

Contents

1 Introduction	6
2 Anisotropic Magnetoresistive Effect	6
2.1 Origin of the Anisotropic Magnetoresistive Effect	6
2.2 Macroscopic manifestation of the AMR effect	7
3 Thin film AMR stripes.....	9
3.1 Magnetization in saturated ferromagnetic thin films.....	9
3.1.1 Material anisotropy in thin ferromagnetic films	11
3.1.2 Shape anisotropy in thin film ferromagnetic stripes	11
3.1.3 Angle of M in thin film ferromagnetic stripe.....	12
3.2 Resistivity in AMR stripes as a function of the measured field	13
3.4 Linearization of AMR stripes characteristic – Barber poles.....	15
3.5 Configuration of AMR elements in a sensor	16
4 Research on improvement techniques in AMR sensors.....	18
4.1 Periodical remagnetization - flipping	18
4.2 Feedback compensation mode.....	20
5 Basic remarks to fabrication of AMR sensor.....	22
6 Conclusion & Further Research.....	24
7 References	26
