Introduction	1

Part I The play of young children 5

- 1 The dramatic world view: reflections on the roles taken and played by young children 7
Robert J. Landy
- 2 Fear and tension in children's games 28
Iona Opie
- 3 Dramatherapy with children who are trapped in their spontaneous play 40
Galila Oren

Part II The context of dramatherapy work 61

- 4 The role a role-play may play: dramatherapy and the externalization of the problem 63
Torben Marner
- 5 How individual is individual therapy? The use of contextual therapy principles in the treatment of children and adolescents in dramatherapy 75
Jan-Berend van der Wijk
- 6 Dramatherapy for survival: some thoughts on transitions and choices for children and adolescents 90
Sue Jennings

Part III Dramatherapy with adolescents	107
7 Pinocchio – a handicapped brother: working with healthy siblings through dramatherapy <i>Pamela Mond</i>	109
8 From adolescent trauma to adolescent drama: group drama therapy with emotionally disturbed youth <i>Renée Emunah</i>	150
9 Images and action: dramatherapy and psychodrama with sexually abused adolescents <i>Anne Bannister</i>	169
Part IV Developmental framework	187
10 Shall I be mother? The development of the role of the dramatherapist and reflections on transference/countertransference <i>Di Grimshaw</i>	189
11 Families and the story of change <i>Simon Dermody</i>	210
12 The labyrinth dance of adolescence: journey through darkness and light <i>Yiorgos Polos</i>	233
