

CONTENTS

Introduction.....1

- FIGURE I.1 Planes of Section of a Round Object 5
- FIGURE I.2 Planes of Section of a Tube 5
- FIGURE I.3 Tubules of the Testis in Different Planes of Section 7

PART I ■ TISSUES 1

CHAPTER 1 The Cell and Cytoplasm.....9

- FIGURE 1.1 Apical Surfaces of Ciliated and Nonciliated Epithelium 13
- FIGURE 1.2 Junctional Complex between Epithelial Cells 13
- FIGURE 1.3 Basal Regions of Epithelial Cells 15
- FIGURE 1.4 Basal Region of an Ion Transporting Cell 15
- FIGURE 1.5 Cilia and Microvilli 17
- FIGURE 1.6 Nuclear Envelope and Nuclear Pores 17
- FIGURE 1.7 Mitochondria 19
- FIGURE 1.8 Rough Endoplasmic Reticulum 21
- FIGURE 1.9 Smooth Endoplasmic Reticulum 21
- FIGURE 1.10 Golgi Apparatus 23

CHAPTER 2 Epithelial Tissue.....25

SECTION 1 Classification of Epithelial Tissue 25

- FIGURE 2.1 Simple Squamous Epithelium: Surface View of Peritoneal Mesothelium 27
- FIGURE 2.2 Simple Squamous Epithelium: Peritoneal Mesothelium Surrounding Small Intestine (Transverse Section) 29
- FIGURE 2.3 Different Epithelial Types in the Kidney Cortex 29
- FIGURE 2.4 Simple Columnar Epithelium: Stomach Surface 31
- FIGURE 2.5 Simple Columnar Epithelium on Villi in Small Intestine: Cells with Striated Borders (Microvilli) and Goblet Cells 33
- FIGURE 2.6 Pseudostratified Columnar Ciliated Epithelium: Respiratory Passages (Trachea) 35
- FIGURE 2.7 Transitional Epithelium: Bladder (Contracted) 37
- FIGURE 2.8 Stratified Squamous Nonkeratinized Epithelium: Esophagus 39
- FIGURE 2.9 Stratified Squamous Keratinized Epithelium: Palm of the Hand 39
- FIGURE 2.10 Stratified Cuboidal Epithelium: Excretory Duct in Salivary Gland 40

SECTION 2 Glandular Tissue 41

- FIGURE 2.11 Unbranched Simple Tubular Exocrine Glands: Intestinal Glands 43
- FIGURE 2.12 Simple Branched Tubular Exocrine Glands: Gastric Glands 43
- FIGURE 2.13 Coiled Tubular Exocrine Glands: Sweat Glands 45
- FIGURE 2.14 Compound Acinar (Exocrine) Gland: Mammary Gland 45
- FIGURE 2.15 Compound Tubuloacinar (Exocrine) Gland: Salivary Gland 47
- FIGURE 2.16 Compound Tubuloacinar (Exocrine) Gland: Submaxillary Salivary Gland 47
- FIGURE 2.17 Endocrine Gland: Pancreatic Islet 49
- FIGURE 2.18 Pancreas 49

CHAPTER 3 Connective Tissue.....51

- FIGURE 3.1 Loose Connective Tissue 53
- FIGURE 3.2 Individual Cells of Connective Tissue 55
- FIGURE 3.3 Embryonic Connective Tissue 57
- FIGURE 3.4 Loose Connective Tissue 57
- FIGURE 3.5 Dense Irregular and Loose Irregular Connective Tissue (Elastin Stain) 57

FIGURE 3.6	Loose Irregular and Dense Irregular Connective Tissue	59
FIGURE 3.7	Dense Irregular Connective Tissue and Adipose Tissue	59
FIGURE 3.8	Dense Regular Connective Tissue: Tendon (Longitudinal Section)	61
FIGURE 3.9	Dense Regular Connective Tissue: Tendon (Longitudinal Section)	61
FIGURE 3.10	Dense Regular Connective Tissue: Tendon (Transverse Section)	63
FIGURE 3.11	Adipose Tissue in the Intestine	63

CHAPTER 4 Cartilage and Bone 65

SECTION 1 Cartilage 65

FIGURE 4.1	Fetal Hyaline Cartilage	67
FIGURE 4.2	Hyaline Cartilage and Surrounding Structures: Trachea	67
FIGURE 4.3	Cells and Matrix of Mature Hyaline Cartilage	69
FIGURE 4.4	Hyaline Cartilage: Developing Bone	69
FIGURE 4.5	Elastic Cartilage: Epiglottis	71
FIGURE 4.6	Elastic Cartilage: Epiglottis	71
FIGURE 4.7	Fibrous Cartilage: Intervertebral Disk	72

SECTION 2 Bone 73

FIGURE 4.8	Endochondral Ossification: Development of a Long Bone (Panoramic View, Longitudinal Section)	75
FIGURE 4.9	Endochondral Ossification: Zone of Ossification	77
FIGURE 4.10	Endochondral Ossification: Zone of Ossification	77
FIGURE 4.11	Endochondral Ossification: Formation of Secondary (Epiphyseal) Centers of Ossification and Epiphyseal Plate in Long Bones (Decalcified Bone, Longitudinal Section)	79
FIGURE 4.12	Bone Formation: Development of Osteons (Haversian Systems) (Decalcified Bone, Transverse Section)	81
FIGURE 4.13	Intramembranous Ossification: Developing Mandible (Decalcified Bone, Transverse Section)	83
FIGURE 4.14	Intramembranous Ossification: Developing Skull Bone	83
FIGURE 4.15	Cancellous Bone with Trabeculae and Marrow Cavities: Sternum (Decalcified Bone, Transverse Section)	85
FIGURE 4.16	Cancellous Bone: Sternum (Decalcified Bone, Transverse Section)	85
FIGURE 4.17	Compact Bone, Dried (Transverse Section)	87
FIGURE 4.18	Compact Bone, Dried (Longitudinal Section)	87
FIGURE 4.19	Compact Bone, Dried: An Osteon (Transverse Section)	89

CHAPTER 5 Blood 91

FIGURE 5.1	Human Blood Smear	93
FIGURE 5.2	Human Blood Smear: Red Blood Cells, Neutrophils, Large Lymphocyte, and Platelets	93
FIGURE 5.3	Erythrocytes and Platelets	95
FIGURE 5.4	Neutrophils	95
FIGURE 5.5	Eosinophils	97
FIGURE 5.6	Lymphocytes	97
FIGURE 5.7	Monocytes	97
FIGURE 5.8	Basophils	99
FIGURE 5.9	Human Blood Smear: Basophil, Neutrophil, Red Blood Cells, and Platelets	99
FIGURE 5.10	Human Blood Smear: Monocyte, Red Blood Cells, and Platelets	101
FIGURE 5.11	Hemopoiesis in Bone Marrow (Decalcified Section)	101
FIGURE 5.12	Bone Marrow Smear: Development of Different Cell Types	103
FIGURE 5.13	Bone Marrow Smear: Selected Precursors of Different Blood Cells	105

CHAPTER 6 Muscle Tissue 107

FIGURE 6.1	Smooth Muscle Layers of the Small Intestine (Transverse and Longitudinal Sections)	109
FIGURE 6.2	Smooth Muscle: Wall of the Small Intestine (Transverse and Longitudinal Sections)	109

- FIGURE 6.3 Skeletal (Striated) Muscles of the Tongue (Longitudinal and Transverse Sections) 111
- FIGURE 6.4 Skeletal (Striated) Muscles of the Tongue (Longitudinal Section) 111
- FIGURE 6.5 Skeletal Muscle and Motor End Plates 113
- FIGURE 6.6 Skeletal Muscle and Muscle Spindle (Transverse Section) 115
- FIGURE 6.7 Cardiac Muscle 117
- FIGURE 6.8 Cardiac Muscle (Longitudinal Section) 117
- FIGURE 6.9 Skeletal Muscle (Longitudinal Section) 119
- FIGURE 6.10 Cardiac Muscle (Longitudinal Section) 119

CHAPTER 7 Nervous Tissue.....121

SECTION 1 Central Nervous System (Brain and Spinal Cord) 121

- FIGURE 7.1 Spinal Cord: Midthoracic Region (Transverse Section) 125
- FIGURE 7.2 Spinal Cord: Anterior Gray Horn, Motor Neurons, and Adjacent Anterior White Matter 125
- FIGURE 7.3 Spinal Cord: Midthoracic Region (Transverse Section) 127
- FIGURE 7.4 Spinal Cord: Anterior Gray Horn, Motor Neurons, and Adjacent Anterior White Matter 129
- FIGURE 7.5 Motor Neurons: Anterior Horn of the Spinal Cord 129
- FIGURE 7.6 Neurofibrils and Motor Neurons in the Gray Matter of Anterior Horn of the Spinal Cord 131
- FIGURE 7.7 Anterior Gray Horn of the Spinal Cord: Multipolar Motor Neurons, Axons, and Neuroglial Cells 131
- FIGURE 7.8 Cerebral Cortex: Gray Matter 133
- FIGURE 7.9 Layer V of the Cerebral Cortex 135
- FIGURE 7.10 Cerebellum (Transverse Section) 135
- FIGURE 7.11 Cerebellar Cortex: Molecular Layer, Purkinje Cell Layer, and Granular Cell Layer 137
- FIGURE 7.12 Fibrous Astrocytes and Capillary in the Brain 137
- FIGURE 7.13 Oligodendrocytes of the Brain 139
- FIGURE 7.14 Microglia of the Brain 139

SECTION 2 Peripheral Nervous System 141

- FIGURE 7.15 Peripheral Nerves and Blood Vessels (Transverse Section) 143
- FIGURE 7.16 Myelinated Nerve Fibers (Longitudinal and Transverse Sections) 143
- FIGURE 7.17 Sciatic Nerve (Longitudinal Section) 145
- FIGURE 7.18 Sciatic Nerve (Longitudinal Section) 145
- FIGURE 7.19 Sciatic Nerve (Transverse Section) 145
- FIGURE 7.20 Peripheral Nerve: Neurofibrillar Nodes (of Ranvier) and Axons 147
- FIGURE 7.21 Dorsal Root Ganglion, with Dorsal and Ventral Roots, and Spinal Nerve (Longitudinal Section) 147
- FIGURE 7.22 Cells and (Pseudo)unipolar Neurons of a Dorsal Root Ganglion 149
- FIGURE 7.23 Multipolar Neurons, Surrounding Cells, and Nerve Fibers of a Sympathetic Ganglion 149
- FIGURE 7.24 Dorsal Root Ganglion: Unipolar Neurons and Surrounding Cells 149

PART II ■ ORGANS 151

CHAPTER 8 Circulatory System.....153

- FIGURE 8.1 Blood and Lymphatic Vessels in the Connective Tissue 155
- FIGURE 8.2 Muscular Artery and Vein (Transverse Section) 157
- FIGURE 8.3 Artery and Vein in Connective Tissue of the Vas Deferens 157
- FIGURE 8.4 Wall of an Elastic Artery: Aorta (Transverse Section) 159
- FIGURE 8.5 Wall of a Large Vein: Portal Vein (Transverse Section) 159
- FIGURE 8.6 Heart: Left Atrium, Atrioventricular Valve, and Left Ventricle (Longitudinal Section) 161
- FIGURE 8.7 Heart: Right Ventricle, Pulmonary Trunk, and Pulmonary Valve (Longitudinal Section) 163

FIGURE 8.8 Heart: Contracting Cardiac Muscle Fibers and Impulse-Conducting Purkinje Fibers 163

FIGURE 8.9 Heart Wall: Purkinje Fibers 165

CHAPTER 9 Lymphoid System 167

FIGURE 9.1 Lymph Node (Panoramic View) 171

FIGURE 9.2 Lymph Node Capsule, Cortex, and Medulla (Sectional View) 173

FIGURE 9.3 Cortex and Medulla of a Lymph Node 175

FIGURE 9.4 Lymph Node: Subcortical Sinus and Lymphatic Nodule 175

FIGURE 9.5 Lymph Node: Subcapsular Sinus, Trabecular Sinus, and Supporting Reticular Fibers 177

FIGURE 9.6 Thymus Gland (Panoramic View) 177

FIGURE 9.7 Thymus Gland (Sectional View) 179

FIGURE 9.8 Cortex and Medulla of a Thymus Gland 179

FIGURE 9.9 Spleen (Panoramic View) 181

FIGURE 9.10 Spleen: Red and White Pulp 181

FIGURE 9.11 Red and White Pulp of the Spleen 183

FIGURE 9.12 Palatine Tonsil 183

CHAPTER 10 Integumentary System 185

FIGURE 10.1 Thin Skin: Epidermis and Contents of the Dermis 187

FIGURE 10.2 Skin: Scalp 189

FIGURE 10.3 Hairy Thin Skin of the Scalp: Hair Follicles and Surrounding Structures 191

FIGURE 10.4 Hair Follicle with Surrounding Structures 193

FIGURE 10.5 Thick Skin of the Palm, Superficial Cell Layers, and Melanin Pigments 195

FIGURE 10.6 Thick Skin: Epidermis and Superficial Cell Layers 195

FIGURE 10.7 Thick Skin: Epidermis, Dermis, and Hypodermis of the Palm 197

FIGURE 10.8 Sweat Glands 199

FIGURE 10.9 Glomus in the Dermis of Thick Skin 201

FIGURE 10.10 Pacinian Corpuscles in the Dermis of Thick Skin (Transverse and Longitudinal Sections) 201

CHAPTER 11 Digestive System: Oral Cavity and Salivary Glands 203

FIGURE 11.1 Lip (Longitudinal Section) 205

FIGURE 11.2 Anterior Region of the Tongue: Apex (Longitudinal Section) 207

FIGURE 11.3 Tongue: Circumvallate Papilla (Cross-Section) 207

FIGURE 11.4 Tongue: Filiform and Fungiform Papillae 209

FIGURE 11.5 Tongue: Taste Buds 209

FIGURE 11.6 Posterior Tongue: Behind Circumvallate Papilla and Near the Lingual Tonsil (Longitudinal Section) 211

FIGURE 11.7 Lingual Tonsils (Transverse Section) 211

FIGURE 11.8 Longitudinal Section of a Dried Tooth 213

FIGURE 11.9 Dried Tooth: Dentinoenamel Junction 215

FIGURE 11.10 Dried Tooth: Cementum and Dentin Junction 215

FIGURE 11.11 Developing Tooth (Longitudinal Section) 217

FIGURE 11.12 Developing Tooth: Dentinoenamel Junction in Detail 217

FIGURE 11.13 Salivary Gland: Parotid 221

FIGURE 11.14 Salivary Gland: Submandibular 223

FIGURE 11.15 Salivary Gland: Sublingual 225

FIGURE 11.16 Serous Salivary Gland: Parotid 227

FIGURE 11.17 Mixed Salivary Gland: Sublingual 227

CHAPTER 12 Digestive System: Esophagus and Stomach.....229

FIGURE 12.1 Wall of the Upper Esophagus (Transverse Section) 231

FIGURE 12.2 Upper Esophagus (Transverse Section) 233

FIGURE 12.3 Lower Esophagus (Transverse Section) 233

FIGURE 12.4	Upper Esophagus: Mucosa and Submucosa (Longitudinal Section)	235
FIGURE 12.5	Lower Esophageal Wall (Transverse Section)	237
FIGURE 12.6	Esophageal-Stomach Junction	237
FIGURE 12.7	Esophageal-Stomach Junction	239
FIGURE 12.8	Stomach: Fundus and Body Regions (Transverse Section)	239
FIGURE 12.9	Stomach: Mucosa of the Fundus and Body (Transverse Section)	241
FIGURE 12.10	Stomach: Fundus and Body Regions (Plastic Section)	243
FIGURE 12.11	Stomach: Superficial Region of the Gastric (Fundic) Mucosa	245
FIGURE 12.12	Stomach: Basal Region of the Gastric (Fundic) Mucosa	247
FIGURE 12.13	Stomach: Mucosa of the Pyloric Region	249
FIGURE 12.14	Pyloric-Duodenal Junction	251

CHAPTER 13 Digestive System: Small and Large Intestines.....253

FIGURE 13.1	Small Intestine: Duodenum (Longitudinal Section)	257
FIGURE 13.2	Small Intestine: Duodenum (Transverse Section)	259
FIGURE 13.3	Small Intestine: Jejunum and Ileum (Transverse Section)	259
FIGURE 13.4	Intestinal Glands with Paneth Cells and Enteroendocrine Cells	261
FIGURE 13.5	Small Intestine: Jejunum with Paneth Cells	261
FIGURE 13.6	Small Intestine: Ileum with Lymphatic Nodules (Peyer's Patches) (Transverse Section)	263
FIGURE 13.7	Small Intestine: Villi	263
FIGURE 13.8	Large Intestine: Colon and Mesentery (Panoramic View, Transverse Section)	265
FIGURE 13.9	Large Intestine: Colon Wall (Transverse Section)	265
FIGURE 13.10	Large Intestine: Colon Wall (Transverse Section)	267
FIGURE 13.11	Appendix (Panoramic View, Transverse Section)	269
FIGURE 13.12	Rectum (Panoramic View, Transverse Section)	271
FIGURE 13.13	Anorectal Junction (Longitudinal Section)	271

CHAPTER 14 Digestive System: Liver, Gallbladder, and Pancreas.....273

FIGURE 14.1	Pig's Liver (Panoramic View, Transverse Section)	275
FIGURE 14.2	Primate Liver (Panoramic View, Transverse Section)	277
FIGURE 14.3	Bovine Liver: Liver Lobule (Transverse Section)	279
FIGURE 14.4	Hepatic (Liver) Lobule (Sectional View, Transverse Section)	279
FIGURE 14.5	Bile Canaliculi in a Liver Lobule (Osmic Acid Preparation)	279
FIGURE 14.6	Kupffer Cells in Liver Lobule (India Ink Preparation)	281
FIGURE 14.7	Glycogen Granules in Liver Cells (Hepatocytes)	281
FIGURE 14.8	Reticular Fibers in a Liver Lobule	281
FIGURE 14.9	Wall of the Gallbladder	283
FIGURE 14.10	Pancreas (Sectional View)	285
FIGURE 14.11	Pancreatic Islet	287
FIGURE 14.12	Pancreatic Islet (Special Preparation)	287
FIGURE 14.13	Pancreas: Endocrine (Pancreatic Islet and Exocrine Regions)	287

CHAPTER 15 Respiratory System.....289

FIGURE 15.1	Olfactory Mucosa and Superior Concha (Panoramic View)	291
FIGURE 15.2	Olfactory Mucosa: Detail of a Transitional Area	293
FIGURE 15.3	Olfactory Mucosa in the Nose: Transition Area	293
FIGURE 15.4	Epiglottis (Longitudinal Section)	295
FIGURE 15.5	Larynx (Frontal Section)	297
FIGURE 15.6	Trachea (Panoramic View, Transverse Section)	299
FIGURE 15.7	Tracheal Wall (Sectional View)	299
FIGURE 15.8	Lung (Panoramic View)	301
FIGURE 15.9	Intrapulmonary Bronchus (Transverse Section)	303
FIGURE 15.10	Terminal Bronchiole (Transverse Section)	303
FIGURE 15.11	Respiratory Bronchiole, Alveolar Duct, and Lung Alveoli	305

- FIGURE 15.12 Alveolar Walls and Alveolar Cells 305
 FIGURE 15.13 Lung: Terminal Bronchiole, Respiratory Bronchiole, and Alveoli 307

CHAPTER 16 Urinary System.....309

- FIGURE 16.1 Kidney: Cortex, Medulla, and Pyramid (Panoramic View) 313
 FIGURE 16.2 Kidney Cortex and Upper Medulla 315
 FIGURE 16.3 Kidney Cortex: Juxtaglomerular Apparatus 317
 FIGURE 16.4 Kidney: Renal Corpuscle and Juxtaglomerular Apparatus 319
 FIGURE 16.5 Kidney Medulla: Papillary Region (Transverse Section) 321
 FIGURE 16.6 Kidney Medulla: Terminal End of the Papilla (Longitudinal Section) 321
 FIGURE 16.7 Kidney: Ducts of Medullary Region (Longitudinal Section) 323
 FIGURE 16.8 Ureter (Transverse Section) 323
 FIGURE 16.9 Section of a Ureter Wall (Transverse Section) 325
 FIGURE 16.10 Ureter (Transverse Section) 325
 FIGURE 16.11 Urinary Bladder: Wall (Transverse Section) 327
 FIGURE 16.12 Urinary Bladder: Mucosa (Transverse Section) 327

CHAPTER 17 Endocrine System.....329

SECTION 1 Hypophysis (Pituitary Gland) 329

- FIGURE 17.1 Hypophysis (Panoramic View, Sagittal Section) 331
 FIGURE 17.2 Hypophysis: Sections of Pars Distalis, Pars Intermedia, and Pars Nervosa 333
 FIGURE 17.3 Hypophysis: Pars Distalis (Sectional View) 335
 FIGURE 17.4 Cell Types in the Hypophysis 335
 FIGURE 17.5 Hypophysis: Pars Distalis, Pars Intermedia, and Pars Nervosa (Human) 337

SECTION 2 Thyroid Gland, Parathyroid Glands, and Adrenal Gland 339

- FIGURE 17.6 Thyroid Gland: Canine (General View) 341
 FIGURE 17.7 Thyroid Gland Follicles: Canine (Sectional View) 343
 FIGURE 17.8 Thyroid and Parathyroid Glands: Canine (Sectional View) 345
 FIGURE 17.9 Thyroid Gland and Parathyroid Gland 345
 FIGURE 17.10 Adrenal (Suprarenal) Gland 347
 FIGURE 17.11 Adrenal (Suprarenal) Gland: Cortex and Medulla 349

CHAPTER 18 Male Reproductive System 351

SECTION 1 Testes, Excurrent Ducts, Ductus Epididymis, and Ductus (Vas) Deferens 351

- FIGURE 18.1 Testis (Sectional View) 355
 FIGURE 18.2 Seminiferous Tubules, Straight Tubules, Rete Testis, and Ductuli Efferentes (Efferent Ductules) 357
 FIGURE 18.3 Primate Testis: Spermatogenesis in Seminiferous Tubules (Transverse Section) 359
 FIGURE 18.4 Primate Testis: Stages of Spermatogenesis 359
 FIGURE 18.5 Testis: Seminiferous Tubules (Transverse Section) 361
 FIGURE 18.6 Ductuli Efferentes and Tubules of Ductus Epididymis 361
 FIGURE 18.7 Tubules of the Ductus Epididymis (Transverse Section) 363
 FIGURE 18.8 Ductus (Vas) Deferens (Transverse Section) 363
 FIGURE 18.9 Ampulla of the Ductus (Vas) Deferens (Transverse Section) 364

SECTION 2 Accessory Reproductive Glands: Seminal Vesicles, Prostate Gland, Bulbourethral Glands, and Penis 365

- FIGURE 18.10 Prostate Gland and Prostatic Urethra 367
 FIGURE 18.11 Prostate Gland: Glandular Acini and Prostatic Concretions 367
 FIGURE 18.12 Prostate Gland: Prostatic Glands with Prostatic Concretions 369
 FIGURE 18.13 Seminal Vesicle 369
 FIGURE 18.14 Bulbourethral Gland 371
 FIGURE 18.15 Human Penis (Transverse Section) 373
 FIGURE 18.16 Penile Urethra (Transverse Section) 373

CHAPTER 19 Female Reproductive System.....	375
SECTION 1 Ovaries, Uterine Tubes, and Uterus 375	
FIGURE 19.1 Ovary: Dog (Panoramic View) 377	
FIGURE 19.2 Ovary: Ovarian Cortex and Primary and Primordial Follicles 379	
FIGURE 19.3 Ovary: Primary Oocyte and Wall of a Mature Follicle 381	
FIGURE 19.4 Ovary: Primordial and Primary Follicles 381	
FIGURE 19.5 Human Ovary: Corpora Lutea and Atretic Follicles 383	
FIGURE 19.6 Corpus Luteum (Panoramic View) 385
