|--------------------------------------------------------------------------------------------|-----------|
| <b>INTRODUCTION</b>                                                                        | <b>10</b> |
| <b>1 THEORETICAL FOUNDATIONS OF THE COACHING APPROACH</b>                                  | <b>14</b> |
| <b>1.1 Definition of the term 'coaching' and the coaching approach</b>                     | <b>14</b> |
| 1.1.1 Components of coaching definitions                                                   | 16        |
| 1.1.2 The coaching approach as a philosophy of working with people                         | 17        |
| 1.1.3 Distinguishing coaching from mentoring, counselling and training                     | 19        |
| 1.1.4 Coaching as a positive psychology and social process                                 | 20        |
| 1.1.5 Coaching as a framework for management and organisational development                | 21        |
| 1.1.6 Summary definition                                                                   | 22        |
| <b>1.2 Current theoretical approaches and models</b>                                       | <b>22</b> |
| 1.2.1 Current trends in coaching and the coaching approach                                 | 23        |
| 1.2.2 The coaching approach as a continuum and a paradigm shift                            | 25        |
| <b>1.3 Basic principles and characteristic features of the coaching approach</b>           | <b>25</b> |
| <b>1.4 The coaching process, methods</b>                                                   | <b>29</b> |
| 1.4.1 The coaching process as a dynamic and contextual process                             | 29        |
| 1.4.2 Methods and approaches in the coaching process                                       | 30        |
| <b>1.5 The ethical framework of coaching: principles, dilemmas and decision-making</b>     | <b>32</b> |
| 1.5.1 Developing the coach's ethical and reflective practice                               | 34        |
| <b>1.6 The role of the coach</b>                                                           | <b>35</b> |
| <b>2 THE COACHING APPROACH IN SOCIAL WORK AND IN THE PROFESSIONAL TRAINING OF STUDENTS</b> | <b>39</b> |
| <b>2.1 Possibilities and significance of using the coaching approach in social work</b>    | <b>39</b> |
| <b>2.2 The coaching approach in working with clients and selected target groups</b>        | <b>41</b> |
| 2.2.1 The coaching approach in working with individual clients                             | 42        |
| 2.2.2 The coaching approach and selected social work groups                                | 43        |
| 2.2.3 Coaching, professional training and the identity of social workers                   | 48        |
| <b>2.3 Social work students' readiness to utilise elements of the coaching approach</b>    | <b>49</b> |
| 2.3.1 Competencies at the core of 'coaching readiness'                                     | 50        |
| 2.3.2 Education and training as a prerequisite for readiness                               | 53        |
| 2.3.3 Conceptual foundations: what does 'preparedness' mean                                | 55        |
| 2.3.4 Implications for assessing students' readiness                                       | 57        |
| <b>2.4 Training social work students in the coaching approach</b>                          | <b>58</b> |
| 2.4.1 Basic principles and objectives                                                      | 58        |
| 2.4.2 Key competencies and training content                                                | 59        |
| 2.4.3 Didactic approaches and organisational conditions                                    | 61        |

### 3 SELF-REFLECTION, SELF-DEVELOPMENT AND MENTAL WELL-BEING IN THE CONTEXT OF THE COACHING APPROACH \_\_\_\_\_ 64

#### 3.1 Self-reflection and self-development as part of a social work student's professional training \_\_\_\_\_ 64

##### 3.1.1 Forms of developing self-reflection and self-development during studies \_\_\_\_\_ 68

#### 3.2 Working with goals, strengths and decision-making in personal and professional development \_\_\_\_\_ 71

#### 3.3 Mental health and the prevention of burnout in the helping professions \_\_\_\_\_ 74

### 4 RESEARCH \_\_\_\_\_ 77

#### 4.1 Main objective of the research \_\_\_\_\_ 77

#### 4.2 Research questions \_\_\_\_\_ 77

#### 4.3 Research methodology \_\_\_\_\_ 79

#### 4.4 Characteristics of the research sample \_\_\_\_\_ 80

##### 4.4.1 Distribution of the research sample by gender \_\_\_\_\_ 81

##### 4.4.2 Distribution of the research sample by age \_\_\_\_\_ 81

##### 4.4.3 Distribution of the research sample by current year of study \_\_\_\_\_ 82

##### 4.4.4 Distribution of the research sample by type of study \_\_\_\_\_ 82

##### 4.4.5 Distribution of the research sample by prior professional experience \_\_\_\_\_ 83

##### 4.4.6 Distribution of the research sample by work experience in the helping professions \_\_\_\_\_ 83

##### 4.4.7 Distribution of the research sample by work experience of volunteering \_\_\_\_\_ 84

#### 4.5 Analysis, processing of research results, interpretation \_\_\_\_\_ 85

##### 4.5.1 Testing research question 1 \_\_\_\_\_ 85

##### 4.5.2 Testing research question 2 \_\_\_\_\_ 88

##### 4.5.3 Testing research question 3 \_\_\_\_\_ 89

##### 4.5.4 Testing research question 4 \_\_\_\_\_ 92

##### 4.5.5 Testing research question 5 \_\_\_\_\_ 95

##### 4.5.6 Testing research question 6 \_\_\_\_\_ 97

##### 4.5.7 Testing research question 7 \_\_\_\_\_ 100

##### 4.5.8 Testing research question 8 \_\_\_\_\_ 102

##### 4.5.9 Testing research question 9 \_\_\_\_\_ 103

##### 4.5.10 Testing research question 10 \_\_\_\_\_ 105

##### 4.5.11 Testing research question 11 \_\_\_\_\_ 108

##### 4.5.12 Testing research question 12 \_\_\_\_\_ 111

##### 4.5.13 Testing research question 13 \_\_\_\_\_ 114

#### 4.6 Discussion, research conclusions \_\_\_\_\_ 116

#### 4.7 Recommendations for the scientific community and researchers \_\_\_\_\_ 124

### CONCLUSION \_\_\_\_\_ 130
