### Part Two

- 1 Libertarianism 29
- 2 Actions and events 32
- 3 'I could have done otherwise' 41
- 4 The will 48
- 5 Free will 53

### Author's Acknowledgements

I wish to thank Mr Geoffrey Warnock, Dr H. R. Parkinson and Professor A. J. O'Connor, and also my colleagues in the Arts Faculty—particularly Norman Colson, Professor Ferguson, Professor Vesey and Dr Haselting—for their helpful criticism of early drafts of these units.

Dr Haselting lent me *Free-will: Philosophical Problems*, Macmillan, 1972, which I have used freely.
