

CONTENTS

Addresses of the authors	VII
Preface: BURKHARD FRENZEL & LUDWIG REISCH	IX
Methodological approaches towards the problem of land clearance	
J. DONALD HUGHES: Forestry and forest economy in the Mediterranean region in the time of the Roman empire in the light of historical sources	1
The botanical record based on regional pollen diagrams	
CORNELIS R. JANSSEN: Palynological indications for the extent of the impact of man during Roman times in the western part of the Iberian peninsula	15
PILAR LÓPEZ: Forest, forest clearance and open land during the time of the Roman empire in Spain	23
ELISSAVETA D. BOZILOVA, SPASSIMIR B. TONKOV & TZVETANA N. POPOVA: Forest clearance, land use and human occupation during the Roman colonization in Bulgaria	37
RUTH DRESCHER-SCHNEIDER: Forest, forest clearance and open land during the time of the Roman empire in northern Italy (the botanical record)	45
SYTZE BOTTEMA: Forest, forest clearance and open land at the time of the Roman empire in Greece: the palynological record	59
The archaeological evidence based on regional survey and investigations	
MICHEL PONSICH: Ancient rural development on the lower Guadalquivir - landscape evolutionary change	73
GRAEME BARKER: "The busy countryside": archaeological field survey and rural settlement in Roman Italy	83
JOSEPH C. CARTER & LORENZO COSTANTINI: Settlement density, agriculture and the extent of productive land cleared from forest in the time of the Roman empire in Magna Graecia	101

MAURO CREMASCHI, MAURO MARCHETTI & CESARE RAVAZZI: Geomorphological evidence for land surfaces cleared from forest in the central Po plain (northern Italy) during the Roman period	119
JOHN BINTLIFF: Forest cover, agricultural intensity and population density in Roman imperial Boeotia, central Greece	133
Openings for further research activities	
HELMUT BENDER: Historical environmental research from the viewpoint of provincial Roman archaeology	145
JOHANNES KODER: Historical aspects of a recession of cultivated land at the end of the late antiquity in the east Mediterranean	157
Periodical title abbreviations	168
