

Contents

**1 Introduction** 6

1.1 Motion and compliance control from incomplete depth and tactile measurements . . . . . 6

1.2 Motion control for active semantic segmentation from incomplete data . . . . . 7

**2 Motion and compliance control from incomplete depth and tactile measurements** 11

2.1 Preliminaries . . . . . 11

2.2 Constrained policy gradient search . . . . . 12

**3 Motion control for active segmentation with incomplete data** 18

**Curriculum Vitæ** 25
