1.7 Managerial decision-making	20
1.8 Ethical managerial decision-making	23
1.9 Organisational culture	25
1.10 Ethics programme of organisation	27
2 RESEARCH METHODOLOGY	30
2.1 Research methods	33
2.2 Methods of research results analysis	40
2.3 Characteristics of research sample	41
2.4 Characteristics of business environment in Slovakia.....	50
3 RESEARCH RESULTS	60
3.1 Ethical leadership in Slovak business environment	60
3.1.1 Theoretical basis of ethical leadership	60
3.1.2 Ethical leadership in Slovakia – results analysis	65
3.1.3 Discussion on research results of ethical leadership in Slovakia	68
3.1.4 Summary of the most important research results of ethical leadership in Slovakia.....	69
3.1.5 Recommendations resulting from research results.....	70
3.2 Organisational factors influencing the development of ethical leadership	72
3.2.1 Theoretical basis of organisational factors influencing ethical leadership in organisation	72
3.2.2 Research results analysis of organisational factors enhancing ethical leadership development in organisation	75
3.2.2.1 Discussion on research results of organisational factors enhancing ethical leadership development in organisation.....	76

3.2.3	Summary of the most important research results of organizational factors enhancing ethical leadership development in organisation	81
3.2.4	Recommendations resulting from the most important research results of organisational factors enhancing the ethical leadership development in organisation	81
3.3	Causes and manifestations of unethical behaviour in Slovakia	83
3.3.1	Theoretical basis of unethical leadership	83
3.3.2	Research results of manifestations and causes of unethical leadership in Slovakia	92
3.4	Managerial decision-making in the context of business ethics	104
3.4.1	Theoretical basis of managerial decision-making	105
3.4.2	Managerial decision-making – analysis of research results	107
3.4.3	Discussion on research results of managerial decision-making in the context of business ethics	113
3.4.4	Summary of research results of managerial decision-making in the context of business ethics	118
3.4.5	Recommendations resulting from research results on ethics in managerial decision-making	119
3.5	Ethics programme of organisation	120
3.5.1	Theoretical basis of ethics programme of organisation	120
3.5.2	Analysis of research results of the most suitable ethics programme elements for fostering managerial ethical thinking	129
3.5.3	Discussion on research results of the most suitable ethics programme elements for fostering managerial ethical thinking	133
3.5.4	Summary of research results of the most suitable ethical programme elements for fostering managerial ethical thinking	138
3.5.5	Recommendations resulting from research results of the most suitable ethics programme elements for fostering managerial ethical thinking	139
3.6	Overview of basic research findings and recommendations	140

CONCLUSION	145
