Part I: FROM EMBALMER TO EGYPTOLOGIST 1

- | | |
|-------------------|----|
| 1. Mummification | 3 |
| 2. The Sepulchers | 15 |

Part II: THE MEDICAL EXAMINATION OF MUMMIES 23

- | | |
|---|----|
| 3. Which Royal Mummies Have Come Down to Us So Far? | 25 |
| 4. The Mummy of Tutankhamun: Destruction and Lost Opportunities | 30 |
| 5. The Camouflage of the Dismemberment of Tutankhamun's Mummy and the Problem of the Curse of Tutankhamun | 35 |
| 6. Data Observed at the Examination of Other Mummies | 54 |
| 7. The Decay and Deterioration of the Royal Mummies | 61 |

Part III: MODERN MEDICAL INVESTIGATIONS 67

- | | |
|-------------------------|-----|
| 8. Microscopic Research | 69 |
| 9. X-ray Examination | 82 |
| 10. Dental State | 100 |

CONTENTS

- 11. Endoscopic Examination 108
- 12. The Royal Mummies and the Problem of Their Cranial Lacunae 115

Part IV: THE PHARAOH AND MOSES 125

- 13. The Problem as It Stands: Existing Documents 127
- 14. The Exodus and Its Place in the Chronology of the Pharaohs 139
- 15. The Body of Merneptah, Pharaoh of the Exodus, and What Became of It 156

Part V: THE MUMMY OF RAMESSES II IN PARIS 161

- 16. Difficult Preliminaries 163
- 17. A Useful Decision 171
- 18. The Mummy at the Museum of Anthropology 178
- 19. Irradiation and Conservation 192
- 20. Initial Egyptian Reactions 198

Part VI: UNSOLVED PROBLEMS CONCERNING THE MUMMY OF RAMESSES II 203

- 21. The Mummy 210
- 22. The Display Case 215
- 23. The Absence of Air Conditioning 218
- 24. A Survey Carried Out Nine Years Later 221
- 25. Possible Resolutions Offered by the Getty Conservation Institute 226

Index 229

Photographs appear between pages 140 and 141.

Index

- abdomen, abdominal cavity, 4, 9, 62
 of Merneptah, 86–87, 157
 of Ramesses II, 9, 18, 112–114
 X-ray examination of, 91–94
 abscess, 60, 105
 Abu Simbel, temple of, x, 146
 Academy of Dental Surgery (Académie
 de Chirurgie Dentaire), 100, 173
 accidents and wounds, 57–59, 75, 98
 acne, 56
 age, determination of, 101–102, 103
 air conditioning, lack of, 197, 218–220,
 224
Akhbar El Yom, 198
 Akhenaten, 128
Al Ahrām, xiv–xv, 169–170, 171, 174,
 200, 228
 Alexandria Museum, 13
Al Musawwar, 208–209, 221
 Amenophis II, 17, 27, 28, 73, 135
 deterioration of, 63–64
 skin lesions of, 56–57, 142
