23.6 Possible reforms at the ECB	493	25.6 Summary	536
23.7 Summary	493	Key concepts in this chapter	537
Key concepts in this chapter	494	Questions and problems	537
Questions and problems	494	Further reading	538
Further reading	495		
24 Financial innovation	496	26 Financial market efficiency	539
24.1 Introduction	497	26.1 Introduction	540
24.2 Theories of innovation	497	26.2 The efficient market hypothesis	541
24.3 Three case studies	501	26.3 Implications of the EMH	543
24.4 The demand for money and monetary policy	508	26.4 Testing the EMH	547
24.5 Summary	513	26.5 Market rationality	550
Key concepts in this chapter	513	26.6 Behavioural finance	552
Questions and problems	514	26.7 Summary	555
Further reading	514	Key concepts in this chapter	555
		Questions and problems	556
		Further reading	556
25 The regulation of financial markets	516	Case Studies 1–8	557
25.1 Introduction	517	Glossary of terms	584
25.2 The difficulties of regulation	519	Answers to Exercises	590
25.3 Banking regulation	527	Index	594

Supporting resources

Visit www.pearsoned.co.uk/howells to find valuable online resources:

Companion Website for students

- Learning objectives for each chapter
- Multiple choice and written answer questions to help test your learning
- Links to relevant sites on the web
- An online glossary to explain key terms

For instructors

- Complete, downloadable Instructor's Manual
- PowerPoint slides that can be downloaded and used as OHTs

Also: The Companion Website provides the following features:

- Search tool to help locate specific items of content
- E-mail results and profile tools to send results of quizzes to instructors
- Online help and support to assist with website usage and troubleshooting

For more information please contact your local Pearson Education sales representative or visit www.pearsoned.co.uk/howells
