

# Contents

Introduction .....	5
1 Fundamental Characteristics of the Genus <i>Cydonia</i> Mill. ....	7
1.1 Botanical Nomenclature.....	7
1.2 Biology and Morphology of Quince Tree .....	8
1.3 Requirements of Quince Tree for Habitat.....	8
1.4 Breeding and Possibilities of Cultivation .....	9
1.5 Cultivation of Quince Tree Worldwide.....	11
1.6 Agents Harmful to Quince Tree.....	14
1.7 Possible Uses of Quince Tree.....	15
1.8 Composition of Fruits and Possibilities for Their Use .....	16
1.9 Description of Most Commonly Cultivated Species.....	19
2 Origin of Genus <i>Cydonia</i> Mill.....	23
3 Brief Characteristics of Regions of Original Occurrence of Quince Tree .....	27
3.1 Asia Minor – Predominant Part of Turkey .....	28
3.2 Iran .....	30
3.3 Transcaucasia.....	32
3.4 Republic of Dagestan .....	33
3.5 Turkmenistan.....	34
3.6 Arabia .....	34
4 Research Aims .....	35
5 Material, Planting Locality and Research Method .....	37
5.1 Planting Material .....	37
5.2 Characteristics of Planting Locality in the Municipality of Paseka.....	38
5.2.1 Geomorphological and Geographical Characteristics.....	39
5.2.2 Climatic Characteristics .....	40
5.2.3 Pedological Characteristics .....	43
5.2.4 Agro-Climatic Structure .....	44
5.2.5 Specifying Characteristics of the Planting Habitat.....	45
5.2.6 Brief Characteristics of Workplace ŠZP Žabčice.....	48
5.3 Methods of Evaluating Biometric and Descriptive Characteristics .....	49
5.4 Overview of Individual Observed Characteristics .....	49
5.4.1 Growth Characteristics.....	49

5.4.2 Observation of Fertility .....	50
5.4.3 Susceptibility to Diseases and Pests.....	50
5.4.4 Sensory Evaluation of Raw Fruits and Jam.....	51
6 Results.....	53
6.1 Growth Characteristics .....	53
6.1.1 Dynamic of Growth in First Two Years of Observation.....	53
6.1.2 Growths of Surface of Cross-Section of Trunk .....	56
6.1.3 Cubature of Crowns of Genetic Resources.....	58
6.2 Fertility .....	64
6.2.1 Shape Index of Fruits .....	69
6.3 Monitoring of Occurrence of Pests, Diseases or Physiological Defects .	71
6.4 Sensory Evaluation of Raw Fruits and Jam .....	74
7 Discussion .....	77
8 Conclusion.....	79
9 Literature.....	83
List of appendices.....	91

The publication did not pass the language and technical editing review of the publishing house..... 108
