FOREWORD	v
PREFACE	vii
LIST OF ILLUSTRATIONS	xv
LIST OF TABLES	xvi
	PAGE
I. THE SOUTH IN 1815	1
Wasteful Farm Practices	3
Plight of the Tobacco-Growing Areas	5
The Westward Trek	5
Cotton Planting in the South	7
New Lands in the Trans-Appalachian States	10
Land Policies in Kentucky and Tennessee	13
The Lower South and Sugar	15
Farming in the Newer South	20
II. NORTHERN AGRICULTURE IN 1815	22
The Land of New England	23
Land Speculation in New York	29
Landlordism and Tenancy	36
Farm-Making in Pennsylvania	40
Farming in New Jersey	46
Growth of Ohio	47
Farming in Indiana, Illinois, and Missouri	50
III. PUBLIC-LAND POLICIES	51
Ohio Enabling Act	52
Private Land Claims	53
Surveying the Public Domain	54
Revenue Land Policy	55

Speculation in Public Land	57
Abandonment of the Credit System	63
Bounty Land Acts	65
Growth of Tenancy	66
 IV. THE BUSINESS IN LAND: PUBLIC-LAND POLICIES, 1835-1861	 70
Moneylending to Squatters	72
Panic of 1857	74
Steps toward Free Land	77
Land Speculation in the Fifties	80
Absentee Owners	85
Railroad Land Grant Policies	89
Farm Mortgages	92
Malfunctioning of the Land System	94
 V. THE BORDER SOUTH: TOBACCO, FLAX, AND HEMP	 99
Tobacco: A Problem Staple	100
Changes in Farm Practices	107
Principal Tobacco Producing Areas	110
Hemp and Flax	115
 VI. RICE AND SUGAR	 118
Rice	118
Sugar	122
Economics of Sugar Plantations	126
Attempts at Economic Self-Sufficiency	130
Buying and Selling of Sugar Plantations	131
 VII. COTTON	 134
Cotton Planting	134
Cotton Picking	136
Farm Management Practices	138
Problems of the Cotton Planter	144
Attitudes of the Large Cotton Planter	146
Cotton Marketing	152
The Economics of Slavery	154
 VIII. GRAIN FARMING	 156
Wheat Raising	156
Transportation Problems	159

CONTENTS

xi

The Geographic Shift in Wheat Farming	163
Corn Growing	169
Other Grains	172
The Trade through New Orleans	174
 IX. PRAIRIE FARMING	 179
Deterrents to Prairie Farming	180
Railroads Open the Prairies	183
Fencing	186
Capitalists Invest in Prairie Lands	188
Farm Laborers	196
 X. LIVESTOCK	 200
Neglect of Livestock	200
Imports of Purebred Cattle	203
Supply of Beef Cattle	208
Driving Cattle to the East	209
The Role of the Railroads	212
Pork in the American Diet	214
Hog Breeding	218
Sheep Raising	221
Use of Oxen	227
Horse Breeding	228
 XI. DAIRY FARMING	 232
Dairy Breeds	232
Milk Production	234
Milk Standards	236
Railroads Enlarge the Milksheds	239
Butter and Cheese	241
Co-operative Cheese Making	245
Poultry Raising	246
Income of the Northern Farmer	247
 XII. HAY, FRUIT, AND VEGETABLES	 249
The Hay Crop	250
Growth of the Fruit and Vegetable Industry	255
Vineyards and Wineries	258
Growth of the Nursery Business	259

The Value of Orchard and Garden Products	261
The Role of the Potato	262
Commercial Production of Vegetables	267
Effect of Cities on Agriculture	269
XIII. LABOR AND FARM MACHINERY	271
Farm Labor	272
Farm Wages	275
Improved Farm Implements	279
The Reaper	285
Development of Other Farm Machines	289
Social Effects of Improvements	293
XIV. SEARCH FOR NEW SPECIES	295
Introduction of New Crops	296
The Role of the Federal Government	298
Reception of New Varieties by Farmers	301
The Silkworm Craze	303
Other Agricultural Crazes	306
XV. GOVERNMENT CONCERN FOR THE FARMER	312
Role of the County Fair	312
Agricultural Societies	314
Soil Surveys	316
State Aid to Agriculture	317
Federal Aid to Agriculture: Tariffs	322
Guano Imports	327
The Patent Office and Agriculture	329
Creation of the Department of Agriculture	336
XVI. AGRICULTURAL PERIODICALS AND JOURNALISTS	338
The Almanac	338
Weekly Newspapers	339
Farm Journals	341
Common Criticisms of the Press	344
Problems of the Press	350
Notable Farmer-Writers	353
Books on Farming	356

Marketing Problems	437

Food Consumption	438
The Role of Government	438
Farm Labor	438
Agricultural Education	439
INDEX	441

Illustrations

Map, "Agriculture in 1860"	xviii
New York Canal Lands on Sale	32
No Oppression! Justice to the old Settlers!	37
Vendue!	38
Original Land Entries, 1800-1934	71
License to pasture a cow (1829)	235

BETWEEN PAGES 140-141

From pioneering to commercial farming on the Holland Purchase of New York
Circular (1847) urging farmers to buy stock in a railroad
Land advertising pamphlet distributed by Illinois Central Railroad (1857)
Plat showing selections of land by Illinois Central Railroad
Various stages in tobacco growing
Field hands picking cotton
Gathering sugar cane
Hauling baled cotton to the river landing
Use of the cradle in harvesting grain
Sketch depicting pioneer life as easygoing—according to a railroad land offer (1859)
Custom plowmen breaking tough prairie sod
Western prairie farmer running the "Fire Guard"
Grain boats and elevators on the Chicago River

BETWEEN PAGES 300-301

Butter making by farmers' wives
Progress in hog raising
Invoice of an order for garden seeds (1839)
Directions for making and preserving cider
Pitching fresh hay
Mowing machine, horse-drawn rake, and a hayrack
McCormick reaper of 1851
Advertisement of a thresher, a steam engine, and a small grinding mill
Horace Greeley and Marshall Pinckney Wilder
Machinery Hall, Fifth Annual Exhibition of the United States Agricultural Society (1857)
Cover page of the <i>Prairie Farmer</i> (February, 1846)
An early announcement of the Iowa Agricultural College (founded 1858)

Tables

	PAGE
Principal Whiskey-Producing States in 1810	13
Value of Exports, 1815	20
Number and Size of Farms in the Virginia Military Tract in 1860	58
Price and Production of Cotton in Mississippi and Alabama	60
Lands—Ceded, Surveyed, Offered, and Sold to September 1, 1835	72
Acreage of Public Land Entries, 1845–1860	79
Wheat and Tobacco Production in Maryland, Virginia, North Carolina	109
Tobacco Production in Leading Counties, 1859	115
Growth and Profits of the Louisiana Sugar Industry	127
Number, Acreage, and Average Size of Farms, 1850–1860	146
Size of Farms in Highest Yielding Counties in Alabama, 1860	147
Wheat Yield in Thousands of Bushels and Percentage of Total Crop in Leading States	160
Amount and Value of Wheat and Wheat Flour Exported from the United States	168
Corn Production in Leading States	171
Imports into New Orleans from Interior and Exports	174
Flatboat Cargo, Indiana to New Orleans, 1826	175
Flatboat Cargo, Leavenworth, Indiana to New Orleans, 1830	176
Flatboat Cargo, Cincinnati to New Orleans, 1836	176
Flatboat Cargo, Indiana to New Orleans, 1837	176
Receipts at New Orleans from the Interior, 1848–1849	177
Farmers and Farm Laborers in Four Champaign Townships, 1860	198
Weekly Consumption at Revere House, Boston	215
Number of Hogs per Capita in Certain Western, Southern, and Eastern States	216
Livestock Receipts in the New York Market	217
Receipts from the Interior and Exports from New Orleans for Year Ending August 31, 1849	220
Value and Number of Livestock per Farm in Four States and in the United States	231
Quotations of Butter in New York Market, February 21, 1861	243
Value of Orchard and Garden Products, 1859	270
Number of Farms, Farmers, and Farm Laborers as Shown in the Census of 1860 in Principal Northern States	273
Employment Make-up of the New York House of Representatives, 1850	381
Status of Farming in Washington and Oregon, 1860	387

Index

- Absentee ownership, in Deep South, 121
 - discrimination against, 87
 - exaggerated staple crop evils, 133
 - on sugar plantations, 129
 - Western attitude toward, 85-88
- Acadians, early settlements, 16, 19
 - planters contempt for, 127-128
 - small holdings of, 53-54
- Adams, John Q., on Patent Office Report, 331
 - opposed national university, 367
- Addison County, Vt., horse center, 229
 - sheep center, 224
- Affleck, Thomas, farm journalist, 353
- Agrarianism, in California, 392
 - directed at absentee owners, 86
 - directed at Pulteney estate, 37
 - Home League, 93
 - in Pennsylvania, 41
 - promoted by land speculation, 85
 - stay laws, 92
- Agricultural colleges, movement for, 359, 368
- Agricultural education, beginnings of, 370
 - at Oberlin, 360
 - at University of Georgia, 370
 - at University of North Carolina, 370
- Agricultural fairs, criticism of, 315
 - races at, 315
- Agricultural humbugs, 302
- Agricultural labor, costs, 269
- Agricultural machines, and commercialization of agriculture, 293
 - and costs of farm making, 293
 - patents on, 290-291
 - prizes for improvement of, 292-293
 - reluctance to buy, 291-292
 - value of, 291
- Agricultural Museum*, early farm journal, 341
- Agricultural press, advertising in, 350-351
- Agricultural press (*continued*)
 - advice of, 343-344
 - characteristics of, 341-353
 - fads and follies of, 347-348
 - numbers, 343
 - slight attention to women, 348-349
- Agricultural societies, growth of, 314-315
 - transactions of, 314-315
- Agriculture, affected by urban growth, 269
 - Department of, movement for, 336-337
- Agriculture, pioneer, in Indiana and Illinois, 50
 - in Kentucky, 12-13
 - in New York, 2, 8, 33
 - in Ohio, 48
 - in Tennessee, 13
- Ague, on prairies, 181
- Aimé, Valcour, large sugar planter, 123
- Alabama, cattle in, 205-206
 - early attractions of, 7
 - land speculation in, 59-63, 81
 - large plantations in, 147
 - purebred livestock in, 205-206
 - tenancy in, 15
- Albany, N.Y., market fair, 414
- Albany *Cultivator*, argued for protection, 348
 - major farm journal, 342
- Alcorn, James L., large land purchases of, 141
- Alexander, John T., cattle feeder, 211
- Allen, A. B., editor, *American Agriculturist*, 351
 - farm machinery business of, 351
- Allen, Lewis, *Herdbooks*, 205
- Allston, Robert F., on improved farm tools, 135
- Allston, Thomas, rice planter, 120
- Almanacs, farmers, 338
- Altamaha River, rice plantations, 118

- American Agriculturist*, major farm paper, 342
 on agricultural education, 359
 on government seed distribution, 332
 questioned Morrill bill, 376
 American Institute, and silk craze, 305
 American Land Company, investments of, 82
 American Pomological Society, 262
 Amherst College, agricultural chemistry in, 360
 Andrews, Israel D., report of, 161
 Apples, English imports of, 258
 varieties, 256
 Arks, carried wheat on Susquehanna, 35
 Artesian wells, and irrigation, 395
 Ashe, Thomas, on prices of farm goods, 49
 Assessments, higher on absentee owned land, 86n
 Ayrshires, breeders, 207
 leading dairy breed, 233
- Baldwin, Thomas, introduced new species, 297
 Baler, hay, 289
 Baltimore, investigation of milk supply, 239
 Bank of United States, Second, and land speculation, 57
 Banks, expansion of note circulation, 408
 Banks, Nathaniel P., pressed fight vs. pleuropneumonia, 318
 Barley, used in breweries, 173
 Barney, W. J., land for sale, 83
 Bartram, John, botanist, 298
 Bartram, William, botanist, 298
 Bateham, Mrs. M. B., on women's labor, 342
 Beale, Edward F., 389
 Beatty, Adam, agricultural authority, 116
 Bell, John, bought land of United States, 141
 supported Morrill bill, 376
 Bibb, Thomas, land speculation of, 63
 Bibb, William, land speculation of, 62
 Bingham, A. L., sheep breeder, 225
 Bingham, William, Pennsylvania land speculator, 42
 Birkbeck, Morris, settlement promoter, 188-189
- Bisland, William, Mississippi planter, 141
 Black Hawk, famous stallion, 229
 Black stem rust, on wheat, 163
 Blanding, Abram, southerner, invested in North, 407
 Blight, potato, 264-266
 Bluestem grass, on prairies, 181
 Bond, Joseph, extensive cotton planter, 147
 Borden, Gail, milk condensing plant, 240-241
 Boré, Etienne, improvement in sugar manufacture, 17
 Boston, investigation of milk supply, 239
 milk adulteration in, 237
 Boston and Indiana Land Company, 82
 Boston and Mississippi Cotton Land Company, 82
 Boston and New York Chickasaw Land Company, 82
 Boston and Western Land Company, 82
 Boston Common, cows pastured on, 235
Boston Cultivator, condemned slavery, 348
 Brahan, John, receiver, speculations of, 60-61
 Brahman, importation of, 208
 high price of, 208n
 Breck, Joseph, cautious farm editor, 356
 opposed controversial writing, 354
 proprietor, agricultural warehouse, 351
 Brent, Thomas L. L., southerner, invested in North, 407
 Breweries, dairies associated with, 237
 Bridport, Vt., horse center, 229
 Bright Tobacco Belt, 111
 Brown, Amos, favored Morrill bill, 379
 Brown, J. H., large cotton production of, 147n
 Brown, Thomas, Shorthorn advocate, 352
 Browne, Daniel J., Commissioner of patents, criticism of, 333
 jealous of subordinates, 334
 removed, 334
 seed collection in Europe, 300, 307
 books of, 356
 Buchanan, James, ordered land sales in depression, 75
 vetoed homestead bill, 79
 vetoed Morrill bill, 379-380
 Buckwheat, 173

- Buel, Jesse, agricultural editor, 342
 favored agricultural education, 359
 on government aid to agriculture, 336
 Buffalo, buyers in, 413
 wool depot, 415
 Burke, Edmund, Commissioner of Patents, 331
 Burlington and Missouri Railroad, swamp land dispute, 95
 Burnham, George, poultry fancier, 309-310
 Burnside, John, sugar planter, 126
 Bussey, Benjamin, fund for botanic studies, 361
 Butter, grades of, 243
 making, 241
 marketing of, 241
 Orange County the best, 242
- Cabel, Landon R., southerner invested in North, 407
 Caird, James, settlement promoter, 185
 Cajuns, *see* Acadians
 Calhoun, John C., on protection, 21
 spokesman for southern crops, 22
 California, cattle business, 393
 drainage of tule lands, 395
 irrigation, 394-395
 land claims, 388-389
 large grain farms, 394
 preemption on unsurveyed land, 391-392
 size of farms, 396
 squatters on land claims, 390
 title confusion, 392
California Farmer, 343
 Calvert, Charles, dairy farms, 111
 rotation of crops, 109
 Canals, connect lakes with Ohio, 182
 reversed trade routes, 174-176
 Capitalists, invested in prairies, 188-193
 Carroll, Charles H., landed proprietor, 31
 tenants of, 39
 Cary, F. G., on Morrill bill, 379
 struck at Buchanan's veto, 380
 Case, J. I., thresher manufacturer, 283
 factory in Racine, Wisc., 288
 Cattle, beef, distribution of, 208-209
 business, in California, 393
 dairy, *see* Dairy Cattle
- Cattle (*continued*)
 driven to East, 209-212
 feeders, business of, 210-211
 on prairies, 193
 in Southeast Pennsylvania, 45
 on Louisiana prairies, 19-20
 neglect of, 200-201
 purebred, importation of, 203
 weight loss on eastern drive, 210n
 Champlain Valley, prosperous farms in, 25
 Chapman, John, 253
 Charleston, S.C., marketing center, 413
 Cheat, nuisance of, 157
 Cheese, factories, 246
 made by cooperatives, 245-246
 making, 243
 production of, 244
 Cheese press, 291
 Chemung River, transportation on, 35
 Chenango River, transportation on, 35
 Cherokee Neutral Tract, anti-landlordism on, 93
 Chesapeake and Ohio Canal, 113
 Chess, nuisance of, 157
 Chester hog, American breed, 219
 Chicago, investigation of milk supply, 239
 markets, 413
 wheat center, 162-163
 Chicago Board of Trade, grades of, 163
Chicago Tribune, agricultural column in, 341
 Chickasaw, allotments, speculation in, 81
 Chillicothe, marketing center, 415
 Chinese sugar cane, excitement about, 307
 Chinese yam, introduction of, 300
 Choate, Rufus, opposed national university, 367
 Chocchuma, land sales at, 81
 Cholera, slave deaths from, 128
 Church, William, gentleman farmer, 31
 Cider, production, 255
 Cincinnati, investigation of milk supply, 239
 marketing center, 413
 meat packing in, 215
 Cincinnati, Peru and Chicago Railroad, 83
Cincinnatus, favored Morrill bill, 378
 Cities, growing market for cattle, 209

- Claiborne, John, on markets for cotton, 324
- Claiborne, W. C. C., quoted, 17
- Claim associations, at Huntsville sale, 60-61
 policed auction sales, 67
 tolerated speculative purchasing, 72
- Clark, Daniel, 17, 131
- Clark, William, investment in sugar country, 105
- Clarke estate, land rentals, 39
- Clay, Cassius, Shorthorn breeder, 206
- Clay, Henry, Hereford importer, 203
 protectionist, 21
 spokesman for southern crops, 22
- Cleveland, wool depot, 415
- Cleveland Plain Dealer*, agricultural column in, 341
- Cloud, Noah B., agricultural reformer, 145, 353
 on Morrill bill, 377
- Clover, from England, 251
 on Pennsylvania German farms, 43
- Coastal plain, agriculture in, 3-4
- Cobb, Williamson R. W., 407
- Cobden, Richard, 185
- Cockleseed, 157
- Coffee, John, land speculation of, 61
- Coler, W. N., land agent, 83n
- Collamer, Jacob, supported Morrill bill, 376
- Colman, Henry, *European Agriculture*, 355
 farm writings, 354
 on wages of farm labor, 269, 271, 275-276
- Columbus, land speculation at, 81
- Combahee River, rice plantations, 118
- Compost, use of, 347
- Conestoga wagon, for hauling wheat, 159
- Connecticut, farm land values in, 29
- Connecticut Land Company, interest in Ohio, 47
- Connecticut Valley, prosperous farms in, 25
- Cook and Sargent, Iowa banking firm, 74
 land for sale, 83
- Cooper, William, landed proprietor, 31
- Cooperatives, cheese, 245
 woolgrowers, 414-415
 tobacco farmers, 415
- Corn, chief southern staple, 99-100
 cultivation of, 170
 harvesting of, 170
 leading states, 171
 New Orleans trade, 174
 prairie soils, 172
 uses of, 169
 yield in Virginia, 4
- Corn Belt, emergence of, 199
 hog production in, 219
- Corn planter, 289-290
- Corning, Erastus, land business of, 82
- Cotton, and soil erosion, 142
 crops, 145
 early centers of, 19
 expansion of planting, 1815, 8
 fear of foreign competition, 324
 inspection laws, 319
 long staple, centers of, 134
 primitive farm practices in, 135
 marketing, 152
 picking, 136-137
 prices, 143
 prices and land speculation, 60
 prices and production, 59
 problems of, 144
 sea island, where cultivated, 142
 seed improvement, 301-302
 size of farms, 146-147
 upland areas of, 136
- Cotton gin, improvements in, 136, 283
- Cotton plantations, assembling of, 140-141
 small portions cultivated, 141
- Cotton planters, efforts at self sufficiency, 145
- Cotton press, improvements in, 283
- Cottonseed, improvements in, 301
 use of, 152
- Cottonseed meal, dairy feed, 234
- Country Gentleman*, 342
- Craven, Avery, on agricultural improvement, 109
- Credit, expansion of, 408
 farmers' major problem, 403
 government, abandoned in land sales, 63
 on government land sales, 56
 New England Farmer on, 405
 permitted farm improvement, 412
 storekeepers provided, 404

- Creeks, allotments, speculation in, 81
resisted white penetration, 10
- Croom, Isaac, large Alabama planter, 147n
- Crop liens, 97-98
- Cushing, John P., farm operations of, 313
- Dabney, Thomas, moved slaves to Mississippi, 105
- Dairies, associated with distilleries, 237
- Dairy cattle, fed distillery slop, 237
late development of, 232
in Maryland, 111
- Dairying, butter making, 241-242
cheese making, 243
effects of railroad building on, 239
- Danville, Va., tobacco manufacturing center, 104
- Darby, William, planter, 16
- Davis, David, prairie landlord, 194-195
- De Bow, J. D. B., on Connecticut farms, 114
- De Bow's Review*, called for agricultural improvement, 139
on Chinese sugar cane, 307
disliked government aid to agriculture, 332
- Deere, John, inventor of steel plow, 181, 281
- Delta, fast growing cotton economy, 19
large plantations in, 147
- Demaree, Albert L., author, *American Agricultural Press*, 343
- d'Estrehan, Jean Noel, sugar planter, 17
- Devon cattle, popularity of, 207, 233

- Dickinson, Rodolphus, author, 28
- Dickson, David, agricultural innovator, 144
- Distilleries, dairies associated with, 237
- Dix, Dorothea, land grant bill of, 375
reformer, 374
- Dogs, killers of sheep, 226
- Dorking, English fowl, 209-311
- Downing, Andrew J., landscape architect, 357
- Drainage, in California, 395
need for, 199
in New York, 290
problems on prairies, 182
- Drills, in Middle West, 285
introduced, 157
- Drovers, cattle, 13, 210
- Dunbar, William, large cotton planter, 18
- Duncan, Stephen, cotton planter, 147-148
household slaves of, 154
lands of, 141
stock ownership of, 407
sugar planter, 133
- Dunlap, M. L., agricultural writer, 341
- Dwight, Timothy, 24
- Dysentery, on prairies, 181
- Easley, James S., extensive money lender, 74
foreclosures, 75
land speculation, 81-82
- Eaton, Amos, geologist, 317
- Edisto River, rice plantations, 118
- Edwards, Ninian, upheld credit sales, 64
- Elgin Botanic Garden, in New York, 298
- Ellsworth, Henry L., Commissioner of Patents, advocated national university, 367
Annual Reports of, 331
collected agricultural statistics, 330
land business of, 96n
prairie landlord, 190-192
seed distribution, 299-300
- Ellwanger and Barry, nursery firm, 259
- English capitalists, invest in prairies, 188-189
- English Prairie, settlement on, 188
- Entomology, New York begins work in, 319
- Erie Canal, effect on transportation costs, 159
reversed trade routes, 174
stimulated construction elsewhere, 113
- Erie Railroad, enlarged New York milkshed, 239
hauled milk to New York, 239
transportation of cattle, 212-213
- Erosion (*see* Soil Erosion)
- Erwin, Joseph, dealt in sugar plantations, 132
- Evans, George Henry, land reformer, 76
- Evans, John, 195
- Evans, Paul, on Pennsylvania squatters, 41
