Figures, Tables, Case Studies, Workshops and Games **xiii**

About the Author **xvii**

Preface **xix**

Introduction **xxi**

1 The Importance of a Data Culture in Organisations **1**
What is a data culture? 1

2 What Should You Include in Your Data Culture? **11**
Accessibility 13
Accountability 15
Advocacy 18
Collaboration 20
Clarity 22
Curiosity 24
Disruption 26
Ethics 29
Improvement 31
Innovation 34
Optimisation 36
Precision 38
Responsibility 40
Scepticism 43
Security 45
Sharing 47
Transparency 49
Trust 52
Understanding 55

3 What Are the Benefits of a Data Culture? **59**
Competitive advantage 59
Empowerment 61
Enhanced decision making 62

	Improved collaboration	63
	Greater accountability	64
	Increased innovation	65
	Staff retention	66
4	**What About an AI Culture?**	**69**
	AI culture: an evolution of data culture	69
	Core characteristics of an AI culture	70
	Accessible AI fluency	72
	Why AI culture matters	73
	What a healthy AI culture enables	74
	How to build an AI culture	76
	AI culture in practice	77
	Culture is the true enabler of AI	79
5	**Implementing a Data Culture**	**81**
	Leadership commitment	81
	Clear vision and goals	82
	Align with overall strategy	83
	Training and education	84
	Accessibility	86
	Curiosity	87
	Tools and technology	88
	Collaboration	90
	Celebrating success	91
	Data visualisation principles	93
	Data storytelling principles	94
6	**Continuous Improvement**	**97**
	Key principles of continuous improvement	97
	Customer focus	98
	Data-driven decision making	99
	Employee involvement	100
	Incremental changes	100
	Adaptability	101
	Bringing it all together	101
	Implementing continuous improvement	101
7	**Building a Data-driven Mindset**	**103**
	Intuitive decision making	103
	Cultivating curiosity	105

Embracing analytical thinking 106
Leveraging tools 109
Data tools capability-building roadmap 110
Encouraging collaboration 112
Learning styles 114
Data-driven mindset 115

8 Data Fluency for Everyone 119
Strategies to become data fluent 119

9 Data Governance and Ethics 129
What is data governance? 129
Understanding data ethics 132

10 Key Performance Indicators for Data Culture 135

11 Team-building Games to Foster Data Culture 137
The power of play in building data culture 145

12 Data Escape Room 147
The Great Fire of London data escape room 150

13 Data Logic Puzzles 157

Appendix 1 163
Data Culture Characteristics and Supporting Documentation
Accessibility 163
Accountability 166
Advocacy 167
Collaboration 173
Clarity 175
Curiosity 177
Disruption 179
Ethics 180
Improvement 182
Innovation 184
Optimisation 186
Precision 186
Responsibility 188
Scepticism 190

Security 191
Sharing 193
Transparency 194
Trust 196
Understanding 198

Appendix 2 201
Data and Analytics Training Guide

Appendix 3 205
Analytical Tools Training Guide

Appendix 4 209
AI Culture Training Guide
