PREFACE ix

## **Part I**

### ***Perspectives on the Sociology of Health, Healing, and Illness***

#### **CHAPTER ONE**

A BRIEF INTRODUCTION TO THE SOCIOLOGY OF HEALTH, HEALING,  
AND ILLNESS 1

---

Definition of Medical Sociology 1

Historical Development of Medical Sociology 2

Sociology's Contribution to Understanding Health,  
Healing, and Illness 6

The Role of the Medical Sociologist in the  
Twenty-First Century 9

Summary 10

Health on the Internet 10

Key Concepts and Terms 10

Discussion Question 10

References 11

#### **CHAPTER TWO**

THE DEVELOPMENT OF SCIENTIFIC MEDICINE 12

---

A Brief History of Medicine 13

Early Humans 13

The Egyptian Civilization 14

Greek and Roman Societies 14

The Medieval Era 18

Medicine in the Renaissance 19

Medicine from 1600 to 1900 20

The Ascendancy of Medical Authority  
in America 23

Perspectives on the Ascendancy of Medical  
Authority 29

Summary 31

Health on the Internet 31

Key Concepts and Terms 32

Discussion Question 32

References 32

## **Part II**

### ***The Influence of the Social Environment on Health and Illness***

#### **CHAPTER THREE**

SOCIAL EPIDEMIOLOGY 34

---

The Work of the Epidemiologist 34

The Epidemiological Transition 36

Life Expectancy and Mortality 40

Infant Mortality 46

#### **iv Contents**

Maternal Mortality	50
Morbidity	50
Disability	55
Summary	56

Health on the Internet	56
Key Concepts and Terms	56
Discussion Case	57
References	57

#### **CHAPTER FOUR**

##### **SOCIETY, DISEASE, AND ILLNESS 60**

---

The Interrelationship of Fundamental Causes and Proximate Risk Factors: The Case of Developing Countries	62
The Influence of Genetic Transmission on Disease and Illness	63
Cardiovascular Diseases	65
Cancer	70
HIV/AIDS	74

Alzheimer's Disease	79
Mental Illness	81
Summary	84
Health on the Internet	85
Key Concepts and Terms	85
Discussion Case	85
References	86

#### **CHAPTER FIVE**

##### **SOCIAL STRESS 89**

---

Definition of Stress	89
Historical Development of the Stress Concept	90
A Model of Social Stress	91
Stressors	91
Appraisal of Stressors	97
Mediators of Stress: Coping and Social Support	97
Stress Outcomes	101

The Role of Social Class, Race, and Gender in Social Stress	102
Summary	107
Health on the Internet	108
Key Concepts and Terms	108
Discussion Case	108
References	109

### **Part III**

### **Health and Illness behavior**

#### **CHAPTER SIX**

##### **HEALTH BEHAVIOR 112**

---

The Concept of Health	112
Health Behavior	114
Describing Individual Health Behaviors	114
Explaining Health Behavior	120
Summary	127

Health on the Internet	127
Key Concepts and Terms	128
Discussion Cases	128
References	129

#### **CHAPTER SEVEN**

##### **EXPERIENCING ILLNESS AND DISABILITY 132**

---

Stages of Illness Experience	132
Stage 1: Symptom Experience	132
Stage 2: Assumption of the Sick Role; Illness as Deviance	135

Stage 3: Medical Care Contact/Self-Care	140
Stage 4: Dependent-Patient Role	148
Stage 5: Recovery and Rehabilitation	149

Experiencing Chronic Illness, Impairment, and Disability	149	Key Concepts and Terms	154
Summary	153	Discussion Question	154
Health on the Internet	154	References	155

## Part IV

### *Health Care Practitioners and Their Relationship with Patients*

#### CHAPTER EIGHT

##### PHYSICIANS AND THE PROFESSION OF MEDICINE 157

---

The Profession of Medicine	157	Summary	177
The Social Control of Medicine	163	Health on the Internet	178
The Number, Composition, and Distribution of Physicians in the United States	169	Key Concepts and Terms	178
Female Physicians	171	Discussion Case	178
Physician Satisfaction and Dissatisfaction	174	References	179
Physician Impairment: Stresses and Strains of the Physician Role	176		

#### CHAPTER NINE

##### MEDICAL EDUCATION AND THE SOCIALIZATION OF PHYSICIANS 182

---

The History of Medical Education	182	Future Directions in U.S. Medical Education	198
Modern Medical Education	184	Summary	199
The Medical School Experience: Attitude and Value Acquisition	192	Health on the Internet	199
The Medical School Experience: Stress	195	Key Concepts and Terms	199
The Medical School Experience: Career Choices	197	Discussion Case	200
		References	200

#### CHAPTER TEN

##### NURSES, MID-LEVEL HEALTH CARE PRACTITIONERS, AND ALLIED HEALTH WORKERS 203

---

Evolution of Nonphysician Health Care Practitioners	203	The Changing Environment among Health Care Workers	222
Nurses and the Field of Nursing	206	Summary	222
Mid-Level Health Care Practitioners	214	Health on the Internet	223
Allied Health Workers	217	Key Concepts and Terms	223
The Health Care Team	218	Discussion Question	223
Relationships among Health Care Workers	219	References	224

#### CHAPTER ELEVEN

##### COMPLEMENTARY AND ALTERNATIVE MEDICINE 226

---

The Meaning of Complementary and Alternative Medicine (CAM)	226	Scientific Medicine and Alternative Healing	227
		Complementary and Alternative Healers	228

## **vi Contents**

Chiropractic	232
Acupuncture	236
Spiritual Healing and Christian Science	239
Ethnic Folk Healing	244
Summary	248

Health on the Internet	248
Key Concepts and Terms	249
Discussion Case	249
References	249

## **CHAPTER TWELVE**

### **THE PHYSICIAN–PATIENT RELATIONSHIP: BACKGROUND AND MODELS 252**

---

Models of the Physician–Patient Relationship	252	Patient Satisfaction with Physicians	268
Key Dimensions of the Physician–Patient Relationship	254	Patient Compliance with Medical Regimens	270
The Influence of Social Class, Race, and Symptomology on the Physician–Patient Relationship	263	Summary	272
The Influence of Gender on the Physician–Patient Relationship	264	Health on the Internet	273
		Key Concepts and Terms	273
		Discussion Case	273
		References	274

## **CHAPTER THIRTEEN**

### **PROFESSIONAL AND ETHICAL OBLIGATIONS OF PHYSICIANS IN THE PHYSICIAN–PATIENT RELATIONSHIP 277**

---

Truth-telling as an Issue	277	Health on the Internet	291
Confidentiality as an Issue	281	Key Concepts and Terms	291
Obligation to Treat AIDS Patients	286	Discussion Cases	291
Summary	290	References	292

## **Part V**

### ***The Health Care System***

## **CHAPTER FOURTEEN**

### **THE HEALTH CARE SYSTEM OF THE UNITED STATES 295**

---

Rating the United States Health Care System	295	The Politics of Health Care Reform	314
The United States Health Care System	296	Summary	319
Health Care Expenditures	297	Health on the Internet	319
Explanations for Rapidly Increasing Health Care Costs	304	Key Concepts and Terms	320
America's Uninsured Population	307	Discussion Cases	320
Cost Containment: Limited Prospective Budgeting, Rationing, and Managed Care	309	References	320

**CHAPTER FIFTEEN****HEALTH CARE DELIVERY 323**

---

The Emergence of Freestanding Ambulatory Care  
Sites 323

The Flourishing of Managed Care Systems: HMOs  
and PPOs 327

Emergence of the Modern Hospital 332

Home Health Care 343

Summary 344

Health Care on the Internet 344

Key Concepts and Terms 344

Discussion Case 345

References 345

**CHAPTER SIXTEEN****THE SOCIAL IMPLICATIONS OF ADVANCED HEALTH CARE TECHNOLOGY 347**

---

Health Care Technology 348

The Right to Refuse or Demand Advanced Health  
Care Technology 353

Organ Donation and Transplantation 361

Assisted Procreation 365

Summary 370

Health on the Internet 370

Key Concepts and Terms 370

Discussion Case 371

References 371

**CHAPTER SEVENTEEN****COMPARATIVE HEALTH CARE SYSTEMS 373**

---

Major Influences on Health Care Systems 373

Health Care Services in Developing  
and Industrialized Countries 375

Types of Health Care Systems 375

China 377

Russia 380

Canada 383

Great Britain 388

Common Challenges to Health Care Systems  
Around the World 390

Summary 391

Health on the Internet 391

Key Concepts and Terms 391

Discussion Questions 392

References 392
