Introduction to Fontana Linguistics 7

Preface 9

Part 1 Introduction

- 1. Setting the Scene**
Introductory comments 13

Part 2 Words and Phrases

- 2. Working with Words**
Words as meaningful units 39
- 3. Dealing with Definitions**
The difficulty of defining words 56
- 4. Webs of Words**
The formalization of lexical structure 75

Part 3 Sentences

- 5. Making Sense with Sentences**
Distinguishing meaningful from meaningless sentences 101
- 6. Logical Links**
Sentence-meaning and propositional content 119
- 7. Man-made Models**
The formalization of sentence-meaning 142

Part 4 Beyond the Sentence: Utterances and Texts

- 8. Words and Deeds**
The theory of speech acts 171
- 9. Understanding Utterances**
Text and context 195
- 10. Worlds within Worlds**
The subjectivity of utterance 220
