

CONTENTS

Chapter 1 SERVICE INFORMATION, FASTENERS, TOOLS, AND SAFETY I

- Learning Objectives 1
- Terms to Learn 1
 - 1.1 Vehicle Identification 1
 - 1.2 Service Information 3
 - 1.3 Steel Classification 4
 - 1.4 Threaded Fasteners 5
 - 1.5 Basic Tool List 8
 - 1.6 Measuring Tools 13
 - 1.7 Safety Tips for Technicians 15
 - 1.8 Electrical Cord Safety 20
 - 1.9 Fire Extinguishers 20

Review Questions 24

Chapter Quiz 24

Chapter 2 ENVIRONMENTAL AND HAZARDOUS MATERIALS 25

- Learning Objectives 26
- Terms to Learn 26
 - 2.1 Introduction 26
 - 2.2 Occupational Safety and Health Act 26
 - 2.3 Hazardous Waste 27
 - 2.4 Resource Conservation and Recovery Act (RCRA) 27
 - 2.5 Clean Air Act 28
 - 2.6 Material Safety Data Sheets (MSDS) 28
 - 2.7 Asbestos Exposure Hazard 28
 - 2.8 Proper Disposal 30

Review Questions 37

Chapter Quiz 37

Chapter 3 BASICS OF HEATING AND AIR CONDITIONING 39

- Learning Objectives 39
- Terms to Learn 39
 - 3.1 Introduction 39
 - 3.2 Heat 40
 - 3.3 Heat Measurement 42
 - 3.4 Comfort 44

Review Questions 45

Chapter Quiz 46

Chapter 4 HEAT MOVEMENT THEORY 47

- Learning Objectives 47
- Terms to Learn 47
 - 4.1 Introduction 47
 - 4.2 Heat Movement 48
 - 4.3 States of Matter 50
 - 4.4 Latent and Sensible Heat 51
 - 4.5 Boiling Points 52
 - 4.6 Saturated Vapors and the Pressure-Temperature Relationship 53
 - 4.7 Pressure: Gauge and Absolute 54
 - 4.8 Refrigerants 55

Review Questions 60

Chapter Quiz 60

Chapter 5 REFRIGERANTS AND THE ENVIRONMENT 62

Learning Objectives 62

Terms to Learn 62

- 5.1 Introduction 62
- 5.2 Legislation 64
- 5.3 Additional Concerns 64
- 5.4 Recovery and Recycling 65
- 5.5 Refrigerants 67

Review Questions 74**Chapter Quiz 74****Chapter 6 MOVING HEAT: HEATING AND AIR CONDITIONING PRINCIPLES 76**

Learning Objectives 76

Terms to Learn 76

- 6.1 Introduction 76
- 6.2 Heating Load 76
- 6.3 Cooling Load 77
- 6.4 Compression Heating 79
- 6.5 Expansion Cooling 80

Review Questions 81**Chapter Quiz 81****Chapter 7 AIR CONDITIONING SYSTEMS 83**

Learning Objectives 83

Terms to Learn 83

- 7.1 Introduction 83
- 7.2 Low Side Operation 85
- 7.3 High Side Operation 94
- 7.4 Lines and Hoses 102

Review Questions 104**Chapter Quiz 105****Chapter 8 AIR CONDITIONING SYSTEM COMPONENTS 106**

Learning Objectives 106

Terms to Learn 106

- 8.1 Introduction 106
- 8.2 Compressors 106
- 8.3 Condensers 127
- 8.4 Expansion Devices 128
- 8.5 Evaporators 132
- 8.6 Receiver-Driers and Accumulators 132
- 8.7 Hoses and Lines 136

8.8 Electrical Switches and Evaporator Temperature Controls 138

8.9 Rear A/C Systems 144

8.10 Aftermarket A/C Units 144

Review Questions 147**Chapter Quiz 147****Chapter 9 HEATING SYSTEMS 149**

Learning Objectives 149

Terms to Learn 149

- 9.1 Introduction 149
- 9.2 Operation 149
- 9.3 Heater Core 152
- 9.4 Hoses 152
- 9.5 Control Valves 153
- 9.6 Dual Heating Systems 154
- 9.7 Aftermarket Heating Systems 154

Review Questions 155**Chapter Quiz 155****Chapter 10 AIR MANAGEMENT SYSTEM 157**

Learning Objectives 157

Terms to Learn 157

- 10.1 Introduction 157
- 10.2 Cases and Ducts 160
- 10.3 Control Head 163
- 10.4 Rear Air Distribution Systems 169
- 10.5 Automatic Temperature Control and Semiautomatic Temperature Control 170
- 10.6 Rear Window Defroster 178

Review Questions 178**Chapter Quiz 179****Chapter 11 HVAC SYSTEM INSPECTION AND TROUBLE DIAGNOSIS PROCEDURES 180**

Learning Objectives 180

Terms to Learn 180

- 11.1 Introduction 180
- 11.2 HVAC System Inspection 181
- 11.3 Problem Diagnosis 188
- 11.4 HVAC System Problems 193

Review Questions 196**Chapter Quiz 197**

Chapter 12 A/C SYSTEM INSPECTION AND DIAGNOSIS 198

Learning Objectives 198

Terms to Learn 198

12.1 Introduction 198

12.2 A/C Pressure Checks 201

12.3 Performance Test 214

12.4 A/C System Refrigerant Leak Tests 234

Review Questions 246**Chapter Quiz 246****Chapter 13 HEATING AND AIR MANAGEMENT SYSTEMS INSPECTION AND DIAGNOSIS 248**

Learning Objectives 248

Terms to Learn 248

13.1 Introduction 248

13.2 HVAC Air Filter Replacement 254

13.3 Air Management System Checks 255

Review Questions 261**Chapter Quiz 262****Chapter 14 HVAC SYSTEM ELECTRICAL OR ELECTRONIC CONTROLS: THEORY, INSPECTION, DIAGNOSIS, AND REPAIR 263**

Learning Objectives 263

Terms to Learn 263

14.1 Introduction 263

14.2 Basic Electricity 264

14.3 Basic Electronics 268

14.4 A/C Clutch Circuits 274

14.5 Blower Motor Circuits 277

14.6 Cooling Fan Circuits 278

14.7 Electrical Circuit Problems 280

14.8 Measuring Electrical Values 282

14.9 Electrical System Repair 298

Review Questions 301**Chapter Quiz 301****Chapter 15 REFRIGERANT SERVICE OPERATIONS 303**

Learning Objectives 303

Terms to Learn 303

15.1 Introduction 303

15.2 Preventive Maintenance and Adjustment Operations 304

15.3 A/C Service Operations 304

15.4 Retrofitting R-134a into an R-12 System 335

15.5 Using and Installing Sealants and Stop Leaks 341

Review Questions 342**Chapter Quiz 343****Chapter 16 A/C SYSTEM REPAIR 345**

Learning Objectives 345

Terms to Learn 345

16.1 Introduction 345

16.2 Compressor Repair 346

16.3 Hose and Fitting Repair 368

16.4 A/C System Component Replacement 380

Review Questions 383**Chapter Quiz 384****Chapter 17 COOLING SYSTEM THEORY 385**

Learning Objectives 385

Terms to Learn 385

17.1 Introduction 385

17.2 Water Jackets 387

17.3 Thermostat 387

17.4 Water Pump 390

17.5 Radiator 393

17.6 Fan 397

17.7 Hoses 401

17.8 Gauges 402

17.9 Coolant 404

17.10 Engine Block Heater 406

Review Questions 407**Chapter Quiz 408****Chapter 18 COOLING SYSTEM INSPECTION, TROUBLE DIAGNOSIS, AND SERVICE 409**

Learning Objectives 409

Terms to Learn 409

18.1 Introduction 409

18.2 Preventive Maintenance Operations 410

18.3 Trouble Diagnosis 426

18.4 Cooling System Service and Repair 439

Review Questions 447

Chapter Quiz 448

Appendix A ASE CERTIFICATION AND TASK LIST 449

Appendix B TEMPERATURE-PRESSURE CHARTS 452

Appendix C A/C SERVICE PROCEDURE DOCUMENTS 453

Appendix D EPA SNAP-APPROVED REFRIGERANTS AS SUBSTITUTES FOR CFC-12 455

Appendix E POTENTIAL COMPRESSOR PROBLEMS WITH R-134A 458

Appendix F ENGLISH-METRIC CONVERSION TABLE 459

Appendix G BOLT TORQUE TIGHTENING CHART 460

Appendix H REFRIGERANT NUMBERING SYSTEM 461

Appendix I NATEF TASKS: AREA VII, HEATING AND AIR CONDITIONING 462

Appendix J KEY TO PROBLEM SOLVING 464

ENGLISH-LANGUAGE GLOSSARY 466

SPANISH-LANGUAGE GLOSSARY 472
