| 2.2 Critical discourse analysis .....                          | 14        |
| 2.3 Register and genre .....                                   | 15        |
| 2.4 Text and discourse .....                                   | 17        |
| <b>3 NEWSPAPER DISCOURSE</b> .....                             | <b>19</b> |
| 3.1 Communicative purpose of news reports as texts.....        | 19        |
| 3.2 Objectivity vs. evaluation and opinion .....               | 20        |
| 3.3 News values .....                                          | 21        |
| 3.4 Crime news .....                                           | 24        |
| 3.5 Audience .....                                             | 26        |
| 3.5.1 Real vs. implied audience .....                          | 26        |
| 3.5.2 Spectacle/observer theory .....                          | 27        |
| 3.5.3 Present approach .....                                   | 27        |
| <b>4 BROADSHEETS AND TABLOIDS</b> .....                        | <b>31</b> |
| 4.1 Introduction.....                                          | 31        |
| 4.2 Representational sources .....                             | 32        |
| 4.3 Tabloidization .....                                       | 33        |
| 4.4 British newspapers.....                                    | 34        |
| 4.4.1 Readership diversification.....                          | 35        |
| 4.4.2 Circulation.....                                         | 38        |
| 4.4.3 Circulation vs. readership .....                         | 40        |
| <b>5 REPRESENTATION OF PEOPLE IN NEWSPAPER DISCOURSE</b> ..... | <b>41</b> |
| 5.1 Representational choices .....                             | 41        |
| 5.2 Reference .....                                            | 42        |
| 5.2.1 Naming.....                                              | 42        |
| 5.2.2 Referential and predication strategies .....             | 43        |
| <b>6 CONTEXT AND MEANING INTERPRETATION</b> .....              | <b>47</b> |
| 6.1 The role of context.....                                   | 47        |
| 6.2 Types of context.....                                      | 48        |
| 6.3 Cognitive processes in meaning interpretation.....         | 48        |
| <b>7 NOUN PHRASE</b> .....                                     | <b>51</b> |
| 7.1 The noun phrase structure.....                             | 51        |

|                                                                        |            |
|------------------------------------------------------------------------|------------|
| 7.2 Modern approaches to the complex noun phrase structure .....       | 51         |
| 7.2.1 Halliday (1985) vs. Quirk et al. (1985).....                     | 52         |
| 7.2.2 Huddleston and Pullum (2002) .....                               | 54         |
| 7.2.3 Biber et al. (LGSWE) (1999).....                                 | 57         |
| 7.3 The noun phrase in the newspaper register.....                     | 58         |
| 7.3.1 Noun phrases as identified in the news corpus of the LGSWE ..... | 58         |
| 7.3.2 Ni (2003) .....                                                  | 59         |
| 7.3.3 Jucker (1992).....                                               | 60         |
| <b>8 MATERIAL AND METHODOLOGY.....</b>                                 | <b>63</b>  |
| 8.1 Corpus compilation criteria .....                                  | 63         |
| 8.2 Events in the corpus.....                                          | 65         |
| 8.3 Size of the corpus.....                                            | 66         |
| 8.4 Newspapers in the corpus .....                                     | 67         |
| 8.5 Methods .....                                                      | 67         |
| <b>9 ANALYSIS.....</b>                                                 | <b>69</b>  |
| 9.1 Headlines .....                                                    | 70         |
| 9.1.1 Headlines in Subset A (Events 1-5).....                          | 70         |
| 9.1.1.1 Mention of the victim and killer and its realization .....     | 71         |
| 9.1.1.2 Complexity of NPs in Subset A headlines .....                  | 73         |
| 9.1.1.3 Sub-headlines in Subset A.....                                 | 78         |
| 9.1.2 Headlines in Subset B (Events 6-10) .....                        | 80         |
| 9.1.2.1 Mention of the victim and killer and its realization .....     | 82         |
| 9.1.2.2 Complexity of NPs in Subset B headlines .....                  | 84         |
| 9.1.2.3 Sub-headlines in Subset B.....                                 | 87         |
| 9.2 The lead.....                                                      | 89         |
| 9.2.1 The lead in Subset A.....                                        | 90         |
| 9.2.1.1 Mention of the victim and killer and its realization .....     | 90         |
| 9.2.1.2 Complexity of NPs in the lead (Subset A) .....                 | 91         |
| 9.2.2 The lead in Subset B .....                                       | 93         |
| 9.2.2.1 Mention of the victim and killer and its realization .....     | 93         |
| 9.2.2.2 Complexity of NPs in the lead (Subset B) .....                 | 94         |
| 9.3 The body copy .....                                                | 98         |
| 9.3.1 The body copy in Subset A.....                                   | 100        |
| 9.3.1.1 Simple and Complex NPs (victims and killers).....              | 100        |
| 9.3.1.2 Reference to victims.....                                      | 102        |
| 9.3.1.3 Reference to killers .....                                     | 111        |
| 9.3.1.4 Appositive noun phrases in Subset A.....                       | 119        |
| 9.3.2 The body copy in Subset B .....                                  | 120        |
| 9.3.2.1 Simple and Complex NPs (victims and killers).....              | 120        |
| 9.3.2.2 Reference to victims.....                                      | 122        |
| 9.3.2.3 Reference to killers .....                                     | 132        |
| 9.3.2.4 Appositive noun phrases in Subset B.....                       | 142        |
| <b>10 CONCLUSIONS.....</b>                                             | <b>145</b> |
