Tables

1. Percentage of "Correctly" Labeled Children in Families Where Each Parent Was of a Different Single Ancestry	28
2. Percentage of Children Labeled American, by Ancestry of Parents	29
3. Percentage of Children Labeled "No Response," by Ancestry of Parents	31
4. Parents, by Children's Stated Ancestry	32
5. Simplification of Children's Ancestries	33
6. Percentage of Children Whose Ancestry Was Simplified to Paternal Ancestry	34
7. Ancestry Choices for Children, Controlling for Parental Influence	35
8. Consistency of Ethnic Response	38
9. Ethnic Origin as Reported in March 1971 and March 1972	40
10. Domicile of Third-Generation Non-Blacks, by Age	42
11. Ancestry Response of Third-Generation and Later Non-Blacks, by Age and Domicile	42
12. Reporting of Ancestry, by Age	43

Index

- Adaptation, 1, 2. *See also* Assimilation
- Advertising, 150–51, 154
