<i>Foreword</i>	ix
<i>Table of Cases</i>	xxxv
 CHAPTER 1 READING WORDS IN THEIR ENTIRE CONTEXT: AN OVERVIEW OF THIS BOOK	 1
The Modern Principle	1
Initial Impressions of Meaning	1
How to Read Words in Context	2
What Counts as Context	3
The Operation and Application of Legislation	5
 CHAPTER 2 DRIEDGER'S MODERN PRINCIPLE	 7
Analysis of the Modern Principle	7
Introduction	7
Relation of the modern principle to rules of statutory interpretation	9
The Evolution of Statutory Interpretation	10
Equitable construction	10
Natural law rights	11
The plain meaning rule	11
The golden rule	12
Golden rule as safety net	13
Methodology entailed by the modern principle	14
The Relationship Between the Modern Principle and the Plain Meaning Rule	16
The plain meaning rule	16
Problems with the plain meaning rule	17
The plain meaning rule is incompatible with the modern principle: <i>Rizzo</i>	20
Backsliding into ambiguity: <i>Bell ExpressVu</i>	22
Rhetorical use of textualist language	24
Conclusion	25
 CHAPTER 3 ORDINARY MEANING	 27
Introduction	27
The multiple meanings of "meaning"	27
The ordinary meaning rule	28
What is Meant by Ordinary Meaning	30

	<i>Page</i>
Ordinary meaning defined	30
Ordinary meaning is not dictionary meaning	32
Ordinary meaning is not literal meaning	33
How Ordinary Meaning is Proven	34
Means of proof	36
Linguistic intuition	37
Reliance on dictionaries	39
Proving ordinary meaning through expert testimony	43
Primary versus secondary meaning	47
Burden of proof	48
Applications of the Ordinary Meaning Rule	49
When ordinary meaning is binding	49
The interaction between interpretation rules and drafting style	50
When ordinary meaning is not binding	51
Presumption is rebutted	52
 CHAPTER 4 TECHNICAL AND LEGAL MEANING STATUTORY DEFINITIONS, INTERPRETATION ACTS AND RECURRING LEGISLATIVE TERMINOLOGY	55
Introduction	55
PART 1 TECHNICAL MEANING	55
The relation between ordinary and technical meaning	55
Technical or scientific terminology	56
Presumption in favour of ordinary, non-technical meaning	58
Technical subject matter	60
Governing principle	61
Other considerations	63
Proof of technical meaning	64
PART 2 LEGAL MEANING	66
Legal terms of art	66
“Plain” legal meanings	70
PART 3 STATUTORY DEFINITIONS	71
Statutory definitions	71
Exhaustive definitions	72
Non-exhaustive definitions	73
Means.....and includes	74
Means.....but does not include	75
Compound definitions are exhaustive	77
Application of statutory definitions	78
Variations of defined term	79

	<i>Page</i>
PART 4 INTERPRETATION ACTS AND RECURRING LEGISLATIVE TERMINOLOGY	80
Interpretations Acts	80
“may”/“shall”/“must”	81
Uses of “may”	81
Powers subject to condition precedent	82
“May” is coupled with a duty	84
“May” is not coupled with a duty	85
“May” followed by a procedure or range of alternatives	86
“May” never means shall or must	87
Degree of discretion conferred	89
Uses of “shall”	91
“Shall”/“must”	91
Mandatory vs. directory obligations	92
Mandatory vs. directory requirements	95
Substantive vs. procedural requirements	96
The distinction between imperative and mandatory	97
Consequences of finding an imperative provision to be directory	98
When breach of a provision is an offence	98
“Should”	99
“And/or”	100
In respect of/in relation to/respecting	103
Deems	105
Use of “deem” (or “consider” or “is”) to create legal fictions	105
Use of “deem” (or “consider”) to create presumptions	109
Use of “deem” (or “consider”) to create a rule	110
CHAPTER 5 BILINGUAL AND BIJURAL MEANING	113
Introduction	113
PART 1 BILINGUAL LEGISLATION	113
The Constitutional and Legislative Framework	113
Legislation to be enacted in French and English	113
Constitution Acts	114
Equal authenticity rule	115
Neither version has paramountcy	116
Both versions must be read	117
The 1985 revision	118
The Shared Meaning Rule	118
Overview	118
The shared meaning rule applied	120
Possibility (1): the two versions say the same thing	120
Possibility (2): one version is ambiguous while the other is clear	122
Possibility (3): the versions say different things	125
Possibility (4): one version is narrower than the other	129

	<i>Page</i>
Example 1	131
Example 2	133
Examples 3 and 4	134
Possibility (5): legal terms of art	136
Possibility (6): defined terms	137
Possibility (7): false discrepancy	138
Other Evidence of Legislative Intent	139
Overview	139
Rejecting the shared meaning	140
The weight to be accorded shared meaning	142
The Role of Statute Revision	143
Inadvertent substantive change	143
Clarification	144
 PART 2 BIJURAL LEGISLATION	 146
Introduction	146
The federal Harmonization Program	146
Complementarity Dissociation	147
Complementarity and dissociation	147
Bijural Drafting Conventions	149
Techniques for drafting bijural legislation	149
Common law terminology in English, civil law terminology in French	 149
Doubles or doublets	151
Identical and generic terms	153
Drafting for uniformity	155
Amendments to the federal <i>Interpretation Act</i>	156
Sections 8.1 and 8.2 of the <i>Interpretation Act</i>	156
Illustration	158
Public vs. private law	160
When is it necessary to refer to provincial private law?	161
Federal legislation is a complete code	165
Unless otherwise provided by law	167
 CHAPTER 6 ORIGINAL MEANING	 169
Introduction	169
The problem	169
Criticisms of the original meaning rule	170
Conclusion	172
Constraints Imposed by the Original Meaning Rule	172
Formulation of the rule	172
Original meaning rule distinguished from <i>contemporanea</i> <i>exposition</i>	 173
Original meaning rule distinguished from reluctance to overturn established interpretations	 174

	<i>Page</i>
Dynamic vs. static interpretation	175
Application of the Rule	177
Factors affecting choice of static or dynamic interpretation	177
Legislative intention	177
Functional equivalence	179
Discretion	180
Technical terms	182
Courts avoid second-guessing the legislature	182
Courts avoid political choice	183
Obsolescence	185
Introduction	185
Obsolescence vs. Disuse	186
Obsolete application	186
Reduced application	187
Obsolete purpose or norm	187
 CHAPTER 7 PLAUSIBLE MEANING	 191
Introduction	191
The Plausible Meaning Rule	191
Formulation of the rule	191
Plausible meaning and adding words to the text	192
Paraphrase vs. amendment	193
Reading down vs. reading in	194
Failure to distinguish reading down and reading in	196
Plausible meaning as a constraint on interpretation	198
Strained Interpretation	199
Jurisdiction to adopt a strained interpretation	199
Problems with the concept of strained meaning	201
 CHAPTER 8 TEXTUAL ANALYSIS	 203
Introduction	203
Legislation as a literary genre	203
Legislative drafting conventions	203
Overview	204
 PART 1 PRESUMPTIONS ABOUT HOW LEGISLATION IS DRAFTED	 205
Presumed Knowledge and Competence	205
Presumed knowledge	205
Presumed linguistic and drafting competence	206
Presumed perfection	207
Can the presumptions of knowledge and competence be rebutted? ...	207
Presumption of straightforward expression	208
Presumption of orderly and economical arrangement	210
The Presumption Against Tautology	211

	<i>Page</i>
Governing Principle.....	211
Rebuttal.....	214
The Presumption of Consistent Expression	217
Same words, same meaning.....	217
Different words, different meaning.....	218
Recurring pattern of expression	220
Counterfactual argument.....	222
Factors affecting weight of presumption	224
The presumption rebutted	226
 PART 2 TEXTUAL ANALYSIS AND THE MAXIMS OF INTERPRETATION	 227
Introduction.....	227
Basic technique.....	227
Role of the maxims	229
Associated Words	230
The associated words rule (<i>noscitur a sociis</i>)	230
Rebuttal.....	233
Limited Class	234
The limited class rule (<i>ejusdem generis</i>).....	234
Conditions precedent for limited class argument.....	235
Inferred class must be identified	236
Inferred class must be narrower than general term	238
No tautology	239
A list of one	239
General words precede specific words	241
Grammatical structure	242
Rebuttal.....	244
Collocation.....	247
Implied Exclusion	248
Failure to mention comparable items.....	248
Failure to follow a pattern of express reference.....	251
The role of policy.....	253
Rebuttal.....	255
Distrust of implied exclusion.....	256
 CHAPTER 9 PURPOSIVE ANALYSIS.....	 259
Introduction.....	259
Propositions underlying purposive analysis.....	259
Evolution of Purposive Analysis.....	260
<i>Heydon's Case</i>	260
Doctrine of equitable construction.....	260
Modern purposive analysis	261
Purposive analysis distinguished from purposive approach	262
Legitimacy of purposive analysis	264

Page

Reform legislation	265
Program legislation.....	266
Purposive approach in Charter interpretation	267
What is Meant by Legislative Purpose.....	268
Introduction	268
The “mind” of the legislature.....	269
Purpose versus motive	269
Policies and principles	270
Multiple purposes	270
Secondary purposes	271
Balancing competing purposes	272
How Purpose is Established.....	274
Introduction	268
The “mind” of the legislature.....	269
Purpose versus motive	269
Policies and principles	270
Multiple purposes	270
Secondary purposes	271
Balancing competing purposes	272
How Purpose is Established.....	274
Direct and indirect evidence	274
Legislative statements of purpose.....	275
Non-legislative statements of purpose	277
Norms of plausibility	278
Purpose inferred from text alone.....	281
Purpose inferred from legislative scheme.....	282
Purpose inferred from external context – the mischief to be cured....	283
Shifting purpose.....	285
Purpose inferred from tracing legislative evolution.....	286
Uses of Purposive Analysis	287
Introduction	287
Resolving ambiguity	289
Determining scope	291
Purpose justifies a restrictive interpretation.....	292
Purpose justifies expansive interpretation.....	295
Scope of powers.....	297
Guiding discretion	299
Some Limitations of Purposive Analysis.....	300
The purpose is indeterminate	300
The problem of limited means	303
Conclusion	305
CHAPTER 10 CONSEQUENTIAL ANALYSIS	307
Introduction.....	307
Relevance of consequences in interpretation.....	307

	<i>Page</i>
Propositions underlying consequential analysis	308
Evolution of the presumption against absurdity	309
Issues in Consequential Analysis	310
“Objective” absurdity	310
“Subjective” absurdity	311
The current view of absurdity	311
The judicial response to absurdity	312
Current views	313
Drafting mistakes	317
Governing principle	318
Justification of courts’ jurisdiction to avoid absurdity	319
Currently Recognized Categories of Absurdity	319
Purpose is defeated	320
Irrational distinctions	321
Misallocation and disproportion	323
Contradictions and anomalies	324
Hardship and inconvenience	326
Interference with the efficient administration of justice	326
Consequences that are self-evidently unreasonable, unjust or unfair	328
Consequences that are undesirable	329
Uses of Consequential Analysis	330
Resolving ambiguity	330
Justifying a restrictive interpretation	331
Justifying an expansive interpretation	333
Determining scope of power or discretion	334
Other uses	335
 CHAPTER 11 COHERENCE, OVERLAP AND CONFLICT RESOLUTION	 337
The Presumption of Coherence	337
Governing principle	337
Overview of strategies for achieving coherence	338
The Presumption of Overlap	338
Presumption of overlap	338
Overlapping powers	340
Exhaustive provisions	341
Defining Conflict	344
The challenges of defining conflict	344
Federal-provincial overlaps	345
Superior-inferior levels of government	347
Provisions enacted by the same legislature	349
Executive legislation	351
Conflict avoidance	353
Conflict Resolution	354

	Page
Legislative solution to conflict – express	354
Legislative solution to conflict – implied	356
Strained interpretation	359
Human rights law is paramount	361
Statutes are paramount over subordinate legislation	362
Implied exception (<i>generalia specialibus non derogant</i>)	363
Implied repeal	367
Legal effect of paramountcy	369
Legal effect of implied repeal	370
Coherence among Sources of Law	372
The legal hierarchy	372
 CHAPTER 12 CORRECTING MISTAKES, FILLING GAPS, DEFEATING AVOIDANCE	373
Overview	373
Drafting Mistakes	373
Presumption of perfection	373
Jurisdiction to correct mistakes	375
Unacceptable absurdity	376
Refusal to correct drafting errors	379
Relationship between plausible meaning, strained interpretation and judicial correction	380
Gaps in the Legislative Scheme	380
The difference between a mistake and a gap	380
Over- and under-inclusive legislation	381
Judicial response to gaps	382
Interpretation to avoid gaps	384
Reliance on necessary implication	386
Unanticipated situations	387
Courts may supplement legislation	389
Courts sometimes fill gaps – or appear to do so	391
Striking words from the legislative text	393
Effect of striking words may vary	393
Limiting words perform no meaningful function	394
Avoidance Schemes	395
Introduction	395
Avoidance defined	395
Evolution of anti-avoidance jurisdiction	396
Values favouring restraint	397
Values favouring judicial control	397
Type of legislation	398
Interpretation to promote compliance	398
Illustration	399
Judicial response to avoidance measures	400

	<i>Page</i>
CHAPTER 13 THE ACT AS A WHOLE, THE STATUTE BOOK AS A WHOLE AND RELATED LEGISLATION	403
Introduction	403
The Act as a Whole	403
The governing principle	403
Amendments	405
Other Provisions in the Act	405
Related provisions	405
The legislative scheme	409
Regulations	412
Introduction	412
Interpretation of regulations	412
Reliance on regulations to interpret Act	414
Related Legislation	416
Introduction	416
Governing principle	416
Defined terms	417
Coherence of related statutes	419
Related statutes form integrated scheme	420
Analogous legislation	421
The Statute Book as a Whole	422
Introduction	422
The importance of patterns	423
The Statute Law of Other Jurisdictions	424
Governing principle	424
Cross-jurisdictional comparison	425
Cross-jurisdictional drafting practices	425
Cross-jurisdictional policy analysis	425
Reliance on Case Law Interpreting Related Legislation	430
Governing principle	430
Case law – same Act	431
Case law – related legislation	431
Case law – other Canadian jurisdictions	432
Case law – other nations	432
Legislative history	433
Weight	434
CHAPTER 14 THE COMPONENTS OF LEGISLATION	437
Introduction	437
Internal versus external components	437
Recommended rule	439
Titles	440
General	440
Uses of long title	441

	<i>Page</i>
Uses of short title	443
Weight to be placed on titles.....	445
Is ambiguity required?	446
Preambles.....	447
General.....	447
Preambles reveal legislative purpose	448
Preambles as source of legislative values	450
Weight of preamble	452
Purpose Statements	454
Definition of purpose statement.....	454
Function of purpose statement.....	455
Purpose statements define limits of discretion.....	457
Weight of purpose statements.....	458
Headings	460
General.....	460
Use of headings.....	462
Grouping of provisions under headings.....	463
Weight of heading.....	464
Marginal Notes	465
General.....	465
Reliance on marginal notes.....	466
Weight	467
Punctuation	468
General.....	468
Reliance on punctuation.....	469
Weight	470
Schedules	471
Types of scheduled material	471
Schedules are internal to Act	472
Scheduled materials incorporated into Act	473
Scheduled materials not incorporated but validated	474
Forms	477
CHAPTER 15 PRESUMED LEGISLATIVE INTENT.....	481
Introduction.....	481
Evolution of presumed intent.....	481
Legitimacy of presumed intent	483
Legal effect of presumptions	484
Weight of presumptions.....	484
The ambiguity requirement.....	486
Overview	487
Strict And Liberal Construction.....	487
Traditional distinction.....	487
Modern approach	488
Strict Construction of Penal Legislation	490

	<i>Page</i>
The strict construction rule	490
Strict construction rebutted or outweighed	494
Strict construction as a last resort	496
Strict Construction of Legislation That Takes Away Rights	497
Introduction	497
Rights of action	499
Solicitor-client privilege	499
Property rights	500
Strict Construction of Legislation That Derogates from	
Established Law	504
Presumption against implicit alteration of law	504
Exceptions are strictly construed	505
Ousting jurisdiction of court	508
Liberal Construction of Social Welfare Legislation	509
Governing principle	509
Presumptions of Fault	513
Crimes and regulatory offences distinguished	513
The <i>Sault Ste. Marie</i> case	514
The presumption of <i>mens rea</i>	515
The presumption of strict liability	516
The presumptions are rebuttable	517
Impact of the Charter on common law presumptions	518
Explicit Policy Analysis	519
 CHAPTER 16 CONSTITUTIONAL LAW	 523
Overview	523
Introduction	523
Presumption of validity	523
Presumption of compliance	524
Presumption of Compliance	525
Presumption of compliance with limits on jurisdiction	525
Presumption of compliance with constitutional norms	526
Reading down	531
 CHAPTER 17 COMMON LAW	 535
Introduction	535
Common law as context	535
Codification	535
Modification	535
“Exhaustive code”	536
Incorporation	536
Overview of chapter	536
 PART 1 GOVERNING PRINCIPLES	 537
Legislation is paramount	537

	<i>Page</i>
Presumption against changing the common law	538
Area of law dealt with.....	539
Adequacy of the legislation	541
PART 2 USE OF COMMON LAW IN INTERPRETATION	543
Reliance on Common Law to Interpret Statutory Language.....	543
Incorporation of common law concepts or terms.....	543
Provisions that codify the common law	545
Provisions that modify the common law.....	546
Interpreting an “exhaustive code”.....	547
Reliance on Common Law to Supplement Legislation.....	549
Introduction	549
Express indication of legislative intent	550
Common law thwarts legislative purpose	551
Avoiding tautology	551
Implied exclusion.....	553
Complete or exhaustive code	554
The adequacy of the common law	557
Adequacy of legislation	558
Mix of considerations	559
Common Law Evolution Precluded.....	560
Evolution of common law.....	560
Adaptation of common law by tribunals and arbitrators.....	562
Express delineation of common law jurisdiction	563
Timing	564
CHAPTER 18 INTERNATIONAL LAW.....	567
Introduction.....	567
Presumed Compliance with International Law	567
Governing principle	567
Ensuring compliance with Canada’s obligations	569
International law as legal context	573
Materials consulted.....	577
Must the legislation be ambiguous?.....	579
Presumption is rebuttable.....	581
Resolving conflict.....	582
Implementing Legislation	585
Domestic effect of international conventions	585
Incorporation by reference.....	586
Implementation through harmonizing legislation	589
Reliance on underlying convention to interpret harmonizing legislation	590
Express reference to convention not required.....	592
Ambiguity in implementing legislation not required	593
Legislation prevails over convention	594

	Page
Codification of customary international law	595
CHAPTER 19 HUMAN RIGHTS LEGISLATION	597
Special status of human rights legislation	597
Liberal and purposive interpretation of human rights legislation	598
Defences and exceptions in human rights legislation	600
Dynamic interpretation of human rights legislation	602
Language rights legislation	604
Protection of privacy	605
The <i>Canadian Bill of Rights</i>	606
Conclusion	607
CHAPTER 20 ABORIGINAL TREATIES AND LEGISLATION	609
Introduction	609
Legislation Relating to Aboriginal Peoples	609
Liberal interpretation	609
Liberal interpretation as last resort	612
Treaties with Aboriginal Peoples	613
Governing principles	613
Use of extrinsic materials	618
Modern treaties and land claim agreements	621
Interference with Treaty or Other Aboriginal Rights	623
Classification of rights	623
Presumption against interference with Aboriginal rights	624
<i>Constitution Act, 1982</i> , s. 35	625
The test for extinguishment under s. 35	626
Modern treaty rights	628
CHAPTER 21 FISCAL LEGISLATION	631
The Traditional Approach to Fiscal Legislation	631
Introduction	631
Literal interpretation	631
Strict construction	632
Anti-avoidance	633
The Modern Approach to Fiscal Legislation	634
The <i>Stubart</i> case	634
The persistence of literalism	635
Attempts to reconcile literalism with the modern principle	636
Relevant legal norms	638
Presumption in favour of the taxpayer	639
Anti-avoidance	640

CHAPTER 22	THE EXTERNAL CONTEXT	643
	Introduction	643
	What is admissible as external context	644
	Background information	646
	Operational context	648
	The mischief addressed by the legislature	649
	Use of social facts to confront cultural misunderstanding	651
	Proving external context	652
	Dangers of judicial notice	654
	Conclusion	655
CHAPTER 23	EXTRINSIC AIDS	657
	Introduction	657
	Reasons to Consult Extrinsic Aids	658
	Legal context	658
	Evidence of external context	658
	Authoritative opinion	659
	Materials noticed by legislature	659
	Must the legislation be ambiguous?	660
	Legislative Evolution	660
	Legislative evolution distinguished from legislative history	660
	Reliance on legislative evolution is permitted	661
	Presumption that change is purposeful	662
	Methodology	663
	Substantive change is intended	664
	Successive substantive changes reveal evolving policy	666
	Formal change only is intended	667
	Contemporaneous interpretation	671
	Use of legislative history in tracing legislative evolution	672
	Subsequent evolution	675
	Limitations on the use of legislative evolution	677
	Legislative History	679
	Definition	679
	Issues to be addressed	680
	The Exclusionary Rule	681
	Concerns underlying the exclusionary rule	681
	Reasons to admit legislative history	683
	The Demise of the Exclusionary Rule	684
	Commission Reports	684
	The partial exclusion rule	684
	Current position	685
	Appropriate weight	685
	Other Types of Legislative History	687
	Partial exclusion – division of power cases	687

	<i>Page</i>
Partial exclusion – Charter cases	688
Partial exclusion – Statutory interpretation cases	690
Current position	690
External context and purpose.....	692
Intended meaning.....	692
Failure to amend	693
Other uses	694
Appropriate weight	696
Regulations	698
Professional and Scholarly Publications	700
Introduction	700
Reliance on scholarly material as evidence of external context.....	701
Reliance on scholarly materials as evidence of legal context	702
Reliance on scholarly materials as authoritative opinion.....	703
Administrative Interpretation.....	704
Introduction	704
Interpretive guidelines – legislative	704
Interpretive guidelines – administrative.....	706
Reasons to consult administrative interpretation	708
Need for caution	709
Admissibility and use of administrative interpretation	710
Detrimental reliance on administrative opinion	712
Judicial Interpretation	714
Introduction	714
Interpretations of re-enacted legislation.....	716
Judicial interpretations as precedent	718
Reluctance to overturn established interpretation	718
Reliance on tribunal decisions	720
Case law as source of legal scholarship	721
 CHAPTER 24 TEMPORAL OPERATION	 723
Introduction.....	723
Defining events	723
Sources of law.....	724
Temporal operation distinguished from temporal application	724
Unit of analysis	725
Overview	725
Enactment	725
Effect of enactment.....	725
Use of legislation not in force.....	726
Commencement	727
Rules governing commencement.....	727
Delayed commencement.....	728
Deemed commencement.....	731
Repeal	732

	<i>Page</i>
Rules governing repeal	732
Repeal techniques	733
Implied repeal	734
Re-Enactment.....	736
Re-enactment defined	736
Consolidation.....	738
Revision.....	739
Legal effect of statute revision.....	740
Interpretation of revised statutes – presumption against change.....	741
Codification and codes	744
Declaratory provisions.....	745
Amendment.....	745
Amending legislation.....	745
The temporal operation of amendments	745
Doctrine of merger.....	747
 CHAPTER 25 TEMPORAL APPLICATION	 751
Introduction.....	751
Sources of law.....	751
Principles underlying transitional law	752
The current state of Canadian transitional law.....	754
Evolution of Canadian Transitional Law	754
Common law and civil law influences.....	754
Stage 1	755
Stage 2	755
Stage 3	756
Stage 4	757
Stage 5	758
Summary of current common law application rules	760
Difficulties in Applying the Common Law Rules	761
Unclear terminology – retrospective.....	761
Unclear terminology – immediate	762
Legislation vs. application	762
Situating facts in time	763
Identifying the legally relevant facts.....	763
Momentary fact vs. continuing situation	764
Successive facts	765
When legal effects begin and end	766
The distinction between retroactive and retrospective applications...	767
Conclusion	768
Principle Based Analysis	769
Less dependence on classification	769
Example	769
The Retroactive Application of Legislation.....	771
Retroactivity	771

	<i>Page</i>
Rebutting the presumption.....	772
Reasons for enacting retroactive legislation	774
Beneficial retroactive legislation	775
Declaratory Provisions.....	777
Declaratory provisions.....	777
Pending cases.....	779
Retroactive declaratory provisions	781
Declaratory provisions that affect constitutional validity	783
The Retrospective Application of Legislation	784
Introduction	784
Retrospective application and interference with vested rights.....	785
Other examples of retrospective application.....	785
Legislation intended to protect the public.....	787
The <i>Brosseau</i> case	788
Application of <i>Brosseau</i>	789
Increases in fines.....	790
Punitive vs. protective purposes	791
Exception or rebuttal.....	792
Beneficial retrospective legislation.....	793
Conclusion	794
The Immediate Application of Legislation	794
The concept of immediate application or effect.....	794
Conclusion	801
Procedural Legislation	802
Procedural legislation is presumed to have immediate application ...	802
Defining “pure” procedure.....	804
Limitation of actions.....	807
Rules of evidence.....	809
Prejudicial effects of procedural law	811
Charter rights	812
Cost awards.....	813
Presumption against retroactivity applies to procedural law	815
Rebutting presumption of immediate effect.....	815
