List of Figures	v
Preface	ix
Introduction Lessons from the Past	1
Chapter 1 Designing Virtual Libraries for Human Beings	9
Chapter 2 Managing Virtual Library Projects	23
Chapter 3 Developing Policies for the Virtual Library	37
Chapter 4 Visualizing the Virtual Library	53
Chapter 5 Building Virtual Library Suites	69
Chapter 6 Selecting Virtual Resources	97
Chapter 7 Mounting the Virtual Library on the Web	107
Chapter 8 Maintaining the Virtual Library	129
Chapter 9 Enhancing the Virtual Library	147
Webliography	171
Index	179

INDEX

A

Acceptable use policies, 46–47
Access, 166
Administration. *See* Project management
Analog scanning, 102
Analysis. *See* Evaluation; Systems analysis
Animation, 131
Annotations, 101
AOL (America Online), 6–7
Apache Web server program, 113
Approximation-based management, 24
Archives. *See* Digital archives
Audience, 28
 Analysis, 73–74
 Communication with, 158–162
 Designing for, 12
Automation
 and design, 13
 Effect on management, 23
 Software, 107

B

Babies & Books, 85
Backgrounds, 133
Benchmarks, 30, 51
Bitmaps, 122
Blocking software, 42–45, 74
Broken link monitoring, 138
Browsers, 108–111
Business information, 94

C

Career information, 92–93
Cataloging web sites, 60–61
Category selection, 56–57

See also Organization
Censorship, 42–45, 74
CGI scripts, 31, 141, 151, 158, 160
Change management, 23–24
Children
 Privacy policies, 38, 50
 Use policies, 41–42, 48
 Web sites for, 50–51, 74–75, 79–82
Classification, 4, 59, 61–62, 163–165
 See also Dewey Decimal Classification
Clip art sources, 131
Code borrowing, 39
Collection development. *See* Web sites, selection
Color selection, 133
Columns, 16, 116–117
Commercial sites
 Use of library structure, 62
 Use of personalization software, 149
Communication Decency Act, 42
Community information, 75–76, 80, 92
Composition. *See* Design; Organization
Computer history, 1
Content, 28–29, 56–57
 Evaluation, 30
 Internally developed, 76, 101–102
 See also Web sites, selection
Content specialists, 98
Contracting. *See* Outsourcing
Cookie service, 138
Cookies, 50, 136–138, 141
Copyright, 39–40, 52, 112
Copyright Act of 1976, 39
CORC (Cooperative Online Resource Catalog), 60
Counters, 29, 136
“Cyber-Incunabulum,” 6

D

- Design, 9–21
 - Evaluation, 30
 - Good elements, 11
 - Guidelines, 10–13, 55
 - Poor elements, 9
 - See also* Organization
- Dewey Decimal Classification, 4, 64–66, 91, 120–121, 130, 135, 164
- dHTML, 127, 136, 141, 162–163, 166–168
- Digital archives, 39, 51, 76, 101–102, 104, 157
- Digital camera, 102
- Directory names, 129–131
- DOI (digital object identifiers), 60
- Downloading software, 75
- Dublin Core project, 154–155
- Dublin Protocols, 60
- Dynamic HTML. *See* dHTML

E

- E-mail use in obtaining feedback, 158
- EAD (electronic archival descriptors), 157
- Editing programs, 108, 112–115
- Electric Kids Page, 79–82
- Electronic reference services. *See* Reference services
- Electronic resource libraries, 63–64, 71, 139–142
- Electronic resource selection, 57
 - See also* Web sites, selection
- Enhancement, 30, 147–170
 - Case study, 163–170
- Ethical issues and policy setting, 40–41
- European Union policies, 26, 37
- Evaluation, 29, 30, 103–104
 - of external Web sites, 100–101
 - Quantitative, 136, 138–139
 - Use of surveys, 81, 94, 126–127
 - See also* Feedback
- Excite, 150–151, 163–165
- Explorer. *See* Internet Explorer
- Extensions, 129–130

F

- Fair use, 39–40, 52
- FASTCAT, 144
- Federal Trade Commission privacy policies, 37
- Fee-based resources, 71, 77, 141
- Feedback, 31, 103, 106, 158–162
 - See also* Evaluation
- Filemaker Pro, 166–168
- Files
 - Naming, 129–131
 - Organization, 130
- Filing cabinet model, 127–128
- Filtering, 42–45, 74
- Firewall, 29
- Flexibility, 23–24, 29
- Fonts, 131, 134
- Forms, 76, 158–160
- Frames, 117–119, 121
- Free Web sites
 - Linking to, 76, 139
 - Selection, 98–101
- Front Page, 113–114
- FTP, 143, 152
- Fusion, 113–114

G

- General Web libraries
 - Definition, x
 - Determining scope, 66
 - Organization, 125
- GIF images, 132
- GILS (government information locator system), 157–158
- Gopher, 152
- Graphics
 - Design, 66–67, 120–121
 - Formats, 132–133
 - Guidelines, 132–133
 - Naming, 133
 - Organization, 132
- GUI (graphical user interface), 33
- Guidelines, Web, Writing, 13–15
- Gutenberg, 2–3

H

- Headers, 115
- Help screens, 29, 124
- Hierarchical structures, 11, 55, 65
 - See also* Classification
- Home pages
 - Analysis and design, 15–18
 - Design (case study), 20–21
 - Functions, 15
 - Introductory information, 56–58, 77–78
 - Models, 16–18
 - Organization, 16, 18
- Host selection, 107
- HotMetal Pro, 113–114, 116, 118
- HTML, 5, 156
 - Limitations, 153
 - Programming in, 112–114
 - Scripting, 161
 - Standards, 108–109, 153–154
- HTTP, 152
- Hypermedia, 13, 153
- Hypertext, 102
 - Writing guidelines, 13–15

I

- Identification of institution, 15, 56
- Image maps, 122
- Images, 132–133
- Implementation, 29
- Indecent material, 43–44
- Index, alphabetical, 120–123
- Information literacy standards, 49
- Information suites, 58, 69, 76, 78
- Initiation phase, 25–28
- Interlibrary loan, 142
- Internet Explorer, 109, 111
 - Capabilities, 133, 134, 135, 149
- Internet history, 1
- Introductory information, 56–58, 77–78
- IP address verification, 141
- ISO 10166, 142
- ISPs, 107–108, 169
- Item-level cataloging, 59–61

J

- JAVA, 161, 132–133
- JavaScript, 161
- JPEG images, 132

K

- KidsClick!, 51

L

- Legacy services, 142–146
- Legal issues and policy setting, 40–41
 - See also* Copyright; Privacy
- Librarian's Page, 90–91
- Libraries
 - History, 4
 - Linking to other, 72, 142
 - Role, 6–7
- Link checkers, 138–139
- Listservs, 158
- Literacy, rise in 19th century, 4
- Logins, 141
- Lynx, 109

M

- Maintenance, 12, 29, 31, 97, 100, 129–146
 - Case study, 139–146
- Management. *See* Maintenance; Project management
- MARC, 60
- Metatags, 30, 120, 154–158, 163–165
- MHLS (Mid-Hudson Library System) case studies,
 - Enhancement, 163–170
 - Home page design, 20–21
 - Maintenance, 139–146
 - Mounting, 120–128
 - Organization, 63–67
 - Project management, 33–35
 - Team selection, 34–35
 - Web site selection, 78–96
- Microsoft Explorer. *See* Internet Explorer

- Microsoft vs. Netscape, 109
- Miller rule of seven, 12, 134
- Mirror sites, 30, 130–131
- Models
 - Filing cabinet, 127–128
 - Reference room, 124–128
 - Simple stacked, 17, 115
 - Split-screen, 18–20, 77–78, 117, 127
 - Virtual reference desk, 54
- Monitoring, 136–139
 - See also* Maintenance
- Mounting, 107–128
 - Case study, 120–128
 - Offline, 29
- Multimedia, 131–134

N

- Naming directories and files, 129–131
- Navigation, 11–12, 15, 16, 17, 56, 78
 - See also* Organization
- Navigator. *See* Netscape
- Net-Trak, 138
- NetFirst, 60, 98
- Netiquette, 48, 154
 - and copyright, 39–40
- Netscape, 109, 110
 - Capabilities, 133, 134, 135, 149
 - Organization, 61–62
 - versus Microsoft, 109
- Netterm, 145–146
- Non-HTML services, 142–146
- Non-profit sites, 62
- Northern Light, 62

O

- OCLC, 60, 154
- OCR (optical character recognition), 102
- Offline mounting, 29
- Online help, 29, 124
- Opening screens. *See* home pages
- Organization, 28, 53–67, 124–125, 129–130
 - Case study, 63–67
 - Models, 55–59

- See also* Classification; Design
- Outreach, 70
- Outsourcing, 13, 27, 29, 31–32, 88, 107–108, 169

P

- Palace rooms, 158
- Parental control software, 42–45, 74
- Parents page, 84
- Passwords, 141
- Patron profiles, 149
- Personalization software, 149
- Philmont Public Library, 104–105
- PICS, 45
- Pilot phase, 29–31, 97, 103–104
- Planning, 24–31
 - See also* Project management
- Policies
 - Development, 37–52
 - Establishment, 28
 - Legal and ethical, 26–27, 40–41
- Preservation, 51–52, 131
- Printing press, 2
- Privacy, 37–38, 50, 136
- Project definition, 25–26, 28
 - Case study, 33–34
- Project management, 10–11, 23–35, 102–103
 - Case study, 33–35
- Protocols. *See* Standards
- Prototyping, 27, 28–29, 97
- Pull-down menus, 134–135
- Push technology, 149

R

- Rating systems, 45
- Reading Web-based material, 5–6, 13–15
- Ready reference. *See* Reference services
- Recreational Software Advisory Council (RSAC), 45
- Reference room model, 124–128
- Reference services, 71–72, 76, 91, 158–162
