1	Business and management research, reflect	tive
	diaries and the purpose of this book	2
	Mark Saunders, Philip Lewis and Adrian Thornhill	
	Learning outcomes	2
1.1	Introduction	2
1.2	The nature of research	4
1.3	Business and management research	5
1.4	The research process	11
1.5	Keeping a reflective diary or research notebook	11
1.6	The purpose and structure of this book	15
1.7	Summary	18
	Self-check questions	19
	Review and discussion questions	19
	Progressing your research project: Starting your reflective	
	diary or notebook	20
	References	20
	Further reading	21
	Case 1: Researching buyer-supplier relationships	22
	Rosanna Cole	
	Self-check answers	23

2	Formulating and clarifying	`
	the research topic	26
	Mark Saunders, Philip Lewis and Adrian Thornhill	
	Learning outcomes	26
2.1	Introduction	26
2.2	Attributes of a good research topic	28
2.3	Generating and refining research ideas	31
2.4	Turning research ideas into research projects	42
2.5	Writing your research proposal	53
2.6	Summary	60
	Self-check questions	60
	Review and discussion questions	61
	Progressing your research project: From research	
	ideas to a research proposal	61
	References	62
	Further reading	63
	Case 2: 'Helpful but not required': A student research proposal	64
	Mark Saunders, Philip Lewis and Adrian Thornhill	
	Self-check answers	68
3	Critically reviewing the literature	70
	Mark Saunders, Philip Lewis and Adrian Thornhill	
	Learning outcomes	70
3.1	Introduction	70
3.2	The critical review	72
3.3	Literature sources	83
3.4	Planning your literature search strategy	90
3.5	Conducting your literature search	93
3.6	Obtaining and evaluating the literature	102
3.7	Recording the literature	106
3.8	Using Systematic Review	108
3.9	Plagiarism	110
3.10		112
51.0	Self-check questions	112
	Review and discussion questions	114
	Progressing your research project: Critically reviewing	
	the literature	114
	References	11!
	Further reading	110

	Case 3: After the crisis: a systematic and critical review  David Denyer	117
	Self-check answers	120
4	Understanding research philosophy	
	and approaches to theory development	122
	Mark Saunders, Philip Lewis, Adrian Thornhill and Alexandra Bristow	
	Learning outcomes	122
4.1	Introduction	122
4.2	The philosophical underpinnings of business	
	and management	124
4.3	Five major philosophies	135
4.4	Approaches to theory development	144
4.5	Summary	150
	Self-check questions	152
	Review and discussion questions	152
	Progressing your research project: Heightening your Awareness of your Research Philosophy (HARP)	153
	References	157
	Further reading	158
	Case 4: Chinese tourists and their duty-free shopping in Guam	159
	Jenny Ma	
	Self-check answers	161
5	Formulating the research design	162
	Mark Saunders, Philip Lewis and Adrian Thornhill	
	Learning outcomes	162
5.1	Introduction	162
5.2	Choice and coherence in research design	163
5.3	Methodological choice: the use of a quantitative,	
	qualitative or mixed methods research design	165
5.4	Recognising the purpose of your research design	174
5.5	Choosing a research strategy or strategies	177
5.6	Choosing a time horizon	200
5.7	Establishing the ethics of the research design	201
5.8	Establishing the quality of the research design	201
5.9	Taking into account your role as researcher	207

5.10	Summary	209
	Self-check questions	209
	Review and discussion questions	210
	Progressing your research project: Deciding on your	
	research design	211
	References	211
	Further reading	214
	Case 5: Managers' challenges when dealing with change Noelia-Sarah Reynolds	215
	Self-check answers	217
6	Negotiating access and research ethics	220
	Mark Saunders, Philip Lewis and Adrian Thornhill	
	Learning outcomes	220
6.1	Introduction	220
6.2	Issues associated with gaining traditional access	222
6.3	Issues associated with Internet-mediated access	226
6.4	Strategies to gain access	228
6.5	Research ethics and why you should act ethically	239
6.6	Ethical issues at specific stages of the research process	249
6.7	An introduction to the principles of data protection and data management	261
6.8	Summary	263
	Self-check questions	264
	Review and discussion questions	265
	Progressing your research project: Negotiating access and addressing ethical issues	` 265
	References	266
	Further reading	267
	Case 6: Chinese students' interpretations of trust  Miriam Muethel	268
	Self-check answers	269
7	Selecting samples	272
	Mark Saunders, Philip Lewis and Adrian Thornhill	
	Learning outcomes	272
7.1	Introduction	272
7.1	Probability sampling	276
7.2	Non-probability sampling	295

8 Using secondary data  Mark Saunders, Philip Lewis and Adrian Thornhill  Learning outcomes 316 8.1 Introduction 317 8.2 Types of secondary data and uses in research 318 8.3 Searching for secondary data 327 8.4 Advantages and disadvantages of secondary data 330 8.5 Evaluating secondary data sources 335 8.6 Summary 344 Self-check questions Review and discussion questions Progressing your research project: Assessing the suitability of secondary data for your research References Further reading Case 8: Values and behaviours for sustainable tourism Susann Power Self-check answers 350  9 Collecting primary data through observation Mark Saunders, Philip Lewis and Adrian Thornhill Learning outcomes 9.1 Introduction 9.2 Participant observation 9.3 Structured observation 9.4 Internet-mediated observation 373	7.4	Summary	304

## **Supporting resources**

Visit www.pearsoned.co.uk/saunders to find valuable online resources:

## **Companion Website for students**

- Multiple-choice questions to test your learning
- Tutorials and datasets for Excel, NVivo and SPSS
- Updated research datasets to practise with
- Updated additional case studies with accompanying questions
- Smarter Online Searching Guide how to make the most of the Internet in your research
- Online glossary

## For instructors

- Complete, downloadable Instructor's Manual
- PowerPoint slides that can be downloaded and used for presentations

Also: The regularly maintained Companion Website provides the following features:

- Search tool to help locate specific items of content
- Email results and profile tools to send results of quizzes to instructors
- Online help and support to assist with website usage and troubleshooting

For more information please contact your local Pearson Education sales representative or visit www.pearsoned.co.uk/saunders.
