Accounting for less than a controlling interest – associated companies	295
Associated companies	295
The argument against consolidation	298
Summary	299
Keyterms	299
Suggested reading	300
Review questions	301
Examination-style questions	301

chapter 9

Expanding the annual financial report 309

Introduction	309
Objectives	309
The value added statement	309
Advantages of the value added statement	313
Problems of the value added statement	314
The team concept	315
Team membership	315
The classification of items	315
The importance of profit	317
Segmental financial reports	318
Segmental reporting: regulations and practice	320
Problems of segmental reporting	321
Self-assessment question 9.1	322
Operating and financial review	323
The operating review	324
The financial review	326
Environmental reporting	328
Inflation accounting and reporting	334
The impact of inflation on profit measurement	334
The impact of inflation on financial position	335
The problem of monetary items	337
Reporting the effect of inflation	338
Summary	340
Keyterms	340
Suggested reading	341
References	341
Review questions	342
Examination-style questions	342

Appendix

Recording financial transactions 347

Introduction	347
--------------	-----

Objectives	347
The basics of double-entry bookkeeping	347
Balancing accounts and the trial balance	352
Preparing final accounts	355
Summary	358
Keyterms	359
Suggested reading	359
Examination-style questions	360

Case study 361

Carpetright plc	361
-----------------	-----

Appendices 370

1 Glossary of keyterms	370
2 Solutions to review questions	378
3 Solutions to self-assessment questions	387
4 Solutions to selected examination-style questions	398

Index 429
