List of Exhibits xix

1. Developmental Evaluation Defined and Positioned 1

The Distinction Emerges 2
Facing Complexity and Facing Reality: Or, Facing the Realities of Complexity 4
Developmental Evaluation and Complexity Theory 7
Developmental Evaluation and Single-Loop versus Double-Loop Learning 11
The Importance of Interpretive Frameworks 12
Developmental Evaluation as Utilization-Focused 13
Charting the Developmental Journey: Overview of the Book 17
Five Developmental Evaluation Purposes and Uses 21

2. Developmental Evaluation as a Distinct Purpose and Niche 28

Beyond Planning: Jumping into the Fire 29
Evaluation Questions under Different Engagement Scenarios 30
Vision Encounters Reality: The Territory of Developmental Evaluation 30
Systems Issues: Boundary Management as a Developmental Evaluation Focus 34
Developing Innovations versus Improving and Testing Models: Developmental Evaluation Distinguished from Formative and Summative Evaluation 36
Ongoing Development Informed by Developmental Evaluation 41
Strategic Thinking and Developmental Evaluation 42
The Niche of Developmental Evaluation: Chapter Overview and Summary 51

3. Thinking Outside Evaluation's Boxes 53

Creative Evaluation 53
Of Plums and Prunes 54
History and Biography as Context: The Personal Factor 55
More History and Biography as Context 58
Fundamental Principles 59
Developmental Evaluation in Context 60
External Evaluators and Developmental Evaluation 64
Ten Key Points about Developmental Evaluation Illustrated by the Caribbean Example 75

4. Situation Recognition and Responsiveness: Distinguishing Simple, Complicated, and Complex 80

Detecting Patterns 80
Detecting Complexity as a Distinct Pattern and Territory for Inquiry 81
The Challenges of Situation Recognition 84
A Situation Recognition Heuristic: Distinguishing Simple, Complicated, and Complex 84
Situational Evaluation: Implications for Practice 97
Variations on a Theme: The *Cynefin* Framework 106

5. Systems Thinking and Complexity Concepts for Developmental Evaluation 111

From Train Brakeman to Locomotive Engineer to Evaluation Champion 112
Project SleepBetter 115
Systems Thinking 117
Complexities of Complexity 122
Useful Complexity Constructs for Developmental Evaluation 124
Complexity-Sensitizing Concepts 146

6. How the World Is Changed: A Dialectic with Thesis and Antithesis and Developmental Evaluation as the Synthesis 152

Competing Perspectives on How the World Is Changed 153
The Top-Down Approach 155
Adaptation versus Replication: Principles for Developmental Evaluation 160
Best Practices versus Effective Principles 167
From the Grass Roots to the Adaptive Middle 167
Alternative Approaches to Change 176
Developmental Evaluation: The Action in the Muddled Middle 177
Looking Back and Looking Forward 184

Appendix 6.1. Positioning and Contrasting Developmental Evaluation with Other Evaluation Approaches 187

7. The Adaptive Cycle and Developmental Evaluation 189

Some Context for Understanding the Adaptive Cycle: Poetry, Ecology, Sociology, Business, and Evaluation 190
The Complexity Doorframe Redux 193
Five Developmental Evaluation Purposes and Uses 194
Resilience and Developmental Evaluation 196

A Strategic Approach to Resilience: *Engineering Resilience* versus *Ecosystem Resilience* 198
The Adaptive Cycle 202
The Adaptive Cycle and Psychosocial Regimes 204
Evaluation and the Adaptive Cycle 206
Through the Looking Glass of the Adaptive Cycle: Examples of Organizational and Program Cycles 210
Transitions and Traps 212
Taking an Innovation to Scale: Challenges and Traps in Cross-Scale Change 218
Panarchy: Cross-Scale Interactions 220
Panarchy-Informed Evaluation: The Fact of a Doorframe 225

8. Developmental Evaluation Inquiry Frameworks 227

Frameworks for Developmental Evaluation Inquiry 228
Developmental Evaluation Inquiry Frameworks: Ten and Counting . . . 261

9. Developmental Evaluation *Bricolage*: Reflective Practice, Sensitizing Concepts, Action Research, Abduction, Systems Change, and Retrospective Developmental Evaluation 264

Reflective Practice for Developmental Evaluation Inquiry and Engagement 265
Sensitizing Concepts as a Focus for Reflective Practice and Developmental Evaluation 270
Kia ora 274
Action Research and Developmental Evaluation 280
Intersections of Developmental Evaluation and Action Research: A Distinguished Evaluation Pioneer Reflects 280
Reasoning and Developmental Evaluation 283
In Praise of Methodological Diversity and Appropriateness: A Methods and Tools Rant 288
Systems Change and Developmental Evaluation 290
Retrospective Developmental Evaluation 294
Damiano's Retrospective Developmental Evaluation 298
Developmental Evaluation *Bricolage* 303

10. Utilization-Focused Developmental Evaluation: Engagement Practices, Diverse Designs, and Adaptive Methods 305

Different Kinds of Developmental Evaluation 306
Diversity of Design and Methods Options 307
Utilization-Focused Developmental Evaluation 315
Ten Utilization-Focused Developmental Evaluation Design Examples 315
Developmental Evaluation Engagement, Design, and Methods Summary 333
The First Developmental Evaluation: A Creation Story 337
