Index

The index includes:

Titles of plays. Sub-titles are excluded.

Names of playwrights. Australian plays are also listed under their authors.

Names of actors, managers and other persons. Characters in plays are not indexed, except for stock characters (e.g. Barlow, Billy) and characters based on real people (e.g. Kelly, Ned).

Names of theatres are listed under place (Australian only).

Places as settings for plays (Australian only).

Subjects. Index entries for dramatic form (e.g. bush comedy) and stock characters (e.g. villains) refer to discussion or analysis. The many examples of such types are not indexed.

References to illustrations are in italics.
