Preface	xi
Acknowledgments	xiii

PART I: Principles of Skin Care

Chapter 1. The Importance of Skin Type: The Baumann Skin Type System	1
Chapter 2. Basic Cosmetic Chemistry	5
Chapter 3. Organic Ingredient Labeling	8
Chapter 4. Cosmeceutical Marketing Claims	11
Chapter 5. Epidermis and Dermis	16

PART II: The Ingredients

Section A: Cleansing Agents **19**

Chapter 6. Overview of Cleansing Agents	19
---	----

Section B: Moisturizing Agents **21**

Chapter 7. Moisturizing Agents	21
Chapter 8. Occlusives	22
Chapter 9. Oils	23
Chapter 10. Argan Oil	25
Chapter 11. Borage Seed Oil	28
Chapter 12. Jojoba Oil	31
Chapter 13. Mineral Oil	34
Chapter 14. Olive Oil	37
Chapter 15. Safflower Oil	41
Chapter 16. Tamanu Oil	44
Chapter 17. Petrolatum	48
Chapter 18. Dimethicone and Silicones	51

Section C: Barrier Repair Ingredients **54**

Chapter 19. Barrier Repair Ingredients	54
Chapter 20. Ceramides	57
Chapter 21. Cholesterol	64
Chapter 22. Lanolin	68
Chapter 23. Stearic Acid	70
Chapter 24. Humectants	73
Chapter 25. Glycerin	74
Chapter 26. Hyaluronic Acid	77
Chapter 27. Vitamin B ₅ (Pantothenic Acid/Dexpanthenol)	81
Chapter 28. Urea	84
Chapter 29. Aquaporin	87
Chapter 30. Ajuga Turkestanica	88

Chapter 31. Natural Moisturizing Factor	91
Section D: Skin Lightening Agents	92
Chapter 32. Overview of the Pigmentation Process	92
Chapter 33. Overview of Melanin Production	93
Chapter 34. Aloesin	95
Chapter 35. Arbutin	97
Chapter 36. Hydroquinone	100
Chapter 37. Kojic Acid	105
Chapter 38. Emblica Extract	108
Chapter 39. Mulberry Extract	113
Chapter 40. Vitamin C (Ascorbic Acid)	117
Chapter 41. Cucumber	120
Chapter 42. Lignin Peroxidase	123
Chapter 43. Overview of the PAR-2 Receptor	125
Chapter 44. Niacinamide	126
Chapter 45. Soy	129
Section E: Antioxidants	135
Chapter 46. Antioxidants	135
Chapter 47. Green Tea	137
Chapter 48. Rosa Damascena	145
Chapter 49. Pycnogenol	148
Chapter 50. Resveratrol	152
Chapter 51. Flaxseed Oil	160
Chapter 52. Phloretin	163
Chapter 53. Caffeic Acid	166
Chapter 54. Ferulic Acid	171
Section F: Vitamins	176
Chapter 55. Ascorbic Acid (Vitamin C)	176
Chapter 56. Tocopherol (Vitamin E)	182
Section G: Other Ingredients	188
Chapter 57. Coenzyme Q ₁₀	188
Chapter 58. Coffeeberry	194
Chapter 59. Ginger	198
Chapter 60. Honey/Propolis/Royal Jelly	203
Chapter 61. Idebenone	213
Chapter 62. Melatonin	217
Chapter 63. Peppermint	223
Section H: Anti-Inflammatory Agents	227
Chapter 64. Anti-Inflammatory Agents	227
Chapter 65. Aloe Vera	229
Chapter 66. Feverfew	238
Chapter 67. Licorice Extract	244
Chapter 68. Colloidal Oatmeal	253
Chapter 69. Turmeric	257
Chapter 70. Chamomile	265
Chapter 71. Calendula	271

Chapter 72. Edelweiss	276
Chapter 73. Lavandula	279
Chapter 74. Horse Chestnut	284
Section I: Antiacne Ingredients	288
Chapter 75. Overview of Acne	288
Chapter 76. Benzoyl Peroxide	292
Chapter 77. Tea Tree Oil	297
Chapter 78. Salicylic Acid	301
Chapter 79. Retinol, Retinyl Esters, and Retinoic Acid	306
Chapter 80. Silver	311
Section J: Antiaging Ingredients	317
Chapter 81. Overview of Aging	317
Chapter 82. Hydroxy Acids	322
Chapter 83. Retinoids (Retinol)	328
Index	335
