Introduction: Institutions, Ideas, and Actors 50

The Political-Economic Context 52

Policy-Making in the Liberal-Democratic Capitalist State 57

The International System and Public Policy 75

Policy Subsystems and Policy Regimes:

Integrating Institutions, Ideas, and Actors 81

Conclusion 87

Study Questions 88

Further Readings 88

Part II The Five Stages of the Policy Cycle 91**Chapter 4 Agenda-Setting 92**

The Objective Construction of Policy Problems:

The Role of Social Conditions and Structures 93

The Subjective Construction of Policy Problems:

The Role of Policy Actors and Paradigms 96

Combining Ideas, Actors, and Structures in Multi-Variable

Models of Agenda-Setting 99

Modes of Agenda-Setting 101

Linking Agenda-Setting Modes to Content:

Policy Windows and Policy Monopolies 103

Conclusion: Revisiting Agenda-Setting Modes through

a Policy Subsystem Lens 107

Study Questions 108

Further Readings 108

Chapter 5 Policy Formulation: Policy Instruments and Policy Design 110

What Is Policy Formulation? 110

The Phases of Policy Formulation 111

The General Content of Policy Formulation 112

The Substance of Policy Formulation: Policy Instruments 114

Common Policy Tools by Category 117

The Nature of Policy Alternatives 135

Conclusion: Understanding Policy Formulation Styles

as a Function of Policy Regimes 137

Study Questions 138

Further Readings 138

Chapter 6 Public Policy Decision-Making 139

Actors in the Decision-Making Process 140

Choices: Negative, Positive, and Non-Decisions 141

Early Models of Decision-Making: Rationalism
and Incrementalism 142

Efforts to Move beyond Rationalism and Incrementalism 149

Conclusion: Revisiting Public Policy

Decision-Making Modes 154

Study Questions 158

Further Readings 159

Chapter 7 Policy Implementation 160

Actors and Activities in Policy Implementation 160

Implementation Theory 163

Implementation as Policy Design:

Instrument Choices and Policy Mixes 168

Implementation Styles and Long-Term Instrument

Preferences 173

Conclusion: Subsystem Complexity and Issue Tractability as

Key Determinants of Implementation Success and Failure 175

Study Questions 177

Further Readings 177

Chapter 8 Policy Evaluation: Policy-Making as Learning 178

Positivist and Post-Positivist Policy Evaluation 178

Policy Evaluation as Policy Learning 179

Actors in the Policy Evaluation Process 183

Types of Policy Evaluation 185

The Outcomes of Policy Evaluation: Policy Feedback
and Policy Termination 191

Linking Policy Evaluation and Learning:

Evaluation Styles in Government 192

Conclusion: The Key Role of Evaluation and
Feedback in the Policy Cycle 195

Study Questions 195

Further Readings 196

Part III Long-Term Policy Dynamics 197**Chapter 9 Patterns of Policy Change 198**Outcomes of Policy Succession: Policy Feedback and
Policy Termination 199

Types of Policy Change: Normal and Atypical 202

Conclusion 209

Study Questions 210

Further Readings 211

Notes 212

Bibliography 216
