About the editors

Sarah Harper is Director of the Centre for Ageing Studies at the University of Oxford and Senior Research Fellow at the Centre for Ageing Studies. She is also a senior research advisor to the global, societal and individual young to predominantly older of the widespread falls in fertility and social structures. Sarah is the author of *Ageing and Opportunities* (Hodder Arnold) and *Ageing and Migration* (Oxford University Press) (Cambridge University Press, for *Ageing*, published by Springer).

Kate Hamblin received her PhD from the University of Oxford and addressed the changes to policies in EU15 nations over the period 1990-2000 of these reforms on different sub-populations. She is currently a senior research advisor at the Volkswagen Foundation. The book *Ageing and Opportunities* is the strategies used to create a 'new' (Advancing Knowledge of Telecare) ACTIVE project explores the potential of individuals with dementia or susceptible family caregivers to continue their work and other roles; and enhance their way.
