Preface to the Series	IX
------------------------------	----

MAIN LECTURES

Anatomico-functional gastric aspects in duodenal ulcer by R. Cheli, E. Bovero	3
Aggressive vs. defensive factors in the pathogenesis of peptic ulcer disease by L. Barbara, R. Corinaldesi, V. Stanghellini	9
H₂-receptor antagonists: appropriate dosage regimens based on 24-hour intra-gastric H⁺ activity profiles by H.G. Dammann, Th.A. Walter, H. Jenzewski, P. Müller, B. Simon	19
Role of endogenous prostanoids in the pathogenesis of peptic ulcer by D. Rachmilewitz	29
Medical treatment of duodenal ulcer: present status by G. Bianchi Porro, M. Lazzaroni, F. Parente, M. Petrillo	35
Refractory duodenal ulcer: a review by K.D. Bardhan	69
The value of long-term maintenance treatment in peptic ulcer by C.W. Venables	115
The natural history of duodenal ulcer - some reflections by H.M. Spiro	123
The symptomatic diagnosis of peptic ulcer by G.P. Crean	129

SHORT PAPERS

Effect of H₂-blockers on gastric mucus secretion by M.C. Parodi	137
Cimetidine 800 mg nocte: effects on 24-hour intragastric acidity and bile acid concentration by R. Corinaldesi, T. Sacco, V. Stanghellini, A. Paternicò, L. Fabbri, L. Barbara	143
Cimetidine and the renin-angiotensin-aldosterone system in humans by M. Cambielli, G. Barbieri, R. Caldara, E. Masci, M. Guslandi	151
Duodenal ulcer treatment with cimetidine 800 mg night-time. Double-blind comparison with the 400 mg twice-daily regimen by L. Capurso, P.R. Dal Monte, F. Mazzeo, G. Menardo, A. Morettini, A. Saggiaro, G. Tafner	155

Cross-over comparison between cimetidine and ranitidine in the treatment of duodenal ulcers unhealed after short-term treatment	163
by G. Corsini, A. Capria, G. Bresci, G. Rindi, M. Geloni, G. Federici	
Sucralfate in the treatment of duodenal ulcer. A double-blind endoscopic controlled short-term study versus placebo	169
by F. Parente, M. Lazzaroni, E. Panza, G. Ardizzone, G. Bianchi Porro	
Maintenance treatment with cimetidine in peptic ulcer disease for up to 3 years. Experience in Italy	175
by G. Bianchi Porro, M. Lazzaroni, L. Pagliaro, G. Gatto, G. Fontana, G. Silvani, G. Dobrilla, M. Valentini, G. Mazzacca, F. Sabbatini, G. Verme, M. Boero, L. Scuro, G. Cavallini	
Index	181
