

TABLE OF CONTENTS

Chapter 1 – Introduction	11
Chapter 2 – Institutional and legal framework.....	15
A. The prelude of the initiative.....	15
B. Speaking with a single voice on the energy front	17
1. Why it would make a difference	18
2. Emulating the example of the Common Commercial Policy	19
Chapter 3 – The pillars of the European Energy Union	27
A. Enhancing EU energy security.....	27
1. The EU and its Eastern and Southern neighbors.....	28
a. The Energy Community	28
b. The Euro-Mediterranean Energy Partnership	31
c. Concluding remarks.....	33
2. The Transatlantic Trade and Investment Partnership	35
a. The role of energy in the TTIP and its growing importance	37
b. Raw materials and natural resources in the TTIP	42
c. The US shale gas revolution.....	43
d. Problematic aspects related to the TTIP and the energy sector	48
e. Divestment campaigns in the energy sector.....	53
f. Conclusions	55
3. Caspian alternatives.....	55
a. Azerbaijan.....	55
b. Kazakhstan.....	57
c. Turkmenistan.....	58
d. Iran.....	59
4. Construction of alternative pipelines and energy routes.....	62
a. Rationale.....	62
b. The Southern Gas Corridor.....	63

i.	The Nabucco pipeline project	64
ii.	The Trans-Anatolian and Trans-Adriatic pipeline projects	65
iii.	The Trans-Caspian pipeline project	68
c.	Russian projects	69
i.	South Stream	69
ii.	Turkish Stream	70
B.	The finalization of the internal energy market	74
1.	Integration of energy markets between EU Member States	74
2.	EU energy-related financial support	81
C.	Improvement of energy efficiency	89
D.	The transition towards decarbonization	93
1.	A balance between decarbonization and industrial competitiveness	96
2.	The Paris Agreement on Climate Change	99
3.	Greenhouse gas emissions reduction	102
4.	The missing pieces	107
a.	The EU Emissions Trading System	107
i.	Achievements of the EU ETS	110
ii.	Possible Measures	112
b.	Inclusion of Aviation in the EU ETS	115
i.	Rationale: Too Little, Too Late	119
ii.	Legal and Political Reactions	120
iii.	Shortcomings	125
c.	The Shipping Industry	127
i.	Governance and Environment-related Remit and Action	127
ii.	Potential Expansion of the EU ETS to Shipping	130
E.	Technologies, research and innovation	132
Chapter 4 – The Energy Union and the Rule of Law		137
A.	Equality and non-discrimination	137
B.	Transparency	141
Chapter 5 – Conclusion		143

Appendices

Appendix 1 – Creation of an Energy Union	147
Appendix 2 – United Nations Framework Convention on Climate Change 1992	177
Appendix 3 – Kyoto Protocol 1998.....	211
Appendix 4 – Paris Agreement on Climate Change 2015.....	241
