps in Public Transport for Social Inclusion: A Commuter-Based Survey Study Richard Marfo	303
Environmental Justice Struggles and Neoliberal Intervention in Access to Sustainable Housing of Marginalised Communities: A Study of Mumbai's Rehabilitation and Resettlement Policy Priyanka Mokale	309
Affective Placemaking: Unpacking the Relational and Emotional Dynamics of Urban Coexistence Ebru Sevik & Johanna Hokka	319
The Multiple Roles of Urban Affordability in Inclusive Smart Cities Mohammed Lawal Shaibu	327
Mobility Modernization or Spatial Fragmentation? Mapping Urban Accessibility Inequities in Automated Driving Andy Angxi Xie	339
Community-based Online Grocery Group Guying Platforms Contribute to Social Sustainability at the Community Level or Not? An Analysis through the Lens of Social Infrastructure Theory Shuwen Zhou, Kaizhong Cao, Yiyang Zhang, Kaiyan Qi, Yufei Zheng, Yige Jiang & Shijie Wang	347
Women's Environmental Advocacy in Cities: Motivations, Activities, Outcomes and Challenges Daria Zozulia	355
