

Lectures on mappings of finite distortion

Stanislav Hencl

Charles University in Prague, Faculty of Mathematics and Physics
Sokolovská 83, 186 75 Prague, Czech Republic

Contents

1. Introduction	4
2. Summary of the book	6
2.1. Continuity	6
2.2. Openness and Discreteness	8
2.3. Images and preimages of null sets	11
2.4. Homeomorphisms of finite distortion	13
2.5. Integrability of J_f and other results	15
2.6. Final comments and Appendix	16
3. List of articles included in the monograph	18
Bibliography	24
