ACKNOWLEDGMENTS

I am most grateful to the many individuals who have given their full support and assistance to us in preparation of this RARE POSTERS (PAI-LI) sale. First and foremost, our thanks to the 101 consignors (that's a record!) in 19 states and 8 foreign countries who entrusted their finest works to us for this very special occasion.

Our staff has been materially helpful in all aspects of this auction, and I wish to especially single out my associate, Ms. Terry Shargel. Our editorial department was headed by Ms. Angelina M-D. Lippert. Mr. Paul Whitney was in charge of production and design. Helping with many of the administrative and logistical aspects were Ms. Julie Press, Ms. Jaime Taylor, Mr. Xavier Serbones and Mr. Angelo Carabello. Finally, and emphatically, I must acknowledge the constant support and endless patience of Barbara Rennert.

We take great pride in making all of our annotations as complete and accurate as possible, and we are helped enormously in this task by being able to call upon very knowledgeable colleagues throughout the world. Helpful in answering our many questions for this book were Ms. Lynn Downey, Dr. Anna Dvorak, Mr. Emmanuel Lopez, Mr. Sasha Lurye, Ms. Jenya Mendelenko, Ms. Yael Nachumi, Mr. Jacques Perier and Dr. René Wanner.

In the production of this catalogue, I was again fortunate to be able to call on the talents and devotion of fine craftsmen: All aspects of printing and binding were again handled by Cosmos Communications and I am especially indebted to Mr. Aaron Belson and Ms. Judy Lamm, of their large and able staff.

To all of them and to all the others who offered help, suggestions and encouragement, many thanks.

—Jack Renner
