List of Appendices	xv
Preface	xvii
Part I: Introductory Statement	1
General Orientation	1
Orientation of the Monograph	1
Orientation of the Research	4
The Field Situation and Techniques of	
Gathering Data	5
Selection of the Valley and Initial Contact	5
The Method	7
Initial Inquiry	7
Genealogies	7
Formal lectures and literature	7
Detailed maps and farm registers	7
Research in Nonbehavioral Part of Culture	8
Informants	8
Records and literature	8
Research in Behavioral Culture	9
A Short History of Obernberg	10
Early historical notes on the valley	10
The dawn of Obernberg's	
history—Padrins	11
Settlement of the valley	11
Mining of minerals	11
A brief history of the Obernberg	
church and parish	11
Sociopolitical and economic	
history of the modern era	11
Demography	15
Population Growth of Tirol, Wipptal,	
and Obernberg	15
Introduction	15
Population increase prior to 1780	15
Some factors affecting population	
change	15

Population change in the last	
two hundred years	16
Fertility	17
Population of Obernberg in 1967	17
Identification of residents of	
Obernberg	17
Age composition	17
Sex ratio	18
Fertility in Obernberg	19
Marital Status	21
Population Mobility	22
Impermanent mobility	22
Immigration and emigration	22
Marital change of residence	23
<i>Landesflucht</i> —immigration to the cities	24
The Community of Obernberg	25
Obernberg—A Brief Historical Survey	25
General topography	25
A short history	25
The concept of <i>Gemeinde</i> —the Community	27
<i>Gemeindegebiet</i> —community territory	27
Types of communities	27
Responsibilities of the community	27
Community Administration	28
<i>Gemeinderat</i> —Community council	28
<i>Gemeindevorstand</i> —Community	
ruling body	28
<i>Bürgermeister</i> —The mayor	28
<i>Gemeindeamt</i> —Community office	29
<i>Gemeindeversammlung</i> —Community	
plenary meeting	29
<i>Gemeinderatsitzungen</i> —Community	
council meetings	29
<i>Gemeindegewirtschaft</i> —The Community	
Economy	30
Sources of income	30
<i>Haushaltplan</i> —the budget	30
<i>Jahresrechnung</i> —the year's account	30
<i>Aufsichtsbehörde</i> —Supervision of	
the community economy and	
administration	31

Deficit	31	Derived from the provisions of the Civil Legal Code	68
Obernberg Community Economy in 1967	31	Derived from bureaucratic procedure	68
Categories of the Obernberg accounting system	31	Land Exchange in Obernberg	69
Substantive divisions of the <i>ordentlicher Haushalt</i>	31	General Survey	69
Subdivisions by source of income and types of expense: the <i>ordentlicher Haushalt</i>	34	Intestate Inheritance	70
		Classes of inherited property	70
		Analysis in terms of contrasting legal correlates	72
		Sale of Land	77
Part II: Plant Husbandry	37	Contractual Transfer of Land— <i>Übergabsvertrag</i>	78
Introduction	37	Settlement between Co-owners	79
Natural Environment	39	Testament	80
Edaphic Environment	39	Combination of Land Ownership Titles	81
Topography	39	Gift	81
Geology	43	Foreclosure and Bankruptcy	82
Soils	45	Barter, Incorporation, and Usucapio	82
Climate	46	Titles to Ownership of Land Parcels— <i>walzende Parzellen</i>	83
Winds	46	Change of Ownership in 1967	84
Temperature	46	Conclusion	84
Rain	47	Agriculture	88
Snow	48	Introduction	88
Biotic Environment: Vegetation and Ecological Zones	49	Grass, the Staple Crop of Obernberg	88
Swamps	49	The role of grass in Tirolean economy	88
Arable land	49	Grass as fodder for cattle	89
Woods	50	Types of grasslands	90
Mountain meadows	50	Grasslands of Obernberg	91
Mountain pastures	51	Crop Rotation and Grassland	91
Wasteland	51	General considerations	91
Miscellaneous	51	Ideal and oversimplified statements	92
Land Tenure	52	Agronomist's concept	92
History and Settlement	52	Obernberg's crop rotation—actual practice	93
Prehistory and the Roman occupation	52	Locus of crop rotation	93
Early Middle Ages	54	The Agricultural Calendar	95
Feudalism in Central Europe	56	Manure	95
Tirolean Feudalism	58	Plowing	97
The Modern Era	59	Levelling	99
The Concept of <i>geschlossener Hof</i>	60	<i>Sanen</i> —sowing	99
Economic Rights of Land Tenure	62	Various crops	99
Private ownership of <i>geschlossener Hof</i>	62	Grassfields care	100
Private ownership in <i>nicht geschlossenes Gut</i>	62	Potato planting	101
Legal types of real estate of Obernberg	62	Artificial fertilizer	101
Extent and Limitations of the Ownership		Gardening	101
Rights in a <i>Hof</i>	64	Meadow care	101
Derived from legal rules of the <i>Höfegesetz</i>	64	Weeding	102
Derived from servitudes (easements)	65	Road and drainage repair	102
Derived from the hunting law	66	Lumbering	102
Derived from contracts	66	Haymaking	103
Derived from testament or intestate inheritance	68	Storing of hay	105
		Haymaking and lifestyle	108
		Second cut	109

Harvesting grains and potatoes	109	The Hay Meadows	150
Earth hauling	111	<i>Mähder</i> —Mountain hay meadows	150
Field grazing	111	Topography of <i>Mähder</i>	150
Plowing	111	Types of <i>Mähder</i>	151
Fertilizing	111	Importance of access	152
Hauling of hay	111	Productivity and importance	
Threshing	111	of <i>Bergmähder</i>	152
Hauling of lumber and firewood	114	Decline of the mountain meadow	
Summary	114	economy	153
Labor	114		
Attitudes toward work	114	Part III: Woods and Game	157
Division and specialization of labor	114	Forest Economy	157
Work patterns	115	Introduction: Forests of the Northern	
The unit of production	116	Wipptal Region	157
Hired labor: permanent and		General significance	157
temporary	116	A partial history of forestry	157
Occasional outside help	120	Ownership of woods in Wipptal	157
<i>Robot</i> —Communal labor	120	The Woods of Obernberg	158
Management of work and farm	121	Area, types of forest, and their	
Restrictions on agricultural work	123	topography	158
Temporal aspect of agriculture	123	Historical note	159
Mechanization of labor	131	Ownership of woods in Wipptal	159
Fields and Crops of Obernberg	132	<i>Eingeforstet</i>	160
General statement	132	Forest Administration	160
The Obernberg cadaster and		The District Administration	
its subdivisions	132	Authority	160
Obernberg wards and their fields	134	The local community authority	161
The two agricultural methods		<i>Waldaufseher</i> —the forester	161
of Obernberg	134	Logging	162
Field crops of Obernberg in 1967	136	Cutting of timber	162
Average size and variability of plots	136	<i>Holztreiben</i> —Bringing in the lumber	162
Farm land fragmentation	138	Bark and branches	162
Size and structure of Obernberg		Sawmills	163
farms	140	Recent Environmental Pollution and	
Relationship of Areas Cultivated and		Corrective Measures	163
Certain Socioeconomic Factors	141	Pollution by deliberate action—salt	163
Introductory statement	141	Involuntary pollution by car	
Cultivation and household		emissions	163
demography	143	Reforestation as a partial remedy	163
Cultivation and animal production	143	The Sale of Lumber	164
Cultivation and availability of		Selling lumber from public and	
arable land	143	private forests	164
Cultivation and nonfarming		A decade of Obernberg lumber	
sources of income	143	business	164
Cultivation and characteristics		Hunting	165
of the farmer	144	Introduction	165
Economic Role of Land Title	144	The main features of hunting in Tirol	165
Title to land and type of crop	144	<i>Jagdrevier</i> —the hunting district	166
Title to land the type of land	145	Public control of hunting	166
Title to land and its location	145	Obernberg's Game Animals	166
Yields of Obernberg Crops	145	Fully protected animals	166
Summary of yields in 1967	145	Game animals	166
Adequacy of agricultural production	147	<i>Rauwild</i> —unprotected animals	167
Conclusion	148	Hunting Weapons	168

Organization of the Hunt	168	Milking and milk processing	183
The right to hunt	168	Marketing of Milk and Milk Products	184
<i>Jagdgebiet</i> —the hunting territory	168	Tirolean milk economy	184
<i>Jagdgenossenschaft</i> —the hunting association	169	Milk sales in Obernberg	185
<i>Jagdausschuss</i> —the hunting committee	169	Milk economy of Obernberg	185
<i>Jagdpachtvertrag</i> —lease of the hunt	170	The Feeding and Maintenance of Cattle	187
<i>Jagdkarte</i> —the hunting license	170	Nutrients of fodder	187
Game Protection and Regulation		Fodder amounts/types in relation to weight/production	188
of Hunting	170	Feeding Plan	188
<i>Berufsjäger, Jagdaufseher</i> —professional hunter and game warden	170	Fodder Conservation	189
<i>Abschussplan</i> —the hunting plan	170	The importance of conserving fodder	189
Prohibited hunting practices	170	The problem of loss of nutrients	189
<i>Tiroler Jägerverband</i> —Tirolean Hunters' Association	171	Methods to preserve fodder	189
<i>Vollversammlung</i> —the general assembly	171	Feeding of cattle in Obernberg	191
<i>Vorstand</i> —the ruling body	171	1967: fodder consumed and labor expended on cattle	193
Public Offices of Hunt Control	171	Maintenance of Cattle on the Farm	194
<i>Landesjagdbeirat</i> —Regional Hunting Advisory Board	171	The cowshed	194
<i>Bezirksjagdbeirat</i> —District Hunting Advisory Board	172	<i>Auslauf</i> —the barnyard	195
<i>Bezirksverwaltungsbehörde</i> —district administration	172	Health care	196
<i>Landesregierung</i> —regional government	172	Maintenance in summer	199
The Economics of Hunting	172	<i>Weidegang</i> —grazing	199
The economic significance of hunting in Tirol	172	Preparation for summer grazing	199
The economics of hunting in Obernberg	172	<i>Kälbergarten</i> —the calves' garden	200
		<i>Heimweide</i> —home pasture	200
Part IV: Animal Husbandry	175	Alpung and Almen	201
Cattle Husbandry	175	<i>Alpung</i> —seasonal grazing	201
Introduction	175	General significance	201
Tirolean Cattle: Breeding and Production	176	Pasture and its requirements	202
Breeds	176	Grazing plan	204
The <i>Braunvieh</i> breed of Obernberg cattle	176	<i>Almen</i> : Their function and structure	204
Education and Cattle Husbandry	176	Alm as an economic and legal institution	204
Cattle-Breeding Association	177	Physical aspects of Almen	206
Public breeding associations	177	The Alm workers	208
Private breeding associations	178	Alm livestock and the grazing season	208
Obernberg's cattle-breeding associations	178	Work on the Alm	210
Tirol's cattle-breeding union and its functions	181	Products of the Almen	210
<i>Herdebuchaufnahme</i> —Registration of breeding cows	181	The Almen of Obernberg	211
Milk Production	182	Leitnerjoch Alpe	211
<i>Milchkontrollverband</i>	182	Thalernachbarschaft Alm	214
		Agrargemeinschaft Padrinsalpe	221
		Villfrader Alm (Frader Alm)	228
		Grazing rights of Obernberg farmers on Almen outside Obernberg	230
		Conclusion	231
		Cattle Trade	237
		The Marketing of Cattle	237
		Introduction	237
		Marketing of bulls	237
		<i>Versteigerung</i>	238
		Marketing of breeding cows	239
		Holdings and Trading of Cattle	240

The cattle-breeding <i>Höfe</i> of Tirol	240	Trade	258
Prices for registered, unregistered, and slaughtered cows	240	Goat milk	258
Export of cattle from Tirol	240	Slaughter and sales	258
Cattle trade of Obernberg	241	Chickens	259
Factors influencing cattle production	241	The Breeding of Chickens	259
Conclusion	242	The breed	259
Less Important Animals	246	Raising chickens in Obernberg	259
Pigs	246	The Obernberg Chicken Trade	260
Introduction	246	The chicken population	260
Pig Breeding and Obernberg Pigs	247	Egg sales and consumption	260
Pig breeding policies	247	Sale and consumption of hens	260
The Obernberg pig-breeding stock	248	Feeding expenses and net income	261
Formal aspects of pig breeding	248	Other Domesticated Animals	262
A pig-breeder's venture in Obernberg	249	Conclusion	263
Feeding of Pigs	249	Part V: Nonfarm Income and Expenditures	269
Fodder requirements and composition	249	Taxes	269
Pig feeding in Obernberg	250	General Overview	269
Maintaining Pigs	251	Types of taxes and their determination	269
Pig pens and outings	251	Local Taxes	269
Breeding of sows	251	<i>Grundsteuer</i> —real estate tax	269
Production and Sales of Pigs	252	<i>Lohnsummensteuer</i> —wage tax	270
In Austria	252	<i>Getränkesteuer</i> —beverage tax	270
In Obernberg	252	<i>Wassersteuer</i> —water tax	270
Horses		<i>Stierbeitrag</i> —bull service fee	270
Breeding of Horses	254	<i>Vergnügungssteuer</i> —entertainment tax	271
A historical perspective	254	<i>Hundessteuer</i> —dog tax	271
Horse breeding in Tirol	254	<i>Frendenabgabe</i> —tourist lodging tax	271
Keeping horses at Obernberg	255	Provincial and Federal Taxes	271
The Horse Trade	255	<i>Einkommensteuer</i> —income tax	271
In 1967 Austria	255	<i>Umsatzsteuer</i> —sales tax	271
Obernberg horse trade	255	<i>Gewerbesteuer</i> —business tax	271
Sheep	256	<i>Erbschaftssteuer</i> —inheritance tax	272
History	256	<i>Grunderwerbsteuer</i> —tax on purchase of real estate	272
General importance of sheep in Austria and Tirol	256	<i>Lohnsteuer</i> —wage tax	272
History of Obernberg sheep breeding	256	<i>Biersteuer</i> —beer tax	272
Sheep Husbandry	256	<i>Kammerumlage</i> —farmers' federal tax	272
Breeding of sheep in Tirol	256	<i>Kirchensteuer</i> —church tax	272
Keeping sheep in Obernberg	256	Insurance and Subsidies	273
Sales	257	Obligatory Types of Farm Insurance	273
Sales of sheep	257	<i>Zuschussrentenversicherung</i> or <i>Bauernrente</i> — farmers' retirement policy	273
Sales of wool	257	<i>Bauernkrankenkassa</i> —farmers' health insurance	273
Goats	257	<i>Landwirtschaftliche Unfallversicherung</i> — farmers' accident insurance	274
History	257	<i>Landwirtschaftliche Krankenkassa</i> — agriculture health insurance	274
Breeding of Goats	258	<i>Tierseuchenbeiträge</i> —animal epidemics insurance	274
The local breed	258	<i>Kinderbeihilfe</i> —child subsidy	275
Rearing and feeding of goats in Obernberg	258	Nonobligatory Farm Insurances and Nonfarm Insurance	275
Herding of goats	258		

<i>Privatkrankenversicherung</i> —private health insurance	275	<i>Kinderbeihilfe</i> —child support subsidy	290
<i>Brandschadenversicherung</i> —fire insurance	275	Summary	290
<i>Haftpflichtversicherung</i> —liability insurance	275	Part VI: Consumption and Finance	293
<i>Lebensversicherung</i> —life insurance	275	Consumption	293
<i>Gebietskrankenkassa</i> or <i>Arbeiterkrankenversicherung</i> —nonfarm employee health insurance	276	Scope of the inquiry	293
<i>Invalidenrent</i> —disabled payment	276	Food	293
