Michail Koutentakis and Marek Postula

4 The Role of Longevity Medicine in Reforming Primary Healthcare 77
Niccolò Invidia, Ennio Tasciotti, and Nicola Marino

5 Technological Innovations in Aging: Policy Responses and Best Practices for Healthy Longevity 93
Jakir Hossain Bhuiyan Masud

6 Pre-adult Healthspan Interventions (PHI): Enhancing Fulfilment and Longevity 109
Walter Crompton, Sascha Landskron, and Tamara Pheiffer

Part II Defining Aging and Healthy Longevity as Areas of Policy and Practice

7 What Is Aging and Healthy Longevity? 133
Shuvarthi Bhattacharjee, Suresh Rattan, Georgios Mitrou, Marios Kyriazis, John Rowell, Alexander Tietz-Latza, Martin Lipovšek, Didier Coeurnelle, Apourv Pant, Ian J. Inkster, Edouard Debonneuil, Justin Loew, Ugis Kletnieks, Tamara Pheiffer, Walter Crompton, Lilia S. Lens-Pechakova, Bilu Huang, Silvia Lagrotta, and Ilia Stambler

8 The Evolving Lexicon of Longevity 175
Natasha Vita-More

9 Aging as Meta-Disease: A Comprehensive Framework Integrating Set Theory with Cellular Senescence as Causal Nexus 201
Antonei B. Csoka, Ilia Stambler, Michael D. West, Thomas Heinbockel, Debsindhu Bhowmik, Utz Herbig, and Susan E. Stair

10 Wicked Issues in Healthy Longevity 243
Richard Barker

11 The Right to Health and Longevity—An Evolving Human Right 269
Alexander Tietz-Latza

Part III General Policies and Practices for Healthy Longevity

12 Enhancing Longevity Research, Development, Education and Application Through Public Health and Research Policy 289
Ilia Stambler

13 Applied Bioethics in Current Longevity Medicine Policy and Practice 307
Bruce Randolph Tizes

14 A Political and Financial Blueprint for Longevity Industrialization 333
Ian J. Inkster

15 Healthy Longevity: A Longer Living Society 353
Georgios Mitrou

16 Longevity of Longevity Data 359
Dmitrii Kriukov and Leonid Peshkin

17 Big Health Data Analyzed with AI for Longevity: How Public Institutions Could and Should Use It 373
Didier Coeurnelle, Shivani Kumar, and Ninon Lecoquierre

Part IV Local Policies and Practices for Healthy Longevity

18 New Frontier of Longevity: Through the Framework of the 'Exposome' 391
Tina Woods, Nicola Palmarini, Lynne Corner, David Furman, Gary W. Miller, Paul Shiels, and M. Austin Argentieri

19 Longevity Real Estate: Scaling AI for Longevity to Integrated Residential, Commercial, and Clinical Research Communities 429
Alex Zhavoronkov and Chuen Yan Leung

20 Analysis of Healthy Longevity in Africa: Policies, Challenges, and Opportunities 451
Agbolade Omowole

21 Jewish Policies and Practices for Healthy Longevity 471
Evelyne Bischof, Chaim Haber, Abigail Goshen, Or Shraga, Eliezer Girsh, Hananel Sahar, Amit Goldman, and Ilia Stambler

22 Good Practices from Longevity Activism in Slovenia 497
Martin Lipovšek

23 Transforming Institutions from "Sickcare" to Longevity 513
Edward Hudgins

24 The Road not Taken: Lessons from British Ageing Research Policies and Initiatives 533
Richard G. A. Faragher
