 - 6.1 MOTHER 46
 - 6.2 DRONES 50
 - 6.3 WORKER BEES 51

7 ANIMAL BREEDING – BEEKEEPING..... 54

7.1 TREATMENT OF BEEHIVES DURING THE YEAR 54

7.1.1 Late summer 55

7.1.2 Autumn and winter 56

7.1.3 Early spring and spring 56

7.1.4 Early summer and summer 57

7.2 MIGRATORY BEEKEEPING 58

7.3 HONEY BEE NUTRITION 59

7.3.1 Metabolism 59

7.3.2 Components of food..... 60

7.3.3 Sources of food 64

7.3.4 Bee congeries during the year..... 68

7.6.1 Sources of feedstuff 69

8 ALTERNATIVE POLLINATORS 74

8.1 BUMBLEBEES 74

8.2 SOLITARY BEES 75

9 SUMMARY AND CONCLUSIONS 77
