

# Obsah

1	Theoretical Background .....	7
1.1	Aims of the Study.....	11
1.2	Operational Definition of Terms.....	12
2	Early Intervention Practice .....	13
2.1	Guiding Principles of Early Intervention.....	15
2.2	Concepts of Early Intervention .....	16
3	The Family as a Factor Influencing the Development of a Child ...	21
3.1	The Special Nature of Demands on Families of Children with a Hearing Impairment .....	24
3.2	The Family in the Concept of Child Bearers of Hearing Impairment .....	29
3.3	The Aims and Tasks of Psychological Support for Families with a Child with a Hearing Impairment .....	34
3.4	Benefits of Early Intervention for the families .....	35
4	Research Foundations for Early Intervention Practices.....	37
4.1	Response-Contingent Child Learning .....	37
4.2	Parent Responsiveness.....	39
4.3	Natural Learning Opportunities .....	41
4.4	Capacity-Building Help-Giving Practices.....	42
5	The Practices of Early Intervention.....	45
5.1	Early intervention and special education in Nigeria .....	45
5.2	Early Intervention and Special Education in the Czech Republic.....	47
6	Government – Policy, Legislation, and Support.....	51
6.1	Government Policy, Legislation, and Support for Early Intervention in Nigeria.....	52
6.2	Government Policy/Legislation and Support for Early Intervention in the Czech Republic.....	54

7	Parents' Attitudes to and Involvement in Early Interventions in Children with Disabilities .....	59
7.1	Parents' Attitude to and Involvement in Early Interventions in Children with Disabilities in Nigeria .....	62
7.2	Parents' Attitude and Involvement in Early Interventions in Children with Disabilities in the Czech Republic .....	64
8	Theoretical Framework/Perspectives.....	67
8.1	Transactional Model of Intervention .....	67
8.2	Guralnick's Early Development and Risk Factors Model.....	70
8.3	Dunst and Trivette's Resource-Based Approach .....	73
8.4	Summary .....	76
9	Research Design and Methodology .....	79
9.1	Research Purpose.....	79
9.2	Research Questions.....	80
9.3	Research Methods and Instruments .....	80
9.4	Data Collection and Analysis .....	81
9.4.1	Interviews .....	81
9.4.2	Questionnaire Survey.....	82
9.4.3	Participants .....	82
9.4.4	Validity and Reliability of the Instrument.....	82
10	Interpretation of Data and Results .....	85
11	Discussion of Results .....	117
11.1	The practices of early intervention for children with disabilities in NGA.....	117
11.1.1	Government policy, legislation, and support for early intervention for children with disabilities in NGA. ....	118
11.1.2	Parents' attitude to early intervention for children with disabilities in NGA.....	119
11.2	The practices of early intervention for children with disabilities in CZ .....	120
11.2.1	Parents' attitude to early intervention for children with disabilities in CZ .....	122

12 Conclusion of the Study .....	125
12.1 Early intervention for children with disabilities in Nigeria.....	125
12.2 Early intervention for children with disabilities in the Czech Republic.....	127
13 Recommendations of the study.....	129
13.1 Limitations of the study.....	130
13.2 Suggestions for further research.....	131
14 REFERENCES .....	133
Abstrakt/Abstract .....	139
