

Contents

INTRODUCTION.....	5
1 THE STATE OF THE ART.....	6
1.1 Fluctuations in semiconductors.....	6
1.1.1 Thermal noise.....	6
1.1.2 Shot noise.....	6
1.1.3 RTS noise.....	7
1.1.4 $1/f$ noise.....	7
1.2 Noise spectroscopy.....	8
2 AIMS OF THE DOCTORAL THESIS.....	9
3 MODELING.....	10
3.1 Contact modeling.....	10
3.2 Depleted region.....	13
4 MESURING RESULTS.....	14
4.1 Experimental equipment.....	14
4.2 The hole concentration, the hole mobility and the fermi level position.....	14
4.3 Relaxation time.....	17
5 NOISE.....	19
5.1 Noise measurements.....	19
5.2 Noise measuring results.....	19
5.3 Noise analysis.....	22
6 CONCLUSION.....	26
REFERENCES.....	28
