CHAPTER 1 Introduction	1
Scorecards: General Overview	5
CHAPTER 2 Scorecard Development: The People and the Process	11
Scorecard Development Roles	11
Scorecard Developer	11
Product or Portfolio Risk Manager/Credit Scoring Manager	12
Product Manager(s)	13
Operational Manager(s)	13
Project Manager	14
IT/IS Managers	15
Enterprise Risk/Corporate Risk Management Staff (Where Applicable)	15
Legal Staff	16
Intelligent Scorecard Development	16
Scorecard Development and Implementation Process: Overview	17
CHAPTER 3 Scorecard Development Process, Stage 1: Preliminaries and Planning	21
Create Business Plan	21
Identify Organizational Objectives and Scorecard Role	21
Internal versus External Development and Scorecard Type	23
Create Project Plan	24
Identify Project Risks	25
Identify Project Team	25
Why “Scorecard” Format?	26

CHAPTER 4	Scorecard Development Process, Stage 2:	
	Data Review and Project Parameters	29
	Data Availability and Quality	29
	Data Gathering for Definition of Project Parameters	30
	Definition of Project Parameters	31
	Exclusions	31
	Performance and Sample Windows and “Bad” Definition	32
	Effects of Seasonality	37
	Definition of “Bad”	38
	Confirming the “Bad” Definition	40
	“Good” and “Indeterminate”	43
	Segmentation	45
	Experience-Based (Heuristic) Segmentation	47
	Statistically-Based Segmentation	50
	Comparing Improvement	53
	Choosing Segments	55
	Methodology	56
	Review of Implementation Plan	57
 CHAPTER 5	 Scorecard Development Process, Stage 3:	
	Development Database Creation	59
	Development Sample Specification	59
	Selection of Characteristics	60
	Sampling	63
	Development/Validation	63
	Good/Bad/Reject	63
	Development Data Collection and Construction	65
	Random and Representative	65
	Nonsegmented Dataset	65
	Data Quirks	66
	Adjusting for Prior Probabilities	66
	Offset Method	68
	Sampling Weights	69
 CHAPTER 6	 Scorecard Development Process, Stage 4:	
	Scorecard Development	73
	Explore Data	74
	Missing Values and Outliers	74
	Correlation	76
	Initial Characteristic Analysis	77
	Statistical Measures	79
	Logical Trend	83
	Business/Operational Considerations	87

	Preliminary Scorecard	88
	Risk Profile Concept	88
	Logistic Regression	89
	Designing a Scorecard	92
	Reject Inference	98
	Reasons for Reject Inference	99
	Reject Inference Techniques	102
	Verification	112
	Final Scorecard Production	113
	Scaling	113
	Points Allocation	118
	Choosing a Scorecard	119
	Misclassification	120
	Scorecard Strength	121
	Validation	127
CHAPTER 7	Scorecard Development Process, Stage 5: Scorecard Management Reports	131
	Gains Table	132
	Characteristic Reports	133
CHAPTER 8	Scorecard Development Process, Stage 6: Scorecard Implementation	135
	Preimplementation Validation	135
	System Stability Report	136
	Characteristic Analysis Report	139
	What if the Scorecard Does Not Validate?	141
	Strategy Development	142
	General Considerations	142
	Scoring Strategy	143
	Setting Cutoffs	146
	Strategy Development Communication	151
	Risk-Adjusted Actions	154
	Policy Rules	157
	Overrides	158
CHAPTER 9	Scorecard Development Process, Stage 7: Postimplementation	161
	Scorecard and Portfolio Monitoring Reports	161
	Scorecard Management Reports	164
	Portfolio Performance Reports	177
	Review	187
	Bibliography	189
	Index	191
