

# TABLE OF CONTENTS

Explanation of the icons .....	7
<b>1 THE ROLE OF THE MIDWIFE IN COMMUNITY CARE .....</b>	<b>9</b>
<b>1.1 Community care in the birth assistance .....</b>	<b>10</b>
1.1.1 Communities's typology and their characteristic .....	10
1.1.2 Tasks for community care to keep and support the health of woman, the pregnant one, a newborn and family in the preventive care .....	12
1.1.3 Areas of community care of woman, mother and child .....	14
<b>Bibliography .....</b>	<b>15</b>
<b>1.2 Possibilities for cooperation in the community care .....</b>	<b>15</b>
1.2.1 Cooperation in the community care .....	15
<b>Bibliography .....</b>	<b>16</b>
<b>1.3 Risk factors affecting the health .....</b>	<b>17</b>
1.3.1 Definition of health and its determinants .....	17
1.3.2 Definition and division of risk factors affecting the health of woman, the pregnant, mother and newborn .....	19
1.3.3 Identification of risk factors within a community .....	20
1.3.4 Life-style factors assessment .....	21
<b>Bibliography .....</b>	<b>22</b>
<b>1.4 Risk factors in newborns .....</b>	<b>23</b>
<b>1.5 Sexual education and forming the attitude to the sexuality .....</b>	<b>24</b>
1.5.1 Education to the sexual health and planned parenting .....	25
1.5.2 Sexual life and its malfunctions .....	26
<b>Bibliography .....</b>	<b>27</b>
<b>1.6 Sexually transmitted diseases in the community .....</b>	<b>28</b>
1.6.1 Definition and characteristics of the sexually transmitted diseases, clinical manifestations and treatment options .....	28
1.6.2 Survey of sexually transmitted diseases .....	29
1.6.3 Sexually transmitted diseases primary prevention .....	30
1.6.4 Practical tasks of the midwife within the issues related with sexually transmitted diseases .....	30
<b>Bibliography .....</b>	<b>31</b>
<b>1.7 Maintaining the pregnant woman's health in physiological pregnancy         in the conditions of community .....</b>	<b>32</b>
1.7.1 Continuing assessment during pregnancy .....	32
1.7.2 Basic prenatal examinations of the pregnant woman in the community conditions .....	34
1.7.3 Possibilities to adjust the regimen and life-style of the pregnant woman in community conditions .....	37
<b>Bibliography .....</b>	<b>39</b>
<b>1.8 Legal and social advisory in pregnancy and after the childbirth .....</b>	<b>40</b>
1.8.1 Family policy of the State .....	40
1.8.2 Possibilities of social aid during pregnancy and after the childbirth .....	41
1.8.3 National legal regulations .....	41
<b>Bibliography .....</b>	<b>42</b>
<b>1.9 Care for newborns .....</b>	<b>42</b>
1.9.1 Hygienic care for a newborn in given conditions of a community .....	43
1.9.2 Nutrition of newborn .....	43
1.9.3 Pediatric care – vaccination and visits of baby clinics .....	43
<b>Bibliography .....</b>	<b>44</b>
<b>1.10 Nursing care of the woman in postpartum period in the community health care .....</b>	<b>45</b>
1.10.1 Characteristic nursing care of woman in postpartum period in the community .....	45
1.10.2 Assessment and management in the postpartum period .....	46

1.10.3 Homecare and education of woman in postpartum period .....	47
1.10.4 Nursing care planning and interventions .....	48
<b>Bibliography</b> .....	<b>55</b>
<b>1.11 Care provide to a woman with gynecological disease</b> .....	<b>55</b>
1.11.1 Evaluating a woman's sexual health and identification of health problems ...	56
1.11.2 Gynecological diseases prevention .....	56
1.11.3 Contraception and planned parenting by the adolescents in the community ...	57
1.11.4 Gynecology of infants and adolescents .....	57
1.11.5 Menopause .....	58
<b>Bibliography</b> .....	<b>58</b>
<b>1.12 Care provided to a woman after the gynecological surgery</b> .....	<b>59</b>
1.12.1 Pre-operation and post-operation period .....	59
1.12.2 Post-operation complications .....	59
1.12.3 Preventing post-operation complications .....	60
<b>Bibliography</b> .....	<b>61</b>
<b>2 BREASTFEEDING COUNSELLING</b> .....	<b>63</b>
<b>2.1 The effects of breast milk on mother and infant's health</b> .....	<b>64</b>
2.1.1 Anatomy of a mammary gland .....	64
2.1.2 Physiology of breastfeeding .....	64
2.1.3 The composition of breast milk .....	65
2.1.4 Physiology of digestive system .....	65
<b>2.2 The means for effective breastfeeding promotion</b> .....	<b>66</b>
2.2.1 Significance of breastfeeding, the factors affecting breastfeeding, psychology of breastfeeding .....	66
2.2.2 Education of midwives and the use of NANDA, NIC and NOC .....	67
2.2.3 Education of mothers .....	67
2.2.4 Breastfeeding and medicaments, addictive and foreign substances .....	68
2.2.5 Nutrition in breastfeeding mothers .....	68
2.2.6 Breastfeeding promotion and protection activities .....	68
<b>Bibliography</b> .....	<b>69</b>
<b>3 SPECIFIC ACTIVITIES OF THE MIDWIFE IN CARE OF THE FAMILY</b> .....	<b>71</b>
<b>3.1 Family's structure and functions in the time of changes</b> .....	<b>72</b>
<b>Bibliography</b> .....	<b>76</b>
<b>3.2 Biological and developmental factors</b> .....	<b>76</b>
3.2.1 Abortion/miscarriage/preterm labour .....	77
3.2.2 Infertility .....	77
3.2.3 Mental retardation .....	78
3.2.4 Elderly people .....	78
<b>Bibliography</b> .....	<b>79</b>
<b>3.3 Psychological and sexual factors</b> .....	<b>79</b>
3.3.1 Family/domestic violence (physical, emotional, sexual, neglect); spouse abuse; child abuse (including sexual abuse) and neglect; children exposed to partner violence; elder abuse .....	80

3.3.3 Sexual life and models of sexual upbringing within family .....	81
3.3.4 Postpartum psychiatric disturbances (depression, "maternity blues") .....	82
3.3.5 Lack of economic safety (unemployment, poverty) .....	82
<b>Bibliography</b> .....	<b>83</b>
<b>3.4 Midwife's role and challenges in the care of women in every life-stage</b> .....	<b>84</b>
3.4.1 Pediatric and adolescent gynecological problems .....	84
3.4.2 Sexual initiation .....	85
3.4.3 Contraception, family planning and sexual education .....	85
3.4.4 Pregnancy and child delivery .....	86

3.4.5	Puerperium .....	87
3.4.6	Gynecological cancers (screening, symptoms and treatment, prophylaxis programs) .....	87
3.4.7	Climacteric period (health, sexual and social problems, hormonal therapy) .....	88
3.4.8	Elderly care (urine incontinence, social and health problems) .....	88
	<b>Bibliography .....</b>	<b>89</b>
<b>3.5</b>	<b>Specific midwife interventions within care for woman and for pregnancy .....</b>	<b>90</b>
3.5.1	Preconception counselling .....	90
3.5.2	Midwife care of pregnant women .....	91
3.5.3	High-risk pregnancy .....	91
3.5.4	Childbirth psychoprophylaxis .....	92
3.5.5	Delivery school services .....	92
3.5.6	Obstetric risk assessment .....	93
3.5.7	Preparation for the childbirth .....	93
3.5.8	Family delivery .....	94
3.5.9	Cesarean section – medical and psychological consideration .....	94
	<b>Bibliography .....</b>	<b>95</b>
<b>3.6</b>	<b>Mother and newborn care .....</b>	<b>96</b>
3.6.1	Puerperium (physiology, pathology) .....	96
3.6.2	Specific aspects of maternal care .....	97
3.6.3	Lactation (proper nutrition of the mother, role of the father) .....	97
3.6.4	Sexual and health education for a new mother .....	97
3.6.5	Fertility return and contraception .....	98
3.6.6	Psychological problems of maternity .....	98
3.6.7	Father role in the maternity .....	99
3.6.8	Stress coping strategies, education and healthy life-style, behavior's promotion .....	99
3.6.9	Providing information about organizing parental support groups .....	100
	<b>Bibliography .....</b>	<b>101</b>
<b>4</b>	<b>ULTRASOUND DIAGNOSIS IN THE WORK OF A MIDWIFE .....</b>	<b>111</b>
<b>4.1</b>	<b>Principles and theories of ultrasound diagnosis .....</b>	<b>112</b>
4.1.1	Introduction to ultrasound diagnosis .....	112
4.1.2	Ultrasound .....	112
4.1.3	Principle of ultrasound generation .....	113
4.1.4	Types of imaging .....	113
4.1.5	Ultrasound probes .....	114
4.1.6	The 3D/4D imaging .....	114
4.1.7	Doppler examination .....	114
4.1.8	Archiving of ultrasound images .....	115
<b>4.2</b>	<b>Ultrasound examination in the first trimester of pregnancy .....</b>	<b>115</b>
4.2.1	Diagnosis of pregnancy .....	116
4.2.2	Pathologic development of pregnancy .....	116
4.2.3	Sonoembryology – normal development of pregnancy .....	117
4.2.4	Determination of gestational age .....	117
4.2.5	Screening for congenital fetal anomalies in the first trimester of pregnancy .....	118
4.2.6	Biochemical markers in the first trimester .....	119
4.2.7	Model for screening of chromosomal aberrations in the first trimester .....	119
4.2.8	Sonoembryology – diagnosis of developmental anomalies .....	120
4.2.9	Multiple pregnancies .....	120
<b>4.3</b>	<b>Screening ultrasound examination in the second trimester of pregnancy .....</b>	<b>121</b>
4.3.1	Timing and goals of the ultrasound examination during the second trimester of pregnancy .....	121
4.3.2	Verification of the number of fetuses and fetal vitality .....	121
4.3.3	Fetal biometry .....	122
4.3.4	Amount of amniotic fluid .....	122
4.3.5	Localization and structure of placenta .....	122
4.3.6	Ultrasound anatomy of the fetus .....	123

4.3.7	Ultrasound examination of twins .....	126
4.3.8	Conclusions of the ultrasound examination .....	127
4.3.9	Comprehensive conception of the prenatal diagnosis .....	127
<b>4.4</b>	<b>Ultrasound examination in the third trimester of pregnancy .....</b>	<b>129</b>
4.4.1	Ultrasound in the third trimester of pregnancy .....	129
4.4.2	Fetal lie, position and basic biometry .....	129
4.4.3	Fetal morphology .....	130
4.4.4	Growth proportionality and weight estimation .....	131
4.4.5	Amniotic fluid volume .....	132
4.4.6	Umbilical cord .....	133
4.4.7	Placenta .....	133
4.4.8	Multiple pregnancy .....	134
4.4.9	Cervicometry .....	135
<b>4.5</b>	<b>Ultrasound examination in gynecology .....</b>	<b>136</b>
4.5.1	Introduction to the ultrasound examination in gynecology .....	136
4.5.2	Uterus .....	136
4.5.3	Ovaries .....	137
4.5.4	The other organs in the lesser pelvis .....	138
4.5.5	Inflammatory changes of the gynecological organs in the lesser pelvis .....	139
4.5.6	Benign and malignant diseases of the uterus .....	140
4.5.7	Benign and malignant ovarian tumours .....	141
	<b>Bibliography .....</b>	<b>144</b>
