

SIXTH EDITION

CULTURAL ANTHROPOLOGY

Carol R. Ember / Melvin Ember

INSTRUCTOR'S EDITION

This distinctive edition offers the instructor the student version of the text with the instructor's manual conveniently bound into the front of the book to make one handy teaching tool. It is brimming with valuable chapter overviews, resources for discussion, research project and paper topics, and essay questions that instructors will turn to again and again.

TEST ITEM FILE

The Test Item File includes 1000 questions in multiple choice and true/false format. The answer key is page-referenced to the text. (free to adopters)

PRENTICE HALL DATAMANAGER

Here is an electronic classroom management system that includes a test generating system (Test Manager), an interactive study guide (Study Manager) that has computer network features, and a grading program (Grade Manager) that includes scanning features. Available for IBM and Apple II series computers. (free to adopters)

TELEPHONE TEST PREPARATION SERVICE

With one call, Prentice Hall will provide test preparation and typing, on bond paper or ditto master. Within 48 hours of the request, the personalized exam and separate answer key will be mailed to the instructor. (free to adopters)

STUDY GUIDE

This guide is designed to reinforce information provided in the text. It includes chapter outlines and summaries, key concepts, student self-tests, and applied exercises. (sale item)

NON-NATIVE STUDY GUIDE

Designed for those whose primary language is not English, this guide consists of the same material as that in the regular study guide, but adds information on vocabulary, idioms, and culture. (sale item)

INTERACTIVE STUDY GUIDE

Available with the Prentice Hall DataManager program. (free to adopters)

TRANSPARENCY MASTERS

Here are tables, graphs, and charts taken from the book and made available as convenient transparency masters. (free to adopters)
