
TABLE OF CONTENTS

PREFACE ix

I INTRODUCTION AND BACKGROUND 1

II METHODOLOGY 7

- A. Purpose and planning of the survey of collections 7
- B. Compilation and organization of data 12
- C. Measurement of collections 14

III COLLECTIONS AND COLLECTIONS DEVELOPMENT 17

Introduction 17

- A. Role of the library 18
- B. Qualitative and quantitative standards for collections 22
- C. Approach to collections development in the National Library and the National Science Library 25
- D. Collections 29
 - 1. Forms of Material 29
 - (a) Monographs and Pamphlets 29
 - (b) Serials 31
 - (c) Government Publications 35
 - (d) Technical Reports and Departmental Unpublished Report Literature 52
 - (e) Newspapers and Clipping Files 56
 - (f) Microforms 60
 - (g) Other 62
 - 2. Reference Collections 65
 - 3. Special and Unique Collections 67
 - Department of Agriculture Library, Ottawa 68
 - Plant Research Institute Library, Department of Agriculture, Ottawa 68
 - Research Station Library, Department of Agriculture, Vancouver 68
 - Research Station Library, Department of Agriculture, Winnipeg 68
 - Chalk River Nuclear Laboratory Library, Atomic Energy of Canada Limited, Chalk River 68

Bank of Canada Library, Ottawa 69
 Canadian Transport Commission Library, Ottawa 69
 Central Mortgage and Housing Corporation Library, Ottawa 69
 Patent and Copyright Office Library, Department of Consumer and
 Corporate Affairs, Ottawa 69
 Earth Physics Branch Library, Department of Energy, Mines and
 Resources, Ottawa 69
 Geological Survey Library, Department of Energy, Mines and Resources,
 Ottawa 69
 Surveys and Mapping Branch Library, Department of Energy, Mines and
 Resources, Ottawa 70
 Department of the Environment Library, Hull 70
 Department of Labour Library, Ottawa 70
 Royal Military College Library, Department of National Defence,
 Kingston 70
 National Library of Canada, Ottawa 70
 National Museums of Canada Library, Ottawa 76
 Canadian War Museum Library, National Museums of Canada,
 Ottawa 76
 National Museum of Science and Technology Library, National Museums
 of Canada, Ottawa 77
 National Science Library – National Research Council, Ottawa 77
 Aeronautical and Mechanical Engineering Branch Library, National
 Science Library – National Research Council, Ottawa 77
 Public Archives of Canada Library, Ottawa 77
 Department of the Secretary of State Library, Ottawa 78
 Ministry of Solicitor General Library, Ottawa 78

4. Foreign Language Material 78

E. Co-ordination and rationalization of collections 80

1. Resource Collections 82
2. Collections by Subject 87
 - Environmental Studies 88
 - Transportation 89
 - Oceanography 91
 - Earth Sciences 92
 - Public Administration 93
 - Economics 94
 - Geography 96
 - Law 96
 - Performing Arts 97
 - Fine Arts 99
3. Regional and Subject Distribution of Federal Government Library
 Collections 101
4. Subject Co-ordinating Committees 102

AVAILABILITY OF COLLECTIONS 105

Introduction 105

- A. Organization of collections 107
- B. Access to collections 111
- C. Storage of library materials 113

MAINTENANCE OF COLLECTIONS 117

CONCLUSIONS AND LIST OF RECOMMENDATIONS 121

BLIOGRAPHY 131

PPENDICES

- A. List of Libraries Visited by the Collections Team 137
- B. List of Libraries Not Visited by the Collections Team 143
- C. Subject Outline 149
- D. Libraries Visited by the Collections Team Grouped by Subject 151
 - I Social Sciences 151
 - Administration 153
 - Anthropology (includes Canadian ethnology and Canadian North) 153
 - Commerce 154
 - Communications 154
 - Criminology 154
 - Economics 154
 - Education (largely aspects of adult education) 155
 - Environmental Studies 155
 - Finance 155
 - Folklore 156
 - Geography 156
 - History 156
 - International Relations 156
 - Labour 157
 - Law 157
 - Management 157
 - Military Art and Science 157
 - Military History 158
 - Museums 158
 - Political Science 158
 - Psychology 158
 - Sociology 158
 - Statistics 159
 - Transportation (see also Transportation Engineering) 159
 - Urban Planning and Development 159

II Humanities 159

- Archaeology 160
- Architecture 160
- Fine Arts 161
- Language and Languages 161
- Literature 161
- Music 161
- Performing Arts 161
- Philosophy 162
- Religion 162

III Science and Technology 162

A. Pure Sciences 164

- Astronomy 164
- Chemistry 164
- Mathematics 165
- Physics (including Nuclear Physics) 165

B. Earth Sciences 166

- Geodesy 166
- Geography (Physical) 166
- Geology 166
- Hydrology and Limnology (including freshwater biology) 166
- Meteorology 167
- Mineralogy 167
- Oceanography 167
- Water (Pollution, resources, supply etc.) 167

C. Engineering Sciences 168

- Aerospace Engineering 168
- Agricultural Engineering 168
- Chemical Engineering 168
- Civil and Structural Engineering 168
- Electrical and Electronic Engineering 169
- Engineering (general) (including mechanics, engineering materials, soil mechanics etc.) 169
- Hydraulic Engineering 169
- Mechanical Engineering (including automotive, engine research etc.) 170
- Military and Naval Engineering (including naval architecture) 170
- Mining and Metallurgical Engineering 170
- Nuclear Engineering 171
- Transportation Engineering 171

D. Technology 171

- Chemical Technology 171

Food Technology 171
Industries and Manufactures (including materials) 172
Patents 172
Photography 172

IV Life Sciences 172

A. Health Sciences (Human) 174

Basic Medical Sciences (including anatomy, bacteriology, biochemistry, physiology, pathology, pharmacology, toxicology, immunology, virology, cytology etc.) 174

Medicine 175

Nutrition 175

Pharmacy 175

Public Health 175

B. Biological Sciences 175

Agricultural Sciences 175

Biology 176

Botany 176

Entomology 176

Fisheries and Fish Culture 177

Forests and Forestry 177

Veterinary Medicine 177

Zoology 178

E. Libraries Not Visited by the Collections Team Grouped By Subject 179

F. Libraries Visited and Not Visited by the Collections Team Grouped by Subject and by Region 185

G. Special and Unique Collections of Government Publications and Technical Reports 195

Department of Agriculture Library, Ottawa 195

Chalk River Nuclear Laboratory Library, Atomic Energy of Canada Limited, Chalk River 195

Geological Survey Library, Department of Energy, Mines and Resources, Ottawa 195

Mines Branch Library, Department of Energy, Mines and Resources, Ottawa 196

Atmospheric Environment Service Library, Department of the Environment, Ottawa 196

Department of External Affairs Library, Ottawa 196

Legal Branch Library, Department of External Affairs, Ottawa 196

Department of Industry, Trade and Commerce Library, Ottawa 196

Department of Labour Library, Ottawa 196

Library of Parliament, Ottawa 197

Department of National Health and Welfare Library, Ottawa 197

National Library of Canada, Ottawa 197
 National Science Library – National Research Council, Ottawa 198
 Aeronautical and Mechanical Engineering Branch Library, National Science
 Library – National Research Council, Ottawa 198
 Post Office Department Library, Ottawa 199
 Public Archives Library, Ottawa 199
 Statistics Canada Library, Ottawa 199
 Supreme Court of Canada Library, Ottawa 199

- H. Measurement of Collections: Forms for the Reporting of Statistics on Holdings 201
- I. Policy and Guide on Canadian Government Publishing, Treasury Board, April 6, 1967 207
- J. Publications Deposit with National Library. Treasury Board Minute, February 18, 1970, to all Deputy Ministers, Heads of Agencies and Directors of Information Services 209
- K. Requirements of Depository Libraries. U.S. Code, 1964 Edition, Title 44, Paragraph 86 211
- L. Instructions for Depository Libraries Receiving United Nations Material 213
 - I. Maintenance of Deposited Material. (United Nations Document ST/LIB/13) 213
- Annex B: Principles Governing United Nations Depository Libraries. (United Nations Document ST/PB/4/Rev.2) 214
- M. List of United Nations Depository Libraries in Canada. (United Nations Document ST/LIB/12/Rev.5) 217
- N. Draft Recommendation Concerning the International Standardization of Library Statistics. Unesco General Conference, Sixteenth Session, Paris 1970, Item 20 of the Provisional Agenda, 16C/18 219
- O. Development of the National Science Library's Literature Resources: a Statement of Basic Acquisitions Policy 229
- P. National Library Guidelines on the Handling of Rare and Special Material 231

T OF TABLES

BLE

Methods of Acquisition of Government Publications in Government Libraries 42

Selective Deposit of Government Publications According to Type 45

Foreign Language Material: Number of Libraries by Subject Groups 79

National Science Library Serial Holdings by Language, March 1972 80

Existing and Potential Resource Collections 84
