The author and series editors	vii
Introduction	viii
Section One: Teaching and learning as social activities	1
1 What is a role?	3
1.1 Defining social roles	3
1.2 Role sets and role networks	6
1.3 Some problems associated with role	9
1.4 Teachers and learners	10
2 Factors influencing teacher and learner roles	11
2.1 Interpersonal factors	12
2.2 Task-related factors	33
2.3 Group processes	36
2.4 Topics	40
2.5 Teacher and learner roles: summary	45
Section Two: Teacher and learner roles in the classroom	49
3 Teaching tasks and teaching strategies	51
3.1 Teaching style	52
3.2 Instructional tasks and instructional strategies	69
3.3 Instructional materials and resources	75
4 Language learning tasks and activities	101
4.1 Learning groups and learning activities	101
4.2 The individual learner	117
4.3 Classroom processes: summary	124

	Section Three: Investigating teacher and learner roles	125
5	Some investigations	127
6	Setting up your own investigations	148
6.1	Finding a topic to investigate	148
6.2	Making a start	151
6.3	Collecting data: summary of methods	152
6.4	Interpreting your results	152
	Glossary	157
	Further reading	159
	Bibliography	161
	Index	165

Index

Entries relate to Sections One, Two, and Three of the text, and to the glossary. References to the glossary are indicated by 'g' after the page number.

- achieving personality 26
- activities *see* learning activities; social activities
- actors, social 3
- Adelman, C. 41–2
- affective 157g
- affective aspect of task 34, 35–6
- affective involvement, learners' 135–6
- affiliative personality 26
- aggressive personality 26
- alienation, social distance 19
- anxiety (social)/poise axis 27
- Argyle, M. 32
- attitudes
 - influence on choice of teaching materials 76–100
 - influence on role 21–5, 28–9, 31, 45
 - influence on teaching style 62–8
- audio tape, interpretation of data 152–3
- authoritarian personality 26
- Barnes, D. 62–3
- beliefs
 - influence on choice of teaching materials 76–100
 - influence on role 21–5, 28–9, 30, 45
 - influence on teaching style 62–8
- 'black and white' stage 24, 118
- books, teachers' 144
- circle, communication pattern 39
- classroom
 - 'climate' 104, 127–9
 - events, recording 130–1
 - layout 58–60
 - organization modes, effects 132–3
 - processes 49–124
 - 'climate of the classroom' 104, 127–9
- closed activities 104–12
- closed task 157g
- coercive power 17, 18, 157g
- cognitive aspect of task 34, 35–6
- cognitive development, learners' 118–19
- cohesiveness, in group 112
- 'commitment' stage 24, 118
- communication patterns 38–40, 112–16
- conflict *see* role conflict
- conformist personality 26
- content-oriented 157g
- content topics (knowledge) 41–4
- control, by teachers 54–7
- convention(s) 41, 157g
- Cook's Tour, management of knowledge 42
- co-operative personality 26
- co-operative tasks 36
- correction, in informal talk 114
- cultural factors *see* beliefs
- 'culture shock', social distance 19
- data
 - collection 152
 - interpretation 152–5
- developmental stages, learners 24–5, 118–19
- discipline 54–7
- distance *see* social distance
- dominance/submission axis 27
- dominant behaviour 26

- duties 15–16
- elicitation 70
- enabling function 52
- enquiry-centred learning 72–4
- enthusiast, type of individual learner 117
- error correction, in informal talk 114
- evaluation 71
- expectations *see* role expectations
- extroversion/introversion axis 27
- feeling *see* affective
- focusing, management of knowledge 41–2
- formal v. informal communication patterns 114–16
- formal v. informal social groupings 19
- forming, group process 36, 40
- freewheeling, management of knowledge 42
- friendship, in group 112
- goals 32–3, 46, 76, 88, 120
- groups 101–16
 - cohesiveness and friendship 112
 - communication patterns 38–40, 112–13
 - organization 57–60
 - processes 36–40, 44–5
 - social 19
 - tasks 46
 - working patterns 129–30
- hierarchy of personal needs 29
- individual learners 117–23
- informal v. formal communication patterns 114–16
- informal v. formal social groupings 19
- information, in teaching materials 77–9
- inquiry-centred learning 72–4
- instruction 157g
- instructional function 52
- instructional materials *see* teaching materials
- instructional modes 69–71
- instructional strategies 69–74
- instructional style *see* teaching style
- instructional tasks 69–74
- instrumental motivation 30–1, 157g
- instrumental tasks 34
- integrative motivation 30–1, 157g
- interactivity 34, 157g
- interlocking roles 44–5
- interpersonal factors 7, 12–33, 45–6
- interpersonality 34, 157g
- interpersonal tasks 34
- interpretation
 - of results 152–5
 - of role 45
- interpretation teachers v. transmission teachers 62–8
- interviews, interpretation of data 152–3
- introversion/extroversion axis 27
- investigation of teacher and learner roles 125–55
- jokes, goals 33
- knowledge 41–4
- layout, classroom 58–60
- learning activities 101–24
 - relationship with learner style 140–1
- learning groups *see* groups
- learning materials 120–3, 143–4
- learning objectives 141–2
- learning strategies 119–23, 138–40, 157g
- learning style(s) 119–23, 140–1, 157g
- learning tasks and activities 101–24
